SESSION ONE

THE YURI SOLOVEY COLLECTION OF PERSIA AND THE MIDDLE EAST

The Yuri Solovey Collection of Persia and the Middle East

The Persian Empire was one of history's largest and most important for advancement in the arts and sciences. The natural beauty and fascinating history of modern-day Iran make it one of Yuri Solovey's favorite places to visit. Yuri's collection of Persian notes is a foray into collecting that art and history, as many of the notes incorporate designs that are distinctly Persian, with motifs and vignettes capturing its natural beauty, historic sites and figures.

Mr. Solovey is an investor and businessman with a passion for traveling and culture who is drawn to paper money because of its artistry and history. His penchant for banknotes began as he encountered the varied circulating currencies in his travels around the world, each time bringing these circulating examples home with him. His traveling pursuits are a serious endeavor, having tallied visits to 132 countries, including locales that are nearly inaccessible due to politics or sheer remoteness. Few globetrotters have logged the travels that Yuri has, including North Korea, Kiribati, Democratic Republic of the Congo, Central African Republic, Federated States of Micronesia, Burkina Faso, and most recently, Papua New Guinea and East Timor. The understanding of cultures and experiences through travel makes collecting world banknotes a perfect complement to Yuri's life of adventurous travelling.

The Yuri Solovey Collection of Persia and the Middle East is another in a long line of incredible World Paper Money offerings from his collection. This follows his collection of the Banque de l'Indochine, which spanned the world over.

The present selections from the collection of Mr. Solovey include Persia, Jordan, and Syria notes, with once-a-generation offerings, as well as a numismatic history of the region that is best told with the banknotes themselves. Some of the highlights include:

- A stunning Face and Back Color Trial Specimen 25 Tomans issued under the Kingdom of Persia
- Kingdom of Persia Pick 7s 50 Tomans in full Uncirculated condition
- An issued example of Kingdom of Persia 1929 20 Tomans
- AH1316 100 Rials Specimen in high grade
- Three Specimens from the ultimately unissued series of AH1317
- A fully PMG Choice Unc 64 graded 100 Livres Pick 39Ds from Syria

While your collecting interests may not include these countries or regions, the offering can be enjoyed for its thoroughness and overall quality. Moreover, collectors can look forward to future offerings from the Yuri Solovey Collection from other regions around the world.

WORLD CURRENCY

28001 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 10.4.1900 Pick 1b **PMG Very Fine 30**.
Beginning in 1890, the Imperial Bank of Persia contracted with Bradbury, Wilkinson & Co. Ltd. to provide a series of notes for circulation which would ultimately be used from 1890 to 1923. The denominations included 1, 2, 3, 5, 10, 25, 50, 100, 500, and 1000 Tomans. The highest two denominations were held in reserve at the National Treasury. This is a moderately circulated example of the lowest denomination and represents the variety with black serial numbers. Some minor repairs have been noted by PMG but, otherwise, this is a very attractive note for the assigned grade.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $2,000

28002 **Iran** Kingdom of Persia, Imperial Bank 1 Toman ND (1890-1923) Pick 1sp Specimen Proof **PMG Choice About Unc 58 EPQ**.
A very nice Specimen Proof from the dawn of the issuance of paper money in Persia. This note, which has a vignette at left of a lion with sword and sun emblem of Persia on the face and at center on the back, represents the lowest denomination from this first issue. Aside from minor handling, it displays wide margins and ideal colors. Perforated cancelled.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,000

High Grade 2 Tomans ca. 1908

28003 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans ND (1890-1923) Pick 2 **PMG About Uncirculated 53 Net**.
Today we are offering two unusually high grade issued 2 Tomans. They feature the B/C prefix, indicating they were issued in or around 1908. As one of the earlier issues, they lack the payable location overprint, and the serial numbers are in red, not black. The distinctly different serial numbering, would lead Persian specialists to seek after this as a different type than the latter issues. This note is the marginally nicer of the two. Both incredible in their own right, despite some reconstruction noted by PMG. That said, the two notes here represent the two finest examples in the *PMG Population Report*.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,750

Early Persian 2 Tomans

28004 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans ND (1890-1923) Pick 2 **PMG About Uncirculated 50 Net**.
This is the second of a very rare and desirable pair of early 2 Tomans notes. As described in the lot before this, the B/C block indicated one of the earliest and scarcest issue dates, ca. 1908. Some reconstruction is noted, as well as a pervious mounting.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,500

28005 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 1.7.1901 Pick 2cts1 Color Trial Specimen **PMG Choice About Unc 58**.
A high grade Color Trial Specimen of this first series note prepared and printed by Bradbury Wilkinson. This piece has a far more pinkish hue than the actual issued notes. This is the first example that we have ever handled. Roulette cancelled.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,750

28006 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans ND (1890-1923) Pick 2s Specimen **PCGS Very Choice New 64**.
An impressive presentation Specimen, with no annotations or office of issue. Shah Naser al-Din Shah Qajar is featured along with the royal coat of arms of Persia. Colors are wonderful as expected on this Bradbury Wilkinson designed and printed issue. Perforated cancelled.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,250

Vivid Color Trial Specimen Pair

28007 **Iran** Kingdom of Persia, Imperial Bank 5 Tomans ND (1890-1923) Pick 3cts Front and Back Color Trial Specimen **PMG Uncirculated 62; Uncirculated 61**.

The central colors of the design are variegated pastels, with the portrait, denomination, and coat of arms printed in black. On back, an even blue with the Kingdom of Persia coat of arms topped with the Kiani crown at center. The overall eye appeal is nice and higher than the grades would suggest, with a minor repair and a reattached corner on each of the pieces. A roulette cancel, SPECIMEN, is noted on both pieces but incredibly small in format, making these color trials even more eye appealing than normal.

From the Yuri Solovey Collection of Persia and the Middle East **(Total: 2 notes)**

Starting Bid: $1,750

Stunning Uniface Color Trial Pair

28008 **Iran** Kingdom of Persia, Imperial Bank 25 Tomans ND (1890-1923) Picks 6cts1; 6cts2 Front and Back Color Trial Specimen **PMG Gem Uncirculated 66 EPQ; Gem Uncirculated 65 EPQ.**

A beautiful presentation pair, rarely seen and desirable. All essential design elements are on full display thanks to the uniface nature of this set. Amazingly, a full century later, EPQ status is still easily seen on each side of this banknote. Lacking serial numbers, dates, signatures, and city of redemption, the overall design is completely visible. A small, perforated cancellation appears on each. Rarely seen in this format. We have not offered a Color Trial 25 Tomans since 2018.

From the Yuri Solovey Collection of Persia and the Middle East (Total: 2 notes)

Starting Bid: $3,500

Early Persian 25 Tomans Face Proof

28009 **Iran** Kingdom of Persia, Imperial Bank 25 Tomans 1890-1923 Pick 6fp Face Proof **PMG Uncirculated 60**.
In 1890, the Imperial Bank of Persia contracted with Bradbury, Wilkinson & Co to provide a series of notes for circulation which would ultimately be used from 1890 to 1923. Issued notes for Pick 6 are listed as "rare" without any values. This is a delightful, well printed Face Proof of the 25 Tomans denomination of that issue that just has a few minor edge tears.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $2,000

High Denomination Kingdom of Persia Specimen

28010 **Iran** Kingdom of Persia, Imperial Bank 50 Tomans ND (1890-1923) Pick 7s Specimen **PMG Choice Uncirculated 64**.
The early 50 through 1000 Tomans notes are nearly uncollectible in terms of rarity. Just two issued examples of this 50 Tomans note have been offered in the last decade, the last topping the $50,000 mark. Their monetary equivalent in bullion form was approximately 4.16 ounces of gold. This beautiful Specimen boasts perfectly printed inks, on top of bright paper. A small roulette SPECIMEN cancellation is noted. A survey of the other Specimens offered for this number show most of the recent offerings were impaired. To date, PMG has graded no finer examples of this number, making it worthy of consideration for even the finest of Persian collections.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $5,000

28011 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 27.3.1926 Abadan Pick 11 **PCGS Extremely Fine 45**.
The pack-fresh condition of this note, with its strong embossing and colors, is enhanced by its Abadan place of issue, with total issuance that pales when compared to the number of notes issued from the central cities of Tehran, Tabriz, and others.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $1,750

28012 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 15.8.1929 Teheran Pick 11 **PMG Choice Very Fine 35**.
Pick 11 by type, with PAYABLE AT TEHERAN ONLY at top on back. The payable clause is part of the original printing, and not stamped like other locations. The note faces up nicely, with deep inks and a strong stamped date on the face. The back shows the remnants of a repair at center.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $750

28013 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 16.1.1926 Meshed Pick 11 **PCGS Very Fine 20**.
The first 1 Toman note offered from the 1924 Issue with Muzaffar-al-Din portrait on the upper left. Black on green and pink obverse; red and green back. Payable only at Meshed. Some noticeable stains in the margins, along with other minor damage. Still a presentable, issued example.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $400

28014 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 1.6.1925 Pick 11 **PMG Very Good 10 Net**.
A pleasing example of this initial denomination. An early date is seen, along with Bushire city stamp. Repairs and reconstruction were executed to enhance the visual appeal of this seldom seen banknote.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $250

28015 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 19.11.1924 Teheran Pick 12 **PMG Very Fine 25 Net**.
The 2 Toman notes are among the most beautiful of the Persian issues, with Bradbury, Wilkinson, & Co. employing an fantastic array of colors in their design. The "Payable at Teheran Only" is seen on the back, with the clause fully printed. Some corner damage is noted by PMG.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $400

28016 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 29.11.1924 Pick 12 Teheran **PMG Very Fine 25**.
A well preserved 2 Tomans from the early Imperial Bank of Persia issue. The portrait of Naser al-din Shah Qajar in military uniform and feathered fez and a redemption stamp are visible on this "Payable At Teheran Only" type.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $600

28017 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 28.9.1927 Kerman Pick 12 **PMG Very Fine 25**.
The margins are full and the corners are sharp, with bright remaining colors on front and back. The overall appearance is a little higher than the grade might suggest, with a repair noted by PMG. The repair is in the open watermark area, and does not affect the major design elements.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $600

28018 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 14.10.1924 Pick 12 Resht **PCGS Fine 15**.
Resht or Rashi? This uncommon place of issue is actually Resht (currently Romanized as Rasht), Iran's largest city on the Caspian Sea and thus a large intra-Russo-Arabic port. Even today, the population is just under 600,000. This is an evenly circulated and problem free example.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $500

28019 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 13.12.1930 Abadan Pick 12 **PCGS Fine 15**.
Along with the 20 Tomans denomination, the 2 Tomans denomination was not too popular in general circulation. Inks on both sides are original and bright with just a few minor stains at left.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $400

28020 **Iran** Kingdom of Persia, Imperial Bank 2 Tomans 11.5.1931 Pick 12n Teheran **PMG Very Fine 30**.
An absolutely appealing example of this early design featuring a portrait of Naser al-Din Shah Qajar is featured on the front. The third party grading company mentions this note has been lightly retouched although, all colors seem to contrast wonderfully. Two toman notes were actually not a popular denomination, and hence were not issued in large amounts. A Tehran issuance stamp is seen on this early example from the second series of the Imperial Bank of Persia.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $600

28021 **Iran** Kingdom of Persia, Imperial Bank 5 Tomans Barfrush 10.10.1925 Pick 13 **PCGS Fine 12**.
A 5 Toman note from the 1924 issue with a majestic portrait of Muzaffar-al-Din on the right. Black on green and lilac obverse, green back. Payable only at Barfrush. Significant edge damage, some internal splits, and stains - especially on the back. The engraving and features of the note remain fully legible. Rare in issued form.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $400

28022 **Iran** Kingdom of Persia, Imperial Bank 5 Tomans 7.10.1928 Pick 13 Dizful **PCGS Fine 12**.
A second 5 Toman note from the 1924 issue. Identical in design to the previous note but payable at Dizful only. Severed and repaired with additional damage noted on the holder. Nonetheless, a scarce note for collectors trying to complete the set of places of redemption.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $400

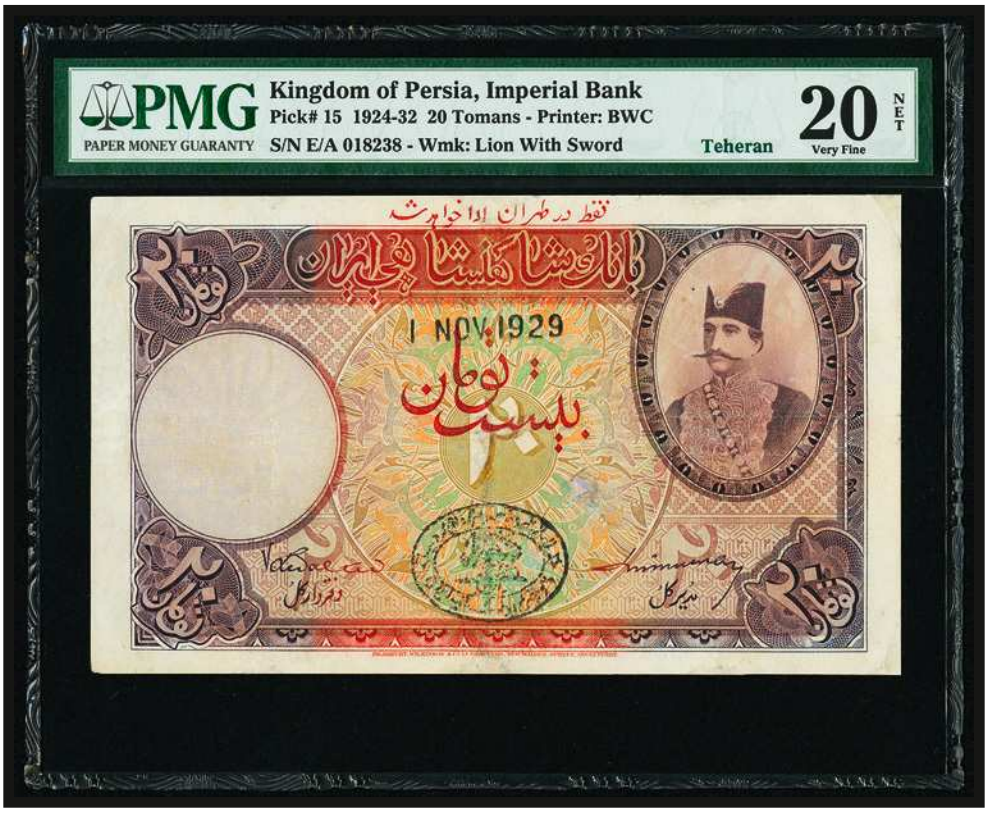

28023 **Iran** Kingdom of Persia, Imperial Bank 10 Tomans 11.8.1928 Pick 14 Teheran **PMG Very Fine 20 Net**.
Deep blues frame golden yellow background engraving work on the face, with a deep orange on the back. This higher denomination is rarely encountered in grades above Very Fine. Some issues, including rust, a repair, and an erasure are noted by PMG, but are not as bad as they would imply.
From the Yuri Solovey Collection of Persia and the Middle East
Starting Bid: $750

In the theme of the early 1930s Iranian banknotes, the 1000 Rials featured a similar mix of modern, with Reza Shah at right, and Darius the Great stabbing an Ahriman monster at left. Many of the iconic stone reliefs from Persepolis and other Persian historic sites were used in this series. This denomination is the highest issued in the 1930s, with few, if any, of either the dated or undated (Pick 30a and 31a) making appearances in any given year. This piece has been repaired, but is rarely encountered in any finer state of preservation.

28071 **Iran** Bank Melli 100 Rials ND (1937) / AH1316 Pick 35Bcts Color Trial Specimen **PMG Choice About Unc 58**.
The three highest denominations of the French series were prepared with a forward-facing portrait of the Shah, but eventually all three were not issued. This rare Color Trial Specimen was prepared in red, in lieu of blue, and is quite scarce in any and all varieties. Two printer notations are seen, as well as solid zero serial numbers, and a perforated cancellation. First Major Auction Offering In Years

28075 **Iran** Bank Melli 500 Rials ND (1937) Pick 36Bfp Face Proof **PMG Choice Uncirculated 64**.
A series of unadopted designs were printed in Specimen and Proof form in 1937 and 1938, including this design. The Thomas De La Rue products are incredible works of art, balancing color and design elements that harken to the natural beauty of Iran and the long history of Persia. This Face Proof is well margined, with bold colors emanating from the central design. Four A/1 000000 serial numbers are seen in each of the corners, and an Achaemenid soldier is posted at left and right. Since Specimens and Proofs come in a few different forms, comparison across the *PMG Population Report* is not an apt comparison. In total though, these printings are scarce, and rarely offered. We do not show any recent offerings of this denomination in any form. The 100 Rials is offered on occasion, with most realizing well into four figures.

Impressive High Denomination Specimen

28081 **Iran** Bank Melli 1000 Rials ND (1937) / AH1316 Pick 37As Specimen **PMG Choice Uncirculated 64**.
Another handsome, unissued denomination, and visually stunning in every way. Desirable for its stunning appearance, beautiful engravings and color schemes, as well as its grand size. We have only offered this type once previously. This is only the fourth example to cross the auction block in the last decade. French text adorns the back of this type, which has solid zero red serial numbers on the front. A printer notation is carefully tucked away in the margins. Otherwise, the appearance is not hindered by any distractions whatsoever. Highly elusive and very pretty.

Single Finest Graded Example of an Iconic Type

28094 **Iran** Bank Melli 10,000 Rials ND (1938) / AH1317 Pick 38Cs Specimen **PMG Gem Uncirculated 66 EPQ**.
This stunning Specimen was prepared for the highest denomination of the Farsi series of 1938. However, this enormous denomination was never issued, as its spending power was ultimately too high to be useful in most transactions. The color schemes and design elements are unusually beautiful, which adds another dimension of desirability to this already rare type. Of importance, this specific Specimen, featuring red overprints and printer notations, is the single finest graded example in the *PMG Population Report* at the time of cataloging.

A very scarce unissued denomination, beautifully inked, and only available in some sort of trial format. At the time of cataloging, this Specimen is one of only two examples graded Gem Uncirculated, which adds desirability to an already exciting type. The color schemes and paper quality are outstanding, and the red overprints are as fresh as the day they were applied. Interestingly, this very high denomination was prepared on more than one occasion, but ultimately never made it past the trial phase until the 1971 emission. The finest example we have offered.

28150 **Syria** Banque de Syrie et du Liban 50 Livres 1939 Pick 44s Specimen **PMG About Uncirculated 53.**
Only the 5 Livres denomination is listed with price in Uncirculated in the *Standard Catalog of World Paper Money*. This is misleading as none of the denominations are found in EF or higher grades with any regularity. This Specimen is a fresh look at the colors and design as intended by the engravers of Bradbury, Wilkinson, and Co. Though this piece likely missed the EPQ designation due to two staple holes, PMG was not short on the adjectives for this note by adding, "Great Embossing & Color" to the back of the holder. Five POCs.

A split prefix type, and rare as such. The Q/5 prefix is split between the black signature print and the blue print. This note features the latter. Beautifully printed and desirable as a higher denomination issue.
Starting Bid: $500

28208 **Australia** Commonwealth of Australia Reserve Bank 20 Dollars ND (1968) Pick 41b R402 **PMG Gem Uncirculated 65 EPQ**.
A lovely example of this sought after issue in a desirable Gem grade. At the time of issue, this was the largest denomination, having replaced the £10 note. It was not until later that inflation forced the issue of the $50 note. Prefix XBQ and the Coombs-Randall signature combination is displayed on the highly collectible issue.
Starting Bid: $1,250

28209 **Australia** Australia Reserve Bank 10 Dollars ND (1990-91) Pick 45gx R312 Sequencing Error **PMG Gem Uncirculated 66 EPQ; Superb Gem Unc 67 EPQ**.

This signature combination reverts back to the previous emission released in 1990. A very rare sequence not seen on other modern Australian notes. (Total: 2 notes)
Starting Bid: $500

Each of the colors in the polymer appear richer than can be expected of printing on paper. Some minor damage is noted in the security window, as the reason for the Net grade, but a rare piece nonetheless.
Starting Bid: $1,500

28211 **Australia** Bank of Australasia, Melbourne 5 Pounds 2.2.1874 Pick Unlisted MVR2 Uniface Proof **PMG Extremely Fine 40.**
A superb face proof, rarely seen and desirable as such. A handwritten date is carefully placed at bottom right, and indicates the era during which this proof was created. Typical mount remnants are seen, which do not detract from the overall appearance. Interestingly, this bank was headquartered in London and operated in Australia until 1951.
Starting Bid: $500

28212 **Bahamas** Central Bank 10 Dollars 1974 Pick 38a **PMG Gem Uncirculated 66 EPQ**.

Rare First Issue 1 Pound in Top Grade

28219 **Bermuda** Bermuda Government 1 Pound 2.12.1914 Pick 1 **PMG Very Fine 30**.
Rare in any condition, this stunning 1 pound shares the highest grade with one other of the five total examples registered in the *PMG Population Report*. All details remain on this century old, well preserved note. Printed by the American Bank Note Company of Ottawa, the design features the Crest of Bermuda on the left with the banner that reads "Quo Fata Ferunt" (Whither the Fates Direct). The red serial numbers are bold and the manuscript signature of J.T. Gilbert and printed signature of Allen F. Smith are distinct. Recently, the other VF30 example crossed the auction block realizing $11,065. We would expect similar results for this Bermudan first issue rarity.

Starting Bid: $5,000

28220 **Bermuda** Bermuda Government 5 Shillings ND (1935) Pick 3b **PMG Extremely Fine 40**.

A well preserved early King George V issue, this note is currently the second highest graded note in the *PMG Population Report* for this pick number. Printed by Thomas De La Rue & Company, this example features the B/1 prefix and is signed by the Colonial Treasurer John Trimingham, which identify it as the 1935 issue. The last 1935 dated 5 shillings crossed the auction block in early 2019 realizing $2800 at a Very Fine 30 grade. We are expecting this gorgeous example to fall around our high estimate level.

Starting Bid: $1,500

28221 **Bermuda** Bermuda Government 10 Shillings 30.9.1927 Pick 4 **PMG Very Fine 25**.

One of the more iconic designs for British Commonwealth banknotes and desirable as such. Problem free, circulated grade is seen on this handsome example. All design elements are clearly visible, along with attractive ink and paper. Only 200,000 banknotes of this design were printed and issued, with a variety of prefixes used as a security measure.

Starting Bid: $500

28222 **Bermuda** Bermuda Government 1 Pound 30.9.1927 Pick 5a **PMG Choice Very Fine 35 EPQ**.

Enhanced by completely original paper and a simply stunning design, this widely sought after type has an interesting history. The Bermuda Government was unhappy with the paper quality of the previously issued 5 Shillings banknote, and employed Waterlow & Sons to design and print the 1927 series. Using both solid-letter and split prefixes, this denomination was issued for 10 years, amounting to 450,000 pieces in total. Simply beautiful and widely sought after in this elite grade, which is bettered by only 10 examples in the *PMG Population Report* at the time of cataloging.

From the Adderley Collection

Starting Bid: $1,000

28223 **Bermuda** Bermuda Government 10 Shillings 12.5.1937 Pick 9 **PMG Choice Very Fine 35**.

A scarce example that features the date of King George VI's coronation. A desirable vignette of the fort in Saint George on the front and the Royal crest on the back. This green colored variety of the 1937 dated issue has become troublesome to find in any grade.

Rare 1941 Dated 5 Pounds

28225 **Bermuda** Bermuda Government 5 Pounds 1.8.1941 Pick 13 **PMG Very Fine 20**.

A rarely seen type, the 1941 dated orange Fiver is the first "Canary" issued for Bermuda, and its color schemes are in response to a rather clever yet dubious bait-and-switch afflicted upon shop owners. The first £5 for Bermuda was inked with brown and purple, and upon first glance, was remarkably similar to the 5 shillings note, which was the initial denomination of the series. Philadelphia surgeon Dr. Nelson Page Aspen, in his definitive guide *A History of Bermuda and its Paper Money* describes the scenario: "...this caused much confusion in business at night, and many Bermudans tell a story that some shoppers would proudly display the brown five pound note while making purchases; however, at the conclusion of their purchase, they would present the five shilling note to the unsuspecting clerk, who would give them change for the higher denomination." Word of the frauds quickly spread, and within a year, the new orange Fiver was introduced. Only 100,000 orange £5 were issued bearing the 1941 date. This pleasing example is the first we have offered. Embossing is still visible and the note displays only standard signs of circulation. At the time of cataloging, there are only five examples of this Pick number graded in the *PMG Population Report*. An important British Commonwealth banknote missing from many collections.

28226 **Bermuda** Bermuda Government 10 Shillings ND (1943-47) Pick 13Acts/15cts Color Trial Specimen **PMG Superb Gem Unc 67 EPQ**.

A lovely Color Trial Specimen, this is the sole finest graded of two examples registered in the *PMG Population Report*. This 10 shillings is identified with the dual pick numbers as this design was used for both the 1943 and 1947 issues, both printed in red with multicolor underprint by Bradbury Wilkinson & Co. One POC is present.

King George VI Issued Rarity

28227 **Bermuda** Bermuda Government 5 Pounds 17.2.1947 Pick 17 **PMG Choice Very Fine 35**.

Nicknamed "canary" in Bermuda due to its inking, this beautiful, highest denomination type is seldom seen and missing from many collections of British Commonwealth banknotes as only 350,000 notes were issued bearing this date.

From the Adderley Collection

Starting Bid: $750

28228 **Bermuda** Bermuda Government 5 Pounds 17.2.1947 Pick 17 **PMG Very Fine 30**.

One of the British Commonwealth famed rarities, this highest denomination note only features four prefixes and has a small print total. Standard circulation is seen on this widely sought after King George VI type. These notes were phased out long before decimalization occurred and is therefore quite rare today.

From the Adderley Collection

Starting Bid: $625

28230 **Bermuda** Bermuda Government 5 Pounds ND (1952-66) Pick 21cts Color Trial Specimen **PMG Choice Uncirculated 63**.

Offered here is a beautifully inked Color Trial Specimen, most likely prepared closer to the first date of the range than the latter. Red overprints, hole punched cancellations, and a typed notation are seen, along with customary mount remnants. Only a small quantity of these trials have appeared in auction in the past decade, which hints at its rarity.

From the Adderley Collection

Starting Bid: $500

28229 **Bermuda** Bermuda Government 5 Pounds ND (1947) Pick 17cts Color Trial Specimen **PMG Superb Gem Unc 68 EPQ**.

A gorgeous Color Trial Specimen of the highest denomination from the King George VI series. Currently there are only four examples registered in the *PMG Population Report* and this 5 pounds shares the top spot with one other. There were two color versions of the issued notes from this series, the earlier type in brown (which was easily confused with the 5 shillings note) and the later in orange. This Color Trial Specimen using blue intaglio features and yellow underprints, matches that of the 1 pound note. Nevertheless, this eye appealing beauty will make a great addition to any Bermudan collection. Two POCs are present.

From the Adderley Collection

Starting Bid: $1,250

28231 **Bermuda** Bermuda Government 5 Pounds 10.10.1966 Pick 21d **PMG Gem Uncirculated 65 EPQ**.

A fantastic offering from the final date of the series, and underrated as such. Pack fresh quality is easily seen on this scarce type, of which only 500,000 were printed. Inflation in the 1960s heightened the need for this denomination, but decimalization in 1970 forced the mass redemption of this type. The short lifespan of this date adds to the scarcity. Quite pleasing and desirable in this grade.

High Grade Queen Elizabeth II Key Note

28232 **Bermuda** Bermuda Government 10 Pounds 28.7.1964 Pick 22 **PMG Gem Uncirculated 66 EPQ**.
A gorgeous high grade example of the highly desirable Queen Elizabeth II high denomination issue. Vibrant colors, excellent centering, and great embossing are present throughout. This 10 pounds denomination was initially conceived due to inflation and the depreciation of the pound against the U.S. dollar. Bradbury Wilkinson & Company prepared 300,000 banknotes, but release was slightly delayed due to a technical issue with the security strip. Finally issued in November of 1964, this denomination was initially unpopular, but gained usefulness when the pound was devalued in 1967. However, in 1969, Bermuda announced the change from pounds to dollars in decimalized form, which would void the older banknotes. Serial numbers 000,001 to 250,000 were issued, with the final 50,000 supposedly destroyed.

Starting Bid: $3,500

28233 **Bermuda** Bermuda Government 10 Pounds 28.7.1964 Pick 22 **PMG Extremely Fine 40 EPQ**.
Initially unpopular, this highest denomination series became important when the pound was devalued within two years of its issue. The lifespan of this note was short, as decimalization began in 1970. Interestingly, 300,000 notes were produced but only 200,000 were issued. A beautiful Queen Elizabeth II type and desirable in this grade, with completely original paper.
From the Adderley Collection
Starting Bid: $500

28234 **Bermuda** Bermuda Government 10 Pounds 22.7.1964 Pick 22 **PMG Very Fine 30 EPQ**.

A rare 5000 leva from the 1924 issue which circulated less than one year, from October 1924 to May 1925. As this note is such a large denomination and had such a short-lived circulation period, very few are known to have survived. 28243 **Cameroon** Kaiserliches Gouvernement 50 Mark 12.8.1914 Pick 2b **PMG Superb Gem Unc 67 EPQ**.
A handsome German-Empire banknote from this short lived series. Rare in this outstanding original grade. After World War I, German possessions in Africa were divided between France and Great Britain. This fantastic find holds the highest grade of eight in the *PMG Population Report*.
Starting Bid: $750

28244 **Cameroon** Kaiserliches Gouvernement 100 Mark 12.8.1914 Pick 3a **PMG Choice Uncirculated 64 EPQ**.
Certainly an uncommon design of the highest denomination of the first series issued for Cameroon, then a German colony, these interim notes were prepared locally due to the difficulty of printing and transporting banknotes to Africa during World War I. 28259 **Canada** Dominion of Canada $2 23.6.1923 Pick 34i DC-26i **PMG Gem Uncirculated 65 EPQ**.

At the time of cataloging, this example is tied atop the *PMG Population Report*. In fact, this large format Dominion type is seldom seen in anything even remotely close to this grade. A rare opportunity to acquire the finest known example of this type, featuring a portrait of the eventual King Edward VIII.

Starting Bid: $2,000

28260 **Canada** Dominion of Canada $2 23.6.1923 Pick 34j DC-26j **PMG About Uncirculated 55 EPQ**.

28261 **Canada** Bank of Canada $1 1935 Pick 39s BC-2S Specimen **PMG About Uncirculated 55 EPQ**.
A sharp note that depicts King George V whose portrait was engraved by Robert Savage. The allegorical figure on the back represents *Agriculture* and was engraved by William Ford. The note itself was printed by the Canadian Bank Note Co. While Specimens of this note were sold by the Bank of Canada in 1999, it appears that this note was among them as it is not roulette cancelled SPECIMEN three times. Scarce and desirable, especially in this condition. Two POCS are noted.
Starting Bid: $1,000

28262 **Canada** Bank of Canada $2 1935 Pick 40 BC-3 **PMG Choice About Unc 58 EPQ**.
A pleasing example of the English text variety form the 1935 issue. Although over 22 million notes were printed, less than 25% were actually issued, as this series was replaced only two years after it was released. Queen Mary's portrait is seen on the face of the note and a transportation allegory of *Mercury* standing before the ships, trains, and planes is highlighted on the back.
Starting Bid: $500

28263 **Canada** Bank of Canada $20 1935 Pick 46a BC-9a Large Seal **PMG Choice Very Fine 35**.
A pleasing mid grade example of this always popular note. Approximately 200,000 of this variety were printed, with the large Bank of Canada seal, and at least 800,000 were printed with the subsequent seal, making this variety quite scarce. As the first banknote to feature a portrait of the eventual Queen Elizabeth II, this type appeals to collectors across multiple spectrums.
Starting Bid: $1,250

28264 **Canada** Bank of Canada $20 1935 Pick 46b BC-9b Small Seal **PMG Very Fine 30**.
An especially desirable denomination within the famed 1935 series, as this is the first banknote to feature the eventual Queen Elizabeth II. Crisp paper and only mild circulation is seen on this beautiful type. The second variety bank seal is seen on this example, which still features the A-prefix. One of Canada's most famous banknotes and a "must have" for Commonwealth collectors.
Starting Bid: $650

Fantastic Silver Wedding Commemorative With Binary Repeater Serial Number

28265 **Canada** Bank of Canada $25 6.5.1935, English BC-11 Commemorative **PMG Choice About Unc 58.**
An always delightful and desirable type, heighted here by its superb grade and fancy serial number. Only 160,000 of these special notes were printed, in both languages, with less than 2% outstanding as of 2013. Simply beautiful designs on both sides endear this note to collectors worldwide. Although this note celebrated the Silver Wedding Anniversary of King George V and Queen Mary, its circulation was cut short by the King's passing in early 1936, which ushered in the new series of banknotes in 1937. One of the best we have offered.
Starting Bid: $4,000

Silver Jubilee Commemorative Issue

28266 **Canada** Bank of Canada $25 6.5.1935 Pick 48 BC-11 Commemorative Issue **PCGS Choice About New 58**.
A splendid and desirable high grade example of this famous Commemorative. Completely British in appearance, with the contemporary King and Queen dual portrait from 1935. Windsor Castle is engraved on the back. King George V passed away less than two years after issuance, leading this series to be incredibly scarce, especially in such condition. Simply beautiful.
Starting Bid: $3,500

28267 **Canada** Bank of Canada $50 1935 Pick 50 BC-13 **PMG Choice Very Fine 35 EPQ**.
A highly collectible example of this scarce denomination. Only 131,000 notes were printed in English. It is not clear whether all were issued. Additionally, the vast majority of the this type were redeemed beginning in 1937. At the time of cataloging, there were less than thirteen examples graded finer than this offered example. EPQ status adds to the desirability of this seldom seen type. Featuring the then-Duke of York, Prince Albert, this portrait was repurposed for the 1937 series once he ascended the throne as King George VI.
Starting Bid: $3,000

28268 **Canada** Bank of Canada $50 1935 Pick 50 BC-13 **PCGS Very Fine 20**.
An always desirable type, as only 131,000 were printed and the issued notes were redeemed only two years later. All details are clearly visible on this problem-free example. The portrait on this denomination is of Prince Albert, Duke of York, who, after a series of interesting events, became King of England in December, 1936. A small edge split at right is mentioned for accuracy.
Starting Bid: $750

28269 **Canada** Bank of Canada $500 1935 Pick 55p BC-18FP; BC-18BP Face and Back Proofs **PMG Superb Gem Unc 67 EPQ; Choice Uncirculated 64.**

A very pleasing French text pair of Proofs that will satisfy the most demanding of collectors. There is not a single French $500 issued for circulation that is in a private collection. Therefore, Proofs of this series and denomination are the only choice for collectors. However, Proofs are very difficult to acquire as PMG has graded only two pairs, with the Face Proof in this lot having the highest grade of the two examples registered in the *PMG Population Report*. Please note the Back Proof has an approximate .375 inch bottom edge tear in the cardstock. Pencilled number "0797" graces the back of both cardstocks. The item count for this lot is one, as both notes reside within a multi-note holder.

Starting Bid: $2,500

Complete 1937 Specimen Set

28270 **Canada Bank of Canada $1-$1000 1937 Full Denomination Specimen Set PMG Graded.**
This set comprises the eight notes: $1 BC-21S-ii **About Uncirculated 55**; $2 BC-22S **Choice Uncirculated 64** with previous mounting; $5 BC-23S **Choice Uncirculated 64**; $10 BC-24S **Choice Uncirculated 64** with previous mounting; $20 BC-25S **Choice Uncirculated 64**; $50 BC-26S **Choice About Uncirculated 58**; $100 BC-27S **Choice Uncirculated 64**; and $1000 BC-28S **Choice Uncirculated 63**. The lower six denominations share a common facing portrait of King George VI on the face and various allegorical figures on the back. Each denomination has a distinctively different color. The $100 has a portrait of Sir John McDonald on the face and an allegorical scene representing *Commerce* and *Industry* on the back, while the $1000 has a portrait of Sir Wilfrid Laurier on the face and an allegorical representation of *Protection* on the back.

All of the notes have solid zero serial numbers, POCs in the signature spaces, and are stamped SPECIMEN either two or four times on the face. This set was not part of the 1999 Bank of Canada sale as they do not have the hallmark three diagonal roulette SPECIMEN cancels. An excellent opportunity to obtain the entire 1937 Series Specimen Set complete. **(Total: 8 notes)**
Starting Bid: $9,000

28271 **Canada** Bank of Canada $20 2.1.1937 Pick 62a BC-25a **PCGS Very Choice New 64**.
Of the 73 million 1937 $20 notes printed, only the first 1.622 million feature the signature combination of Osborne-Towers. An unassuming key note of the 1937 series, which is especially challenging to find in Uncirculated grade. In fact, this will only be the third example we have offered above the AU grade point. Worthy of strong consideration, this type seldom appears so choice.
Starting Bid: $1,250

28272 **Canada** Bank of Canada $20 2.1.1937 Pick 62a BC-25a **PMG Choice Uncirculated 63**.
A lovely example from the 1930s King George VI portrait series. Of the 73 million notes printed for this denomination, only the first 1.622 million feature the signature combination of Osborne-Towers. An unassuming key note of the 1937 series, which is especially challenging to find in Uncirculated condition. Minor rust is noted by the third party grading company.
Starting Bid: $1,250

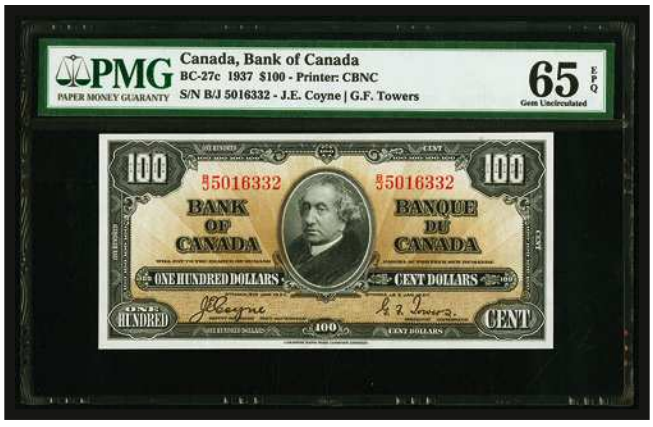

28273 **Canada** Bank of Canada $20 2.1.1937 Pick 62c BC-25c **PMG Gem Uncirculated 66EPD**.
Seldom seen is a such a choice example from the 1937 series, let alone in this denomination. Simply outstanding centering is seen on this pack fresh example, which displays all the characteristics of a Gem-designated banknote. At the time of cataloging, no finer graded example exists in the PMG *Population Report* for this variety, which is the final of three signature types for the 1937 series. A top notch example worthy of a serious bid.
Starting Bid: $750

28274 **Canada** Bank of Canada $50 2.1.1937 Pick 63a BC-26a **PMG Very Fine 30**.
Only 100,000 of the 1937 $50 banknotes feature this first signature combination of Gordon and Towers, which is 2% of the entire print total for this denomination. Seldom seen in any grade, this key variety has the lowest print total of any King George VI portrait note of the 1937 series. A tear is mentioned on the back of the third party holder on this otherwise handsome, mid-grade example.
Starting Bid: $500

28275 **Canada** Bank of Canada $50 2.1.1937 Pick 63c BC-26c **PMG Gem Uncirculated 65 EPQ**.
An impressive example of this scarcer denomination, and assuredly uncommon in this condition. In fact, there are only six registered examples of higher grade in the *PMG Population Report*. Bold colors and wide margins are easily noticed. This variety includes the Coyne and Towers signature combination along with the B/H prefix.
Starting Bid: $750

28276 **Canada** Bank of Canada $100 1937 BC-27c **PMG Gem Uncirculated 65 EPQ.**
This handsome, high denomination banknote is seldom seen in completely pack fresh, original quality. In January of this year, we sold this note's serial number sibling for $4,320. An attractive and conditionally rare example.
Starting Bid: $1,250

Matching Low Serial Number 40 Devil's Face Set

28277 **Matching Low Serial Number 40 Canada** Bank of Canada $1; $2; $5; $10; $20; $50; $100 1954 BC-29a; BC-30a; BC-31a; BC-32a; BC-33a; BC-34a; BC-35a "Devil's Face" **PMG Gem Uncirculated 65 EPQ (3); Choice Uncirculated 64 EPQ; Choice Uncirculated 63 EPQ (3).**
An impressive denomination set of the highly collectible Devil's Face portrait issues. Only lacking the $1000 note, this otherwise complete set has the first prefix for each type with matching serial numbers and low serial number 40. The Devil's Face variety has low print totals because they were quickly replaced after the public noticed the oddity of the engraving in Queen Elizabeth II's portrait. We have previously offered a similar denomination set with a matching serial number 372 that realized $6,600 last year, but have never handled a set like this with a very low two digit serial number. **(Total: 7 notes)**
Starting Bid: $3,500

28278 **Canada** Bank of Canada $1 1954 Pick 66b BC-29bA "Devil's Face" Replacement **PMG Uncirculated 62 EPQ**.
The replacement *A/A prefix along with the Beattie-Coyne signature combination is seen on this "Devil's Face" portrait issue. Only 14,400 replacements notes of this issue were printed. Exceptional Paper Quality is present on this piece. Only centering prevents this from achieving a higher grade.
Starting Bid: $1,000

Devil's Face Specimen

28279 **Canada** Bank of Canada $5; $10; $20; $50; $100 1954 BC-31s; BC-32S; BC-33S; BC-34S; BC-35S Five Specimen **PMG Choice Uncirculated 64 (5)**.
A lovely set of of Devil's Face variety Specimen that were originally sold by the Bank of Canada in November 1999. Each note has an all-zero serial number, red Specimen overprints, and a control numbers of 006 or 0106. Previously mounted is mentioned on all five examples, which is typical for Specimen. Highly collectible, as limited quantities of this type were produced. **(Total: 5 notes)**
Starting Bid: $3,500

28280 **Canada** Bank of Canada $50 1954 Pick 71a BC-34a "Devil's Face" **PMG Gem Uncirculated 66 EPQ**.
A gorgeous example that shares the second finest grade in the *PMG Population Report*. The "Devil's Face" design in the hair of Queen Elizabeth II was an honest and unintended consequence of the design. After this series was released in 1954, the public began to notice what they saw as a grinning demon! The Bank of Canada acknowledge the design flaw and readjusted the hair in 1956. Very desirable in this high grade.
Starting Bid: $1,500

28281 **Canada** Bank of Canada $100 1954 BC-35a Devils Face **PMG Choice Uncirculated 64 EPQ.**
Bold inks and bright paper highlight this Choice Uncirculated example. There is only one prefix available (A/J) for this first series of Queen Elizabeth II $100 notes. Across the two signature varieties, about 2.4 million were produced and released, but were mostly redeemed in 1956 due to the public discovering a peculiar "Devil's Face" design in the Queen's hair. The Bank of Canada agreed that the design should be freshened a bit, and a modified hair design notes were released shortly thereafter.
Starting Bid: $500

28282 **Canada** Bank of Canada $100 1954 Pick 72b BC-35b "Devil's Face" **PMG Gem Uncirculated 65 EPQ**.
A beautiful, pack fresh example of this rare "Devil's Face" features the second signature variety for the type. In fact, only about 700,000 of these notes were issued before the subtleties in the hair design were modified in 1956. Rare in this grade and desirable.
Starting Bid: $600

Key Replacement Prefix * N/S

28283 **Canada** Bank of Canada $5 1954 Pick 77b BC-39bA Two Consecutive Replacement Notes **PMG Gem Uncirculated 66 EPQ (2).**
The low print run replacement prefix * N/S is seen on this high grade consecutive serial numbered pair. Only 40,000 notes with this prefix were produced and seldom available in the market. Highly desirable, especially in this condition. **(Total: 2 notes)**
Starting Bid: $500

28284 **Canada** Bank of Canada $1000 1954 Pick 83d BC-44d **PMG Gem Uncirculated 66 EPQ**.
A highly desirable large denomination from the 1954 Issue featuring the modified portrait of Queen Elizabeth II on the face and a vignette of Anse St. Jean on the Saguenay River in Quebec on the back. Prefix A/K with the signature combination of Lawson and Bouey is seen on this high grade example.
Starting Bid: $800

28285 **Canada** Bank of Canada $1000 1954 Pick 83d BC-44d **PMG Gem Uncirculated 65 EPQ**.
A beautiful example of this desirable highest denomination. Despite being dated 1954, this type, with the signatures of Lawson and Bouey began issuance in 1973. Very high face value, and superior quality add to the desirability of this widely collected Queen Elizabeth II example.
Starting Bid: $700

28286 **Canada** Bank of Canada $1000 1954 Pick 83d BC-44d **PMG Choice Uncirculated 63 EPQ**.
The fourth of five signature combinations for the 1954 Modified Portrait $1000s. Only its centering prevents a higher grade for this well embossed example.
Starting Bid: $600

28287 **Canada** Bank of Canada $1000 1954 Pick 83d BC-44d **PMG Choice Uncirculated 63 EPQ**.
A well preserved example of this highest denomination type. The enormous face value of this banknote has prevented most from being saved, let alone in Uncirculated condition. Typical of notes printed by the Canadian Bank Note Company off-centering is seen, which prevents an even higher grade on this beautiful Queen Elizabeth II type.
Starting Bid: $600

Missing Serial Number Error

28290 **Canada** Bank of Canada $100 1988 Pick 99c BC-60c Missing Serial Number Error **PMG Gem Uncirculated 66 EPQ**.
A high grade error note of the $100 denomination from the Birds of Canada series. Interestingly, both serial numbers, which are normally located on the lower back of the note are missing. The signature combination of Knight and Thiessen is present, which narrows this error down to being produced during the BJI to BJR prefix print runs. A similar error of this denomination from this series crossed the auction block back in 2019, realizing $2608 for an ungraded note listed in Uncirculated condition. Highly collectible, especially in this Gem grade.
Starting Bid: $1,500

28291 **Canada** Bank of Canada $100 1988 BC-60d Ten Consecutive Examples **PCGS Gem New 66PPQ (10).**

28292 **Canada** Bank of Canada $1000 1988 Pick 100a BC-61a **PMG Gem Uncirculated 65 EPQ**.
An always popular and quite interesting banknote, and especially desirable in Gem Uncirculated condition. Enormous buying power prevented many of these notes from actually changing hands. It may be that businesses were reluctant to accept them. Nevertheless, this design issue circulated from 1992 until 2001. The example offered here features the first and more desirable Thiessen-Crow signature combination.
Starting Bid: $600

28293 **Canada** Bank of Canada $1000 1988 Pick 100a BC-61a **PCGS Very Choice New 64PPQ**.
An always desirable highest denomination type featuring Queen Elizabeth II. Enormous face value prevented the general circulation of this note, but it also forced the mass redemption of this type. Only two prefixes are known for this design. Pack fresh original quality is seen on this example, which was thankfully saved for posterity.
Starting Bid: $500

28294 **Canada** Bank of Canada $1000 1988 Pick 100a BC-61aA Replacement **PMG Choice About Unc 58**.

A seldom offered, beautiful $1000 1988 replacement issue. This fascinating example with well blended pink and purple inks features a portrait of Queen Elizabeth II. Starting Bid: $500

28295 **Canada** Bank of Canada $1000 1988 Pick 100b BC-61b **PMG About Uncirculated 50**.

An always desirable Queen Elizabeth II type, featuring the final signature variety for this type. Low demand and concerns about money laundering were the demise of this banknote, which was actively withdrawn for years, leaving few in the marketplace today.

Starting Bid: $500

Starting Bid: $500

28300 **Canada Kingston, Jamaica**- Bank of Nova Scotia 5 Pounds 2.1.1920 Ch.# 550-38-02-08S Pick Jamaica S132bs Specimen **PMG Choice Uncirculated 64 EPQ.**

Elusive Barclays Bank First Issue

28302 **Canada Montreal, PQ**- Barclays Bank $5 3.9.1929 Ch.# 30-10-02b **PMG Very Fine 25.**
An elusive and eye appealing 5 dollar denomination from the first issue of Barclays Bank (Canada) after it established operations in Montreal in 1929. This well preserved example along with the other denominations from this first issue were produced in the typical large size format of the era before the size of the banknotes was reduced in 1935. All denominations from this first series are very scarce, and only two examples of this Charlton number with the Stevenson signature are registered in the *PMG Population Report*. Minor restoration is mentioned by the grading company but does not negate from the overall appearance on this outstanding banknote. Interestingly, Charlton's *Canadian Bank Notes* catalog indicates this serial number (A062643) as the highest numbered $5 known to survive.
Starting Bid: $2,500

Rare Date Molsons Bank Issue

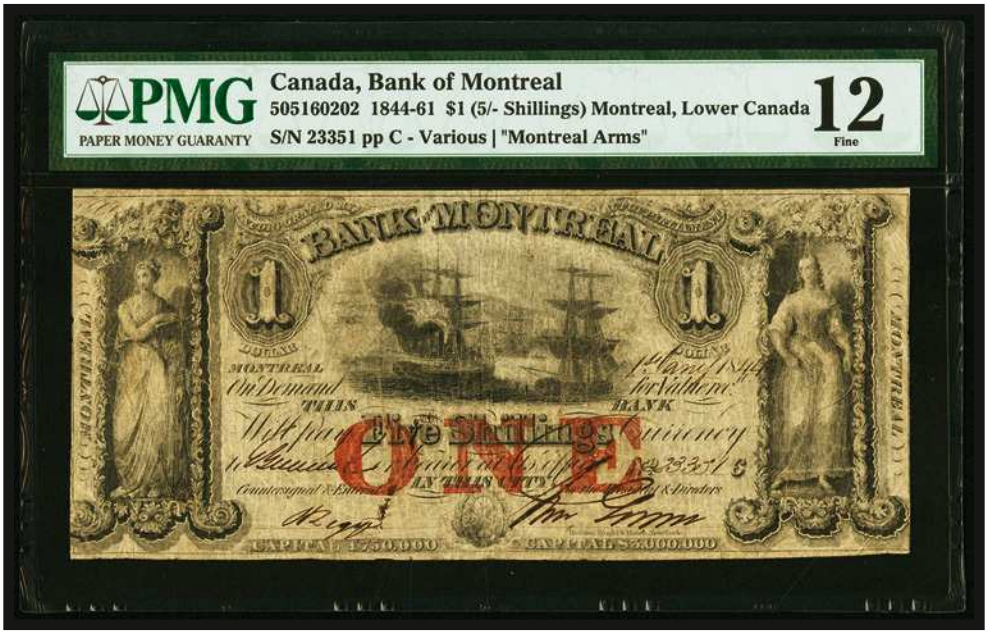

28303 **Canada Montreal, PQ**- Molsons Bank $5 2.5.1904 Ch.#490-26-04 **PMG Very Good 8.**

Starting Bid: $750

Sole Reported 1844 Issued $1 (5 Shillings)

28305 **Canada Montreal, PQ**- Bank of Montreal $1 (5 Shillings) 1.1.1844 Ch.# 505-16-02-02 **PMG Fine 12**.
A true Rarity in every aspect. The 8th edition of *Charlton Standard Catalogue of Canadian Banknotes* not only reported that there were no known issued notes for this denomination and date, but lists all of the Montreal issues from the 1844 to 1861 series as either held in institutional collections or none are known to have survived. Additionally, this is the sole graded note in the *PMG Population Report*. A well preserved example with bold signatures and both a legible serial number and date. Starting with a conservative estimate, as either no sales records or even price guide valuations exist for this series.
Starting Bid: $2,500

28306 **Canada Montreal, PQ**- Bank of Montreal $5 3.1.1911 Ch.#505-50-02 **PMG Very Fine 30.**

A lovely example printed by by Royal Bank of Canada featuring a beautifully framed vignette of a steamship. The back is highlighted by a delicately designed border encompassing the Coat of Arms. This was part of a series of notes printed for use in this institution's overseas offices in the Caribbean, with this issue designed for circulation in Port of Spain, Trinidad. Interestingly, it was redeemable only in Trinidad.
Starting Bid: $1,000

28308 **Canada Port of Spain, Trinidad**- Royal Bank of Canada $5 (£1.0.10) 3.1.1938 Pick Trinidad & Tobago S161 Ch.# 630-68-02 **PMG Very Fine 25**.

A scarce note in issued form, regardless of condition. There are two signature varieties for this type, with this note featuring the second, that of M.W. Wilson. While appearing like a Canadian note, with a steamship plowing through frigid North Atlantic waters, this note was expressly purposed for the British colony of Trinidad and Tobago. Until 1939, denominations above $2 were printed and issued by foreign banks operating in the Caribbean.

Starting Bid: $750

28309 **Canada Quebec City, PQ**- Banque Nationale $4 28.5.1870 Pick S846a Ch.# 510-12-02 **PMG Extremely Fine 40**.

St. John the Baptist, an agricultural vignette, and anchor are seen on the front, along with four cancellation perforations. Highly collectible, especially in this condition.

Starting Bid: $1,500

Rare Union Bank of Newfoundland $5

28312 **Canada St. John's, NF**- Union Bank of Newfoundland 5 Pounds 1.8.1883 Pick S122b Ch.# 750-14-08 **PMG Choice Fine 15**.
A surviving example of this rare and seldom seen denomination from the 1883 issue features the portrait of Queen Victoria and the "Fishing Smack" sailing ship. According the the 2016 *Canadian Paper Money Registry*, five examples were listed, three of which were in institutional collections. Though four examples have been graded by PMG, indicating a slightly higher population, none have been offered in auctions before today. This bank's forty year existence was terminated due to a run on the bank precipitated by the failure of the Commercial Bank of Newfoundland in 1894. Notes from this bank continue to be redeemable by the government of Newfoundland at eighty cents on the dollar, although it's highly unlikely that anyone will seek to redeem this highly collectible note. The grading company mentions missing pieces and staining.
Starting Bid: $3,500

28313 **Canada Toronto, ON**- Canadian Bank of Commerce $5 2.1.1892 Ch.#75-14-04 **PMG Choice Fine 15.**
A handsome, rarely seen type. Surprisingly, this is the first example we have offered without any sort of regional or city overprint, which adds to the desirablity of this example. Honest circulation and wear is seen on this pretty type, which is quite rare with a 19th century date. Auction records indicate how few of these notes actually exist in the marketplace, which makes this an important opportunity to acquire a seriously rare banknote.
Starting Bid: $500

28314 **Canada Toronto, ON**- Canadian Bank of Commerce $10 1.5.1912 Pick S961 Ch.# 75-14-28 **PMG Very Fine 25**.

Starting Bid: $500

28315 **Canada Toronto, ON**- Canadian Bank of Commerce $20 1.5.1912 Pick S962 Ch.# 75-14-42 **PMG Very Fine 25**.
A scarce note in issued format which seldom crosses the auction block. In fact, most of the higher denominations from this series are classified as either rare or unknown. This example has seen circulation, but has remained intact in a highly desirable condition. It currently shares the finest grade with one other in the *PMG Population Report*. This cataloger has not come across any finer examples.
Starting Bid: $1,000

28316 **Canada Toronto, ON**- Canadian Bank of Commerce $10 2.1.1935 Pick S971 Ch.# 75-18-08a **PMG Gem Uncirculated 65 EPQ**.

28321 **Ceylon** Government of Ceylon 5 Rupees 1.6.1926 Pick 22 **PMG Very Fine 30**.
The colors are still bold and designs remain clear on this attractive oversized note. The rust stains on the back that have been cited by PCGS are very minor. Tied for the highest grade of ten in the *PMG Population Report* proving the scarcity of this note.
Starting Bid: $500

28322 **Ceylon** Government of Ceylon 1 Rupee 1.6.1948 Pick 34s Specimen **PMG About Uncirculated 55**.

Scarce in this format and especially desirable with completely clean and original paper. Part of the final series of Ceylon banknotes to feature the current British monarch. With as expected POCs.
Starting Bid: $500

A middle denomination from the final series of British Monarch portrait notes for Ceylon, and beautiful as a Color Trial Specimen. Two POCs are present.
Starting Bid: $750

28326 **Chile** Banco Mobilario 10 Pesos 2.1.1890 Pick S308s Specimen **PMG Choice Uncirculated 63 EPQ.**

Starting Bid: $500

An intense, large format Specimen featuring the "Father of the Nation" Sun Yat-sen flanked by amazing guilloche designs. Printed by The American Bank Note Company this green variety is only available as a Specimen, as the brown colored type was the only issued 100 Yuan for the 1923 series. At the time of cataloging, there are only five graded examples are in the *PMG Population Report* making this a scarce note and a great addition to any Chinese collection. Two POCs, red Specimen overprints and black serial numbers are seen on this striking example with deep contrasting inks.
Starting Bid: $700

Seldom Seen Highest Denomination

28329 **China** Yokohama Specie Bank Limited, Tientsin 100 Dollars 1.3.1918 Pick S725s S/M#H31 Specimen **PMG Choice Uncirculated 64 Net**.
A widely desirable Japanese foreign bank type, extremely rare in issued form. This bank issued currency in major Chinese cities from 1902 until 1924, at which time its precious metal reserves were exhausted. Red overprints, a hole punched cancellation, and repairs are seen on this large format type. Very rare, visually pleasing, and sought after.
Starting Bid: $2,500

28330 **China** Bank of Hopei, Tientsin 20 Coppers 1932 Pick S1717 S/M#H64-9 **PMG Choice About Unc 58**.

A scarce example printed by Bureau of Engraving & Printing for the Tientsin Branch. This is the sole grade example in the *PMG Population Report* at the time of cataloging. Artistically designed borders, two red signature seals, and deep inks draw attraction to this early issue.
Starting Bid: $500

28333 **China** Republican China Military, Shanghai 1 Dollar 1912 Pick S3818a S/M#C264-2a **PMG Very Fine 30**.
A moderately circulated example of this military issue that is very difficult to locate in any grade as most of the notes were redeemed by the "Revolutionary Debts Committee." Ornate designed borders, red signature seal, and a red Shanghai overprint are seen on this surviving note.
Starting Bid: $600

28334 **Colombia** Banco Nacional de la Republica de Colombia 50 Pesos 4.3.1895 Pick 238 **PMG Very Fine 25**.

Finest Offered Example in Many Years

28335 **Colombia** Banco Nacional de la Republica de Colombia 50 Pesos 1900 Pick 278b **PMG Very Fine 30**.
The paper and inks are ideal for this note with a modicum of circulation. It is a lovely example and perhaps the finest known. A survey of all the denominations of this issue show very few of any of the denominations in grades higher than Very Fine. The bold red serial number stands out on the still bright paper. There is a Banco de Bogata "B de B" roulette perforation.
Starting Bid: $1,500

28336 **Colombia** Estados Unidos de Columbia 500 Pesos 1884 Pick 289Dr Remainder **PMG Uncirculated 62**.
A rare large sized Remainder issued in Bogata. Krause does not attempt to price this variety, and we are unable to find any sale records at all. This is the sole graded example on the PMG census and will be the first time we have offered this type. It is a piece that rarely finds its way onto the auction block in any format. Previously mounted. A chance not to be missed.
Starting Bid: $1,000

28337 **Colombia** Republica de Colombia 1 Peso 2.6.1908 Pick 300 **PMG About Uncirculated 50**.
An exciting opportunity as this is the sole graded note on the PMG census of this large sized rarity. We have not seen a better example up to date. Low serial 58 adds to the superiority of this item. Cancelled perforated "Pagado", previously mounted, and spindle holes are noted on the holder.
Starting Bid: $1,500

28338 **Colombia** Banco de la Republica 2 Pesos Oro 20.7.1915 Pick 322 **PMG Very Fine 25**.
A scarce note from the 1915 Pesos Oro issue featuring General Narino's portrait at center. This example is the second finest of five notes registered in the *PMG Population Report*. Stamp ink, which is located on the upper back margin, is noted for accuracy.
Starting Bid: $600

28339 **Colombia** Estado Soberano de Bolivar 1 Peso 1877 Pick S106 **PMG Choice Fine 15**.
An early type from the second issue for Estado Soberano de Bolivar. We have been unable to find any price history for an issued example. This is the sole graded example on the PMG census. This variety's rarity is further affirmed by its low serial number. Tape and a hole are mentioned.
Starting Bid: $750

28340 **Colombia** Estado Soberano de Cundinamarca 10 Pesos 6.5.1884 Pick S178 **PMG Very Fine 25**.
A locally printed and historically important example. This note was issued by the Sovereign State of Cudinamarca, as a part of the short-lived United States of Colombia. The confederation of states eventually was disestablished in 1886. The Colombian peso at the time followed the French franc, which meant it was convertible to gold. However, the loose economy system at that time and further political turmoil made this conversion to specie questionable. Hand signatures remain bold on this example. We have offered this type only once before, and it realized just over $2,500 as a Very Fine 20. This note is tied as the top graded example on the PMG census with one other. Minor rust is noted.
Starting Bid: $1,000

28341 **Colombia** Banco Nacional de la Republica de Colombia 100 Pesos 1900 Pick 261 **PMG Choice Fine 15**.
A rarely seen high denomination note from El Banco de Barranquilla. Just two examples have been offered in recent years. This is the first example that is problem-free from the grading service. It has only the normal attributes of the grade Fine, which are expected of a note that spent so much time in circulation. On back is a stamped and signed endorsement.
Starting Bid: $500

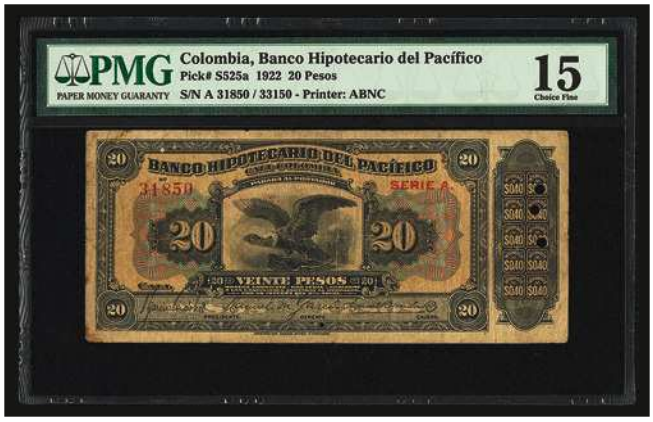

28342 **Colombia** Banco de Bogota 1 Peso 1870's Pick S271 **PMG Very Good 10**.
A well circulated example of the lowest denomination from the first issue of this rare Bogota bank, all of whose early issues are unpriced in the Krause reference. Despite the amount of wear and some rust stains, this one peso note faces up nicely for its assigned grade.
Starting Bid: $900

28343 **Colombia** Banco Dugand 1 Peso 20.2.1919 Pick S426 **PMG Very Fine 20**.

A supremely difficult to find issue for the coastal city of Barranquilla that was issued post-WWI. This ABNCo. printed example is cancelled with three punch holes, and is one of only four graded on the *PMG Population Report*. Previously mounted and rust is mentioned for accuracy.

Starting Bid: $1,000

28344 **Colombia** Banco Hipotecario del Pacifico 20 Pesos 1922 Pick S525a **PMG Choice Fine 15**.

The first issued example of this denomination we have been able to offer from this rare Colombian bank as, previously, we have only handled Specimens and Proofs. It represents the highest denomination for this issue and is unpriced in this form in the Krause reference. Aside from 3 interest punch holes, it has solid paper for the grade.

Starting Bid: $600

28345 **Colombia** Banco Lopez 1 Peso 1.5.1919 Pick S577 **PMG Very Fine 25**.

An incredible overprint issue from the Banco Lopez. This variety exists without an overprint for Pick S851 and was issued very briefly by Banco Del Sur in 1907. Banco Lopez repurposed this issue as a provincial issuance due to cash shortages during the Great War. This example is the top on the *PMG Population Report* of only two graded. Rare in any grade, and it will be the first time we have offered this type.

Starting Bid: $1,500

28346 **Colombia** Banco Nacional 5 Pesos 1899 Pick S658 **PMG Choice Fine 15**.

A moderately circulated example that has pleasing color and strong clarity in its design elements. 1899 marked the first year of the Thousand Days' War, and many notes from this era display similar overprints across the back like this one. PMG has noted a few minor edge splits.

Starting Bid: $500

28347 **Colombia** Banco Popular de Bolivar 5 Pesos 1883-86 Pick S762r Remainder **PMG Choice Fine 15**.
A pleasing, evenly circulated and problem free remainder from this rare Colombian bank. Prior to this evening, we have only been able to offer a back proof of this denomination from this issuer.
Starting Bid: $600

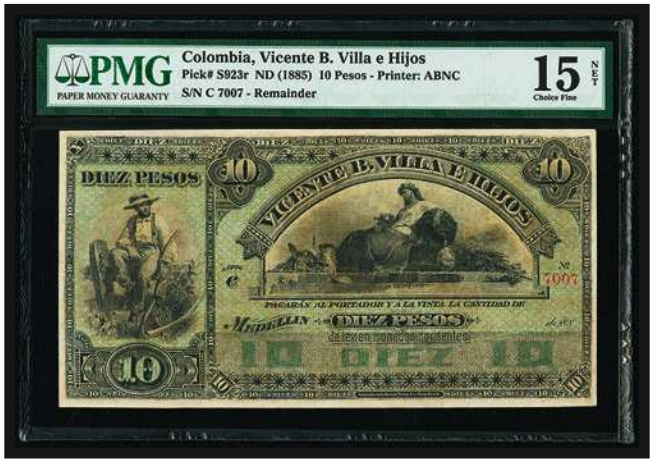

28348 **Colombia** Banco Prendario de Soto 5 Pesos 1884 Pick S796s Specimen **PMG Choice Uncirculated 63**.
An interesting Specimen enhanced by an allegorical woman holding a sheaf on the front encased in a repeating pattered denominational border. Three small POCs are displayed on this scarce example holding the sole grade in the *PMG Population Report*.
Starting Bid: $500

28349 **Colombia** Banco del Ruiz 1 Peso 1905 Pick S822 **PMG Fine 12**.
A still attractive piece from this Colombian bank whose 1905 issue is only listed in Specimen and Proof form in the Krause reference. This most definitely an issued note with solid margins and pleasing color. A couple of date punch holes at left have been noted by PMG.
Starting Bid: $600

28350 **Colombia** Banco del Sur 1 Peso 9.3.1908 Pick S851 **PMG Very Fine 20**.
General Antonio Narino is featured on this small denomination printed by the American Bank Note Company. The Krause reference has not valued this issue in any grade, but it does have the comment, "rare." We have offered this type only once before, in 2017, as a Very Fine 20 Net, and it realized just over $3,500. This will be the highest graded note on the PMG census. The Bank stamp is noticed on the back, previously mounted, and minor rust.
Starting Bid: $1,500

28351 **Colombia** Vicente B. Villa e Hijos 10 Pesos ND (1885) Pick S923r Remainder **PMG Choice Fine 15 Net.**
A scarce, surviving Remainder from this early Colombian issuer based in Medellin that employed familiar American Bank Note Company vignettes. With issued notes being excessively rare, a Remainder is the only option for most collectors. Nice color is observed on this example that has had some repairs.
Starting Bid: $600

28352 **Colombia** Reyes Gonzales & Hermanos 50 Pesos 4.11.1900 Pick Unlisted DP14820 **PMG Very Fine 20.**

A low serial 230 is seen on this rarity. Same as Pick S905 but with overprint. The five pesos from this issue is easier to find, but the 50 pesos represented a large some of money, and therefore has been much harder to obtain. Amazingly, the holder is comment free. We are yet to have offered this type, and this will be a rare chance to acquire an example.

Starting Bid: $1,250

28353 **Colombia** Departemento del Magdalena 1 Peso 25.5.1900 Pick UNL DP10702 **PMG Choice Fine 15 Net.**

A surviving example of this rare early 1900s Department of Magdalena issue. Unlisted in the *Standard Catalog of World Paper,* this 1 peso is missing from the majority of Colombian collections and rarely crosses the auction block. The third party grading company noted repaired and reconstructed, which contributed to the preservation of this historical example.

Starting Bid: $750

28354 **Congo Democratic Republic** Conseil Monetaire de la Republique du Congo 5000 Francs ND (1963) Pick 3cts Color Trial Specimen **PMG Superb Gem Unc 67 EPQ**.

An attractive note from the newly independent Democratic Republic of Congo (then still known as the Republic of Congo). Brilliant inks are seen throughout this high denomination, which was eventually issued with olive green intaglio features and darker underprints. Two POCs are present on this Gem example.

Starting Bid: $1,500

28355 **Costa Rica** Republica de Costa Rica 1 Colon 1.10.1903 Pick 141 **PMG Very Good 10.**

Evidenced by the fact that there are only two examples graded in the *PMG Population Report*, this small denomination is surprisingly rare. Notes dated 1902 and 1903 have minimal design elements on the back. This type was supplemented by new notes with a full design at back, beginning in 1905. Quite rare and worthy of strong consideration.

Starting Bid: $500

28356 **Cuba** El Banco Espanol de la Habana 5 Pesos 3.6.1870 Pick 11 **PMG Fine 12 Net**.

A rare note from the early 1869 to 1879 issue. Only two examples are registered in the *PMG Population Report*, both in Fine grades. A central vignette of a seated allegorical figure, handsigned signatures, and date are seen on this National Bank Note Company printed note. The grading company mentions backing on this example, which was used to preserve this historical issue.

Starting Bid: $1,500

Extremely Rare Issued Example

28357 **Cuba** El Banco Espanol de la Habana 25 Pesos 1.10.1875 Pick 13 **PMG Fine 12**.

A fantastic and extremely rare type, seldom seen in any grade. This colorful series was replaced with a new series in 1880. Most of these notes were redeemed or destroyed after the Spanish American War concluded in 1898. There is only one auction result for this Pick number; a banknote with a plethora of issues that netted $4,465 in 2017. While this example has some splits and insect holes, the overall appearance is still good, considering the age of the note and the climate in which it served. Very rare and desirable.

Starting Bid: $1,500

28358 **Cuba** El Banco Espanol de la Habana 500 Pesos 1870 Pick 17 **PMG Fine 12 Net.**

An extremely rare 500 pesos from the early 1869 to 1970 issue. This was the second highest denomination from the series with limited issuance due to its value. This is one of two examples are registered in the *PMG Population Report*, and both share the same grade. We could not find any instances where this has crossed the auction block in the past decade, which supports the rarity level of this issue. Conservatively estimated and will make a great addition to any collection. Mentions of backing and rust are noted on this historical and surviving example.

Starting Bid: $5,000

28359 **Cuba** El Banco Espanol de la Habana 5 Pesos 1891 Pick 19 **PMG Choice Fine 15 Net.**
A scarce issue with only three examples registered in the *PMG Population Report*. This unifaced large sized note was printed by Bradbury, Wilkinson and Company and features handsigned signatures and date. The grading company mentions repairs, reconstruction and discoloration on this example.
Starting Bid: $750

28360 **Cuba** El Banco Espanol de la Habana 10 Pesos 1872-92 Pick 20 **PMG Very Fine 20**.
A handsome example of this very rare second denomination in the series, issued beginning in 1880. Only a handful of issued banknotes of this type have been offered publicly in the past decade, none of which reached the Very Fine grade point. Stamped and manuscript signatures are still visible. The handwritten date is partially faded away. Ink stamps at back do not detract from the overall appearance of this rare colonial type.
Starting Bid: $750

Amazingly Rare 25 Pesos from 1889

28361 **Cuba** El Banco Espanol de la Habana 25 Pesos 18.xx.1889 Pick 21 **PMG Very Fine 20**.
An utterly remarkable issued banknote, and at the time of cataloging, the finest of only two examples graded in the *PMG Population Report*. A handwritten date and manuscript signature at right are seen on this handsome uniface type, which is part of a large series that seldom, if ever, appears in auction. This may be the first issued example offered in a public auction, making this an important opportunity to acquire a seriously rare banknote. Mild toning, notations, ink stamps, and a hole are noted for accuracy on this example, which still has good eye appeal despite its advanced age and the climate in which this note circulated.
Starting Bid: $1,000

Incredibly Rare 50 Pesos from 1881

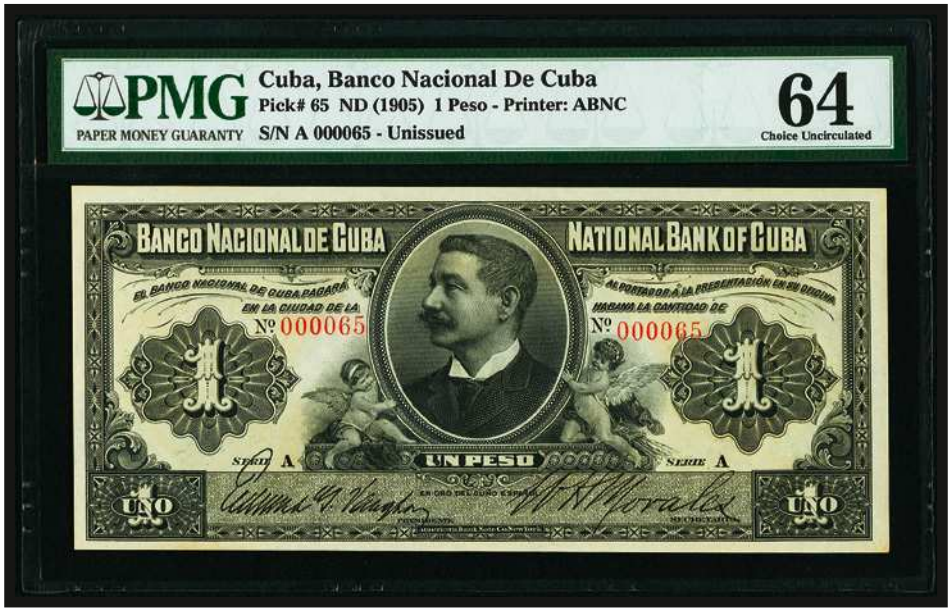

28362 **Cuba** El Banco Espanol de la Habana 50 Pesos 21.3.1881 Pick 22 **PMG Very Fine 20**.
A beautiful uniface banknote, handsomely printed by Bradbury Wilkinson & Co. All details on this uniface type are clearly visible, along with the manuscript signatures and handwritten date. At the time of cataloging, this is the finest graded of only two examples in the PMG *Population Report*. Fully issued banknotes of this 19th century series are extremely scarce, almost never appearing in public auction, making this an important opportunity to acquire this colonial rarity. Minor rust is seen on this handsome, large format type. The first we have offered.
Starting Bid: $3,000

28363 **Cuba** El Banco Espanol de la Habana 100 Pesos 1885 Pick 23x Raised **PMG Very Good 8**.
A surviving 100 pesos from this limited issue. This variety was originally designed as a 5 pesos, but "Raised" to this larger denomination. Only three examples of this denomination are registered in the *PMG Population Report* and only one with this Pick 23x number. Missing pieces and splits are noted for accuracy.
Starting Bid: $500

Low Serial Number 65

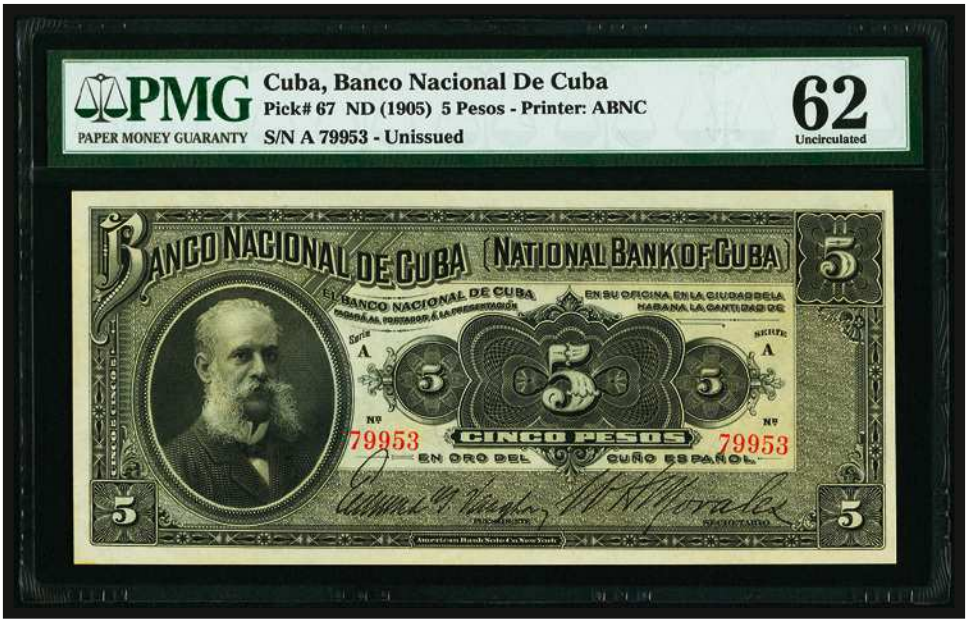

28364 **Cuba** Banco Nacional de Cuba 1 Peso ND (1905) Pick 65 **PMG Choice Uncirculated 64**.
An incredible offering in more ways than one, this incredibly scarce note features a low serial number for a type that eventually went unissued. At the time of cataloging, only one example grades finer in the *PMG Population Report*. This denomination was printed and prepared for release, but eventually went unissued. However, a few examples did escape, and some actually circulated before being saved by collectors. This 2-digit serial number example is superbly preserved and has almost unrivaled eye appeal for this series. PMG adds mention of "good embossing" on this desirable note.
Starting Bid: $2,500

Finest Graded in PMG Population Report

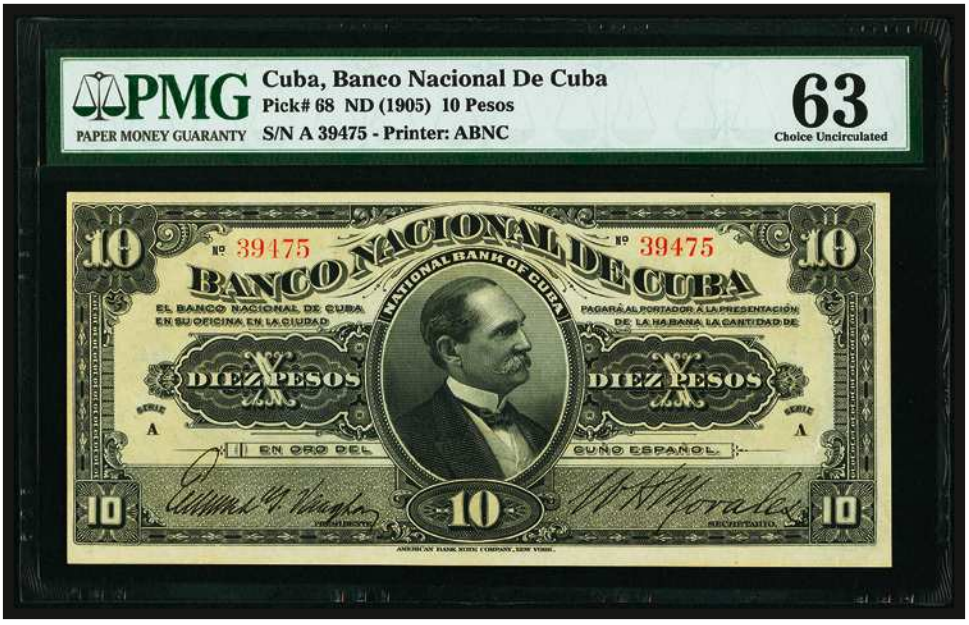

28365 **Cuba** Banco Nacional de Cuba 2 Pesos ND (1905) Pick 66 **PMG Gem Uncirculated 66 EPQ**.
An absolute key note from Cuba and from the Caribbean as a whole, and seldom, if ever, offered as an issued banknote. In fact, the complete denomination set from this initial Banco Nacional de Cuba series is offered today, representing an important collector opportunity that may not come around again. Each note of the series was prepared and sent to banks across the island for release. Almost immediately thereafter, the decree came from Havana that this type was to be sent back to headquarters to be destroyed. However, a few banks had issued some notes before the decree, and were apparently unable to retrieve them. A scant few examples remain today from the ill-fated series and this lovely gem is currently the finest graded example in the *PMG Population Report*.
Starting Bid: $3,000

Scarce 1905 Series 5 Pesos

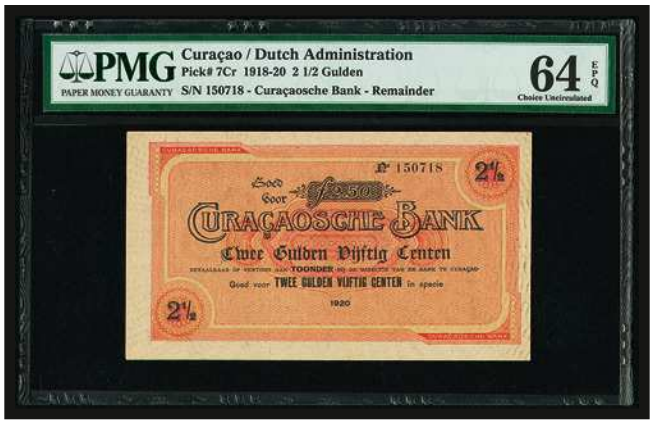

28366 **Cuba** Banco Nacional de Cuba 5 Pesos ND (1905) Pick 67 **PMG Uncirculated 62**.
A prized denomination from the famed 1905 series that was almost immediately withdrawn after its issue. Some notes at random banks were released before word reached that the notes were to be sent back to Havana to be destroyed. Thankfully, a forward thinker was keen enough to save one of each denomination, which are ones of only a few known. Simply amazing uncirculated grade adds to the desirability of this famed type. Highly desirable and not to be missed, with only eight examples registered in the *PMG Population Report* and only three in uncirculated condition. A tear is noted for accuracy.
Starting Bid: $3,500

Rare High Denomination 10 Pesos

28367 **Cuba** Banco Nacional de Cuba 10 Pesos ND (1905) Pick 68 **PMG Choice Uncirculated 63**.
The highest denomination from this initial series, that ultimately was supposed to be destroyed after printing. However, not all notes were seized after the initial distribution, and a few banks released some examples before word spread throughout the island. This uncirculated example is particularly impressive, as was thankfully saved by a forward-thinking person who realized the rarity of this extremely brief series. Currently there are only six graded notes in the *PMG Population Report* with only four examples in uncirculated condition.
Starting Bid: $4,500

28368 **Curacao** Curacaosche Bank 2 1/2 Gulden 1920 Pick 7Cr Remainder **PMG Choice Uncirculated 64 EPQ**.

A handsome and rare type, printed by JEZ and issued a century ago. Very few of these examples remain. Recent auction results indicate a surge of interest in Dutch Caribbean types, and that especially applied to early or scarce types. This remainder is void of signatures, as is typical of the type. Pack fresh original paper is easily seen on this handsome banknote.

Starting Bid: $500

28369 **Cyprus** Central Bank of Cyprus 250 Mils 1.6.1955 Pick 33a **PMG Gem Uncirculated 65 EPQ**.

A popular issue bearing the portrait of Queen Elizabeth II. This A/6 prefix example has wide margins, delightfully designed borders, and almost perfect front to back centering.

Starting Bid: $500

28370 **Danzig** Bank von Danzig 50 Golden 5.2.1937 Pick 65 **PMG Gem Uncirculated 65 EPQ★.**

The final paper money issue for this free city state. Danzig was annexed by Nazi Germany on September 1, 1939 on the first day of World War II in Europe. Reichsmark coins and notes then became legal tender alongside the gulden. There were two official exchange rates in effect depending upon the situation. The gulden was redeemable until July 25, 1940.

Starting Bid: $500

28371 **East Caribbean States** Currency Authority, Montserrat 100 Dollars ND (1965) Pick 16l **PMG Superb Gem Unc 67 EPQ**.

A lovey issue on a well blended color palette with sharp inks. The front is enhanced by a portrait of Queen Elizabeth II on the right, image of a map on the left, and seahorses in the center. A beautiful coastline scenery fills the back of this high denomination example printed by Thomas De La Rue and Company, Limited. Picks 13-16 were overprinted with circled letters to indicate the area of the Eastern Group for which they were printed. This note features letter "M".

Starting Bid: $1,500

28372 **Egypt** National Bank of Egypt 50 Piastres 24.2.1915 Pick 11s Specimen **PMG Choice Uncirculated 64.**
A spectacularly iconic small denomination Specimen issued by the National Bank of Egypt. Printed by Bradbury Wilkinson, the face depicts the Sphinx of Giza and an elaborate guilloche design on the back. Cancelled perforated, printer's annotation, and previously mounted.
Starting Bid: $500

28373 **Egypt** National Bank of Egypt 1 Pound 22.9.1914 Pick 12sp Specimen Proof **PMG Choice Uncirculated 64.**
A pretty and clean example of this popular denomination. All details are fresh and visible. Printer annotations, perforated cancellation, and mounting remnants are noted. A widely collected design, especially with the 1914 date.
Starting Bid: $1,000

28374 **Egypt** National Bank of Egypt 5 Pounds 21.11.1918 Pick 13s Specimen **PMG Choice Uncirculated 63.**
The Great Pyramids of Giza with a view of the Nile are seen on this impressive and somewhat iconic Specimen. Graded second highest on the PMG census, cancelled perforated, and previously mounted.
Starting Bid: $1,250

28375 **Egypt** National Bank of Egypt 10 Pounds 13.11.1919 Pick 14s Specimen **PMG Choice Uncirculated 64.**
This Specimen exhibits excellent color and balanced margins. Penned annotations of a control number and date are present on the upper margin. Previous mounting is mentioned on this Bradbury, Wilkinson & Co. note. This is not unexpected as Specimens were often mounted then stored in the bank note company or government files. This is an attractive and desirable lot.
Starting Bid: $1,500

28376 **Serial Number 7 Egypt** Egyptian Government 10 Piastres 1940 Pick 166b **PMG Superb Gem Unc 67 EPQ.**
Geometric watermarks are seen on this example with an impressive low serial number 000007 in Arabic. This example is tied among the finest graded of this type. A wonderful example that will surely entice all collectors.
Starting Bid: $500

28377 **Ethiopia** Bank of Abyssinia 100 Thalers ND (1915-1929) Pick 4s Specimen **PMG Choice About Unc 58 EPQ.**
A lovely example of this attractive early issue from the Bank of Abyssinia with a wonderful elephant vignette and color palette. A large percentage of Bank of Abyssinia issued notes and Specimens were withdrawn and discarded in 1932 with the opening of the Bank of Ethiopia. The note has been roulette cancelled with the word CANCELLED at lower right (not all of the perforations have punched through). Printer's annotations are present along the top margin.
Starting Bid: $1,750

28378 **Ethiopia** Bank of Ethiopia 50 Thalers 1.5.1932 Pick 9s Specimen **PMG About Uncirculated 53.**
A great multicolor note with a regal lion vignette and an appealing use of color, this Specimen was printed by BWC and is roulette "CANCELLED" at bottom right. PMG notes that this example was previously mounted and has printer annotations in the top margin on the face, and also mentions ink although it is unclear to your cataloger what is being indicated by that comment (one of the two annotations is a bit smeared).
Starting Bid: $600

28379 **European Union** Germany 500 Euro 2002 Pick 7x **PMG Superb Gem Unc 67 EPQ.**
Featuring the first signature for the type, that of Willem F. Duisenberg, this highest denomination banknote is quite scarce because the sheer face value of this note prevented the vast majority from being saved. Since this denomination is no longer printed, its collector value should increase as fewer and fewer remain in the marketplace.
Starting Bid: $650

28380 **European Union** Germany 500 Euro 2002 Pick 7x **PMG Superb Gem Unc 67 EPQ.**
The "X" prefixed designation for Germany is noticed on this highest denomination for the European Union. The first Wim Duisenberg signature is seen on this top tier graded example.
Starting Bid: $650

28381 **European Union** Austria 500 Euro 2002 Pick 14n **PMG Gem Uncirculated 66 EPQ.**
Now discontinued, this highest denomination type will increasingly be in-demand in the future. Pack fresh original quality is seen on this beautiful Austrian issue. We have only offered this type twice previously.
Starting Bid: $550

28382 **European Union** Austria 500 Euro 2002 Pick 14n **PMG Gem Uncirculated 66 EPQ.**
A highest denomination issue from Austria, which features the "N" prefix. Completely original and desirable in this lofty grade.
Starting Bid: $550

28383 **Faeroe Islands** Faeroerne 100 Kroner ND (1940) Pick 12s Specimen **PMG Choice Uncirculated 63**.
A lovely array of colors is seen on this 100 Kroner from the second emergency issue. A perforated "cancelled" is seen below the date and printer's annotations are present along the top margin. The grading company mentions that this example was previously mounted.
Starting Bid: $750

Extremely Rare 1925 1 Pound

28384 **Fiji** Government of Fiji 1 Pound 5.12.1925 Pick 27d **PMG Very Fine 20.**
Representing strong buying power in Colonial Fiji, this large format uniface type was redeemed with overwhelming success by the Government of Fiji beginning in 1934, and as such is very rare today. In fact, this design was used for early issues for the Falkland Islands, Solomon Islands, and Turks & Caicos, all of which are seldom seen. Only a scant few examples are known to exist. This is the first 1925 date offered publicly by a major auction. Minor repairs were executed to the splits, which will ensure that this example survives the test of the test of time to be enjoyed by future generations. An important opportunity, and the first of this design we have offered.
Starting Bid: $3,000

28385 **Fiji** Government of Fiji 5 Pounds ND (1934-35) Pick 34s Specimen **PMG Superb Gem Unc 67 EPQ**.

A well centered high denomination featuring a striking portrait of King George V. While the design looks similar to all other notes of the King George V series, this particular denomination was not issued in large quantities. This was probably due to the short timeline of the note's issuance, as it was introduced just a year before the monarch's death. As a result, there is a lack of issued notes with which we can compare; this example may very well be a Color Trial Specimen like the other Fiji notes. Two colors are seen, unlike issued examples of other denominations which had the intaglio designs other than the portrait executed in a single color. Heavy embossing is evident on this example, and can be seen on the stainless back, which has a light hint of wet ink transfer which keeps the gradient colors. One POC is visible on this very interesting example that requires more research.

Starting Bid: $1,000

28386 **Fiji** Government of Fiji 20 Dollars ND (1971) Pick 69b **PMG Gem Uncirculated 65 EPQ**.

A very attractive example featuring the beloved Annigoni portrait of Queen Elizabeth II. The higher denominations issued by the Government of Fiji seldom come up for sale in any grade, and almost never in top grades. We believe this Stinson signed variety is estimated conservatively. It will be an infrequent chance to acquire this beauty.

Starting Bid: $1,000

28387 **Low Serial Number 989 Fiji** Central Monetary Authority 10 Dollars ND (1974) Pick 74a **PMG Gem Uncirculated 65 EPQ**.

A lovely portrait of Queen Elizabeth II highlights this example by Thomas de la Rue. This was the first variety for this denomination by the Central Monetary Authority. A low serial number A/2 000989 is seen on this two signature, A/2 Prefix. Deep purple inks and impressive Mauri patterns are seen throughout.

Starting Bid: $750

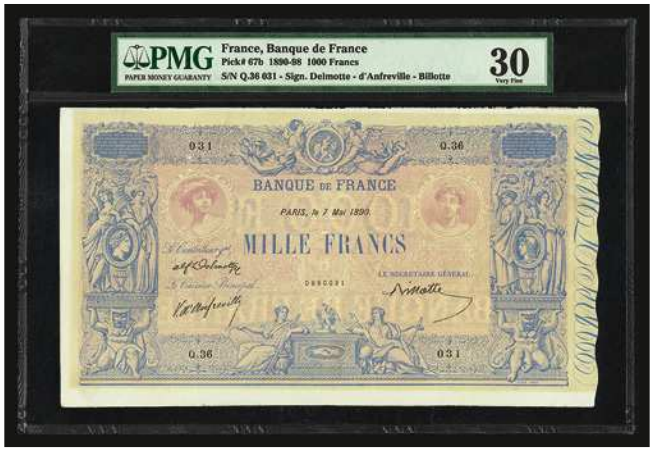

28388 **Fiji** Central Monetary Authority 20 Dollars ND (1974) Pick 75a **PMG Gem Uncirculated 65 EPQ**.

A high grade example of the highly sought after A/1 prefix from the first Central Monetary Authority issue. This highest denomination note features the lovely portrait of Queen Elizabeth II wearing regalia of the Order of the Garter and the signature combination of David John Barnes and Ian Alexander Craik.

Starting Bid: $750

28389 **France** Banque de France 5 Francs 1871-74 Pick 60 **PMG About Uncirculated 53**.
A scarce note in grades above Very Fine. The last example we handled that was graded About Uncirculated 53 with minor rust, had a price realization of $2,280 in 2018. This example presents better with only comments of pinholes mentioned by the grading company.
Starting Bid: $1,000

28390 **France** Banque de France 1000 Francs 7.5.1890 Pick 67b **PMG Very Fine 30**.
Featuring the d'Anfreville and Billotte signature combination, this early 1890 note is one of the earliest dated issues to cross the auction block. Although this design type was issued from 1889 to 1926, the 1907 and below dated issues are seldom seen and considered very scarce. Although the grading company mentions small tears and pinholes, the overall appearance and condition of this 1000 francs is outstanding.
Starting Bid: $1,250

28391 **France** Banque de France 1000 Francs 20.3.1891 Pick 67b **PMG Very Fine 30 Net**.
A well preserved 1000 francs featuring an early 1891 date and the d'Anfreville and Billotte signature combination. The grading company mentions a repair and pinhole, which do not detract from the appearance of this scarce dated issue.
Starting Bid: $1,000

28392 **France** Tresor Central 500 Francs 16.10.1943 Pick 111 **PMG Very Fine 20**.
A provisional emergency issue printed on Algeria Pick 24 that was only issued in Corsica to deal with a banknote shortage near the end of the war. Distinct interlocking borders encompass a delightful image of a man resting beside his camel and young children on the front. An allegorical scene of a boy offing a woman some fruit enhances the back of this surviving note. This is one of only two graded examples which definately shows the scarcity of this issue making it a must have for any French collection.
Starting Bid: $750

28393 **French Antilles** Institut d'Emission des Departements d'Outre-Mer 10 Nouveaux Francs on 1000 Francs ND (1961) Pick 2 **PMG Very Fine 30**.

An impressive example that exhibits heavy embossing, especially of the repeating print around the border, which includes the names of the three communities which together formed the French Antilles. Large fishing and agricultural scenes dominate this attractive, oversized note printed in the French style. Although, the third party grading company mentions minor rust it does not seem to detract from the vibrant inks and picturesque designs on this issue.

Starting Bid: $500

28394 **French Antilles** Institut d'Emission des Departements d'Outre-Mer 5 Francs ND (1964) Pick 7b **PMG Superb Gem Unc 67 EPQ**.

A lovely image of two women wearing scarves in front of a shipyard are displayed on the front while a farming scenery enhances the back. This 5 Francs example is similar to the preceding 5 Nouveaux Franc but reduced in size. This multicolor example has repeating overprints *DEPARTMENT DE LA GUADELOUPE* and *DEPARTMENT DE LA GUYANE* found within the clean borders.

Starting Bid: $500

28395 **French Antilles** Institut d'Emission des Departements d'Outre-Mer 100 Francs ND (1964) Pick 10b **PMG Gem Uncirculated 65 EPQ**.

A grand sized, highest denomination example issued in 1967. A portrait of Victor Schoelcher's head is utilized on both sides as a counterfeit deterrent of this Andre Postel-Vinay and Bernard Clappier signature variety. Soft, blue inks are used in the printing of the repeating borders *DEPARTMENT DE LA GUATELOUPE* and *DEPARTMENT DE LA GUYANE* indicating circulation across all French Territories in the Caribbean and South America .

Starting Bid: $500

Rare Uncancelled 50 Roupies

28396 **French India** Banque de l'Indochine, Pondichery 50 Roupies 1915 Pick 3a Jhunjhunwalla-Razack 13.4.4 **PMG Very Fine 25**.
An exceedingly rare example from the early French settlements issue. French India is one of the least known French territories, consisting of five cities on the east and west coasts of India. These were acquired over the course of nearly one hundred years between 1654 and 1750. These cities were passed back and forth between the colonial powers several times before being permanently ceded to France between 1914 and 1917. Each of the five cities eventually merged with the newly formed Republic of India between 1950 and 1954. Needless to say, the demand for currency, which was satisfied by an office of the Banque de l'Indochine in Pondichery, was relatively small. Notes issued for use in French India are uniformly very scarce to rare.

In regard to rarity, this is the sole graded 50 Roupies without the stamped "ANNULE" (cancelled) registered in the *PMG Population Report*. Additionally, we could not find any history of this variety crossing the auction block over the past decade. We did offer the cancelled variety, Pick 3b in late 2018. That note earned a price realization of$10,800. With notes from this bank making only ephemeral appearances on the auction block, we feel this eye appealing rarity should well surpass our conservative estimate. Ink and pinholes are mentioned by the third party grading company for accuracy.
Starting Bid: $7,500

28397 **French India** Banque de l'Indochine 1 Roupie 8.9.1945 Pick 4d Jhunjhunwalla-Razack 13.1.5-7b **PMG Very Fine 30**.
Scarce as a fully issued note without cancellations and rarely seen in grades above Very Fine, this note was part of the final series of notes issued for French India. Most were redeemed in the by the 1950s. A well preserved example that is highly collectible, especially in this condition.
Starting Bid: $750

28398 **French Indochina** Banque de l'Indo-Chine 500 Piastres ND (1939) Pick 57 **PMG Choice Uncirculated 64**.
Mirrored vignettes of a woman and child enhance the front and back of this charming early French design. Unique floral designs on a soft color palette create a tranquil effect on this Choice example.
Starting Bid: $500

28399 **French Oceania** Bons de Caisse 2.50 Francs 25.9.1943 Pick 13c **PMG Superb Gem Unc 67 EPQ**.
A well preserved 2.50 francs embossed seal note from the 1943 WWII emergency issue. This embossed seal variety note has wide margins and attractive ink colors. Holding the top grade of four in the *PMG Population Report* denotes the scarcity of this example.
Starting Bid: $500

28400 **French West Africa** Banque de l'Afrique Occidentale 5000 Francs ND (1947-50) Pick 43s Specimen **PMG About Uncirculated 50.**
A charming example with colorful inks and agricultural scenes on both sides. The front is enhanced by *Marianne* and two native women surrounded by fruits and flowers. The back of this gorgeous example portrays a man playing a stringed instrument and a woman holding a palm frond amongst cocoa pods. A perforated Specimen is present. The grading company mentions rust on this large format note.
Starting Bid: $500

28401 **Germany** Imperial Treasury Note 50 Mark 30.4.1899 Pick 7 **PMG Very Fine 20 Net**.

This will be the first time that we have offered this highest denomination from the imperial issuance of 1874. The German eagle crest is on the face, and *Germania* is seen seated on the back. There are only two graded examples on the PMG census. The only sales history that we could find is a sole auction offering in 2016, and sold as a Very Good 10 for just under $14,000. Rare in any grade, and highly desirable.

Starting Bid: $2,500

28402 **Germany Federal Republic** Deutsche Bundesbank 1000 Mark 1.8.1991 Pick 44a **PCGS Superb Gem New 69PPQ.**

As the highest denomination of the series, the vast majority of these notes were redeemed at the inception of the Euro due to the enormous buying power this note represents. However, it is fortunate that this example was saved, as the technical superiority of this example renders it among the finest known for the type. Highly desirable in this elite grade and very rare as such.

Starting Bid: $500

28403 **Great Britain** Bank of England 1 Pound ND (1934-39) Pick 363c First Run **PMG Choice Very Fine 35 EPQ**.

A very rare first run example signed by Peppiatt. Serial prefix A 01 A is the qualifying prefix for the first run. In Pam West's book, *English Paper Money*, she does not attempt to price any higher grade than a Very Fine. West prices a Very Fine at just under $2,000. This will be the first time that we have offered this variety in this form.

Starting Bid: $750

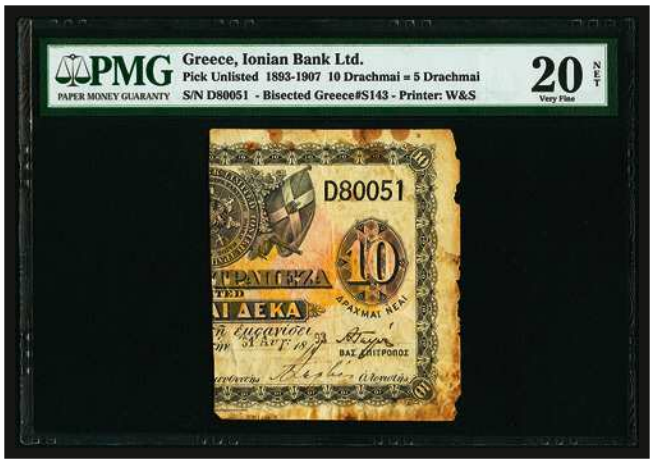

28404 **Great Britain** Treasury Note 1 Pound ND (1915) Pick UNL TE13d Printer's Essay **PMG Gem Uncirculated 66 EPQ.**

A finished Printer's Essay of this larger, unreleased Bradbury design printed in several colors. King George V is featured with the Parliament and Big Ben on the back. Repeating "star and 5" watermarks are seen throughout this example that has a wide selvage. This is a wonderful and perfectly preserved Gem example. The note is unaffected by issues in the selvage.

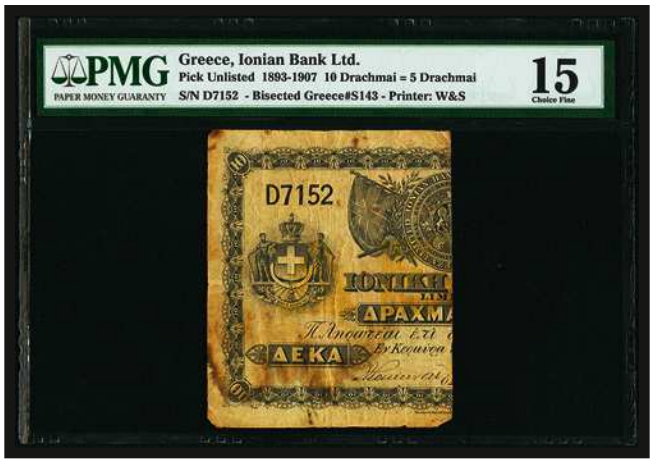

Starting Bid: $500

28405 **Greece** Cassa Mediterranea di Credito 20,000 Drachmai ND (1941) Pick M9 **PCGS Very Choice New 64PPQ.**
The highest denomination of this series. Unlike the issues for Sudan and Egypt which used different portraits for different denomination tiers, all "larger" sized notes issued for Greece featured Michelangelo's David. The light blue print remains attractive and welcoming, with the wave watermark accentuating the note.
Starting Bid: $500

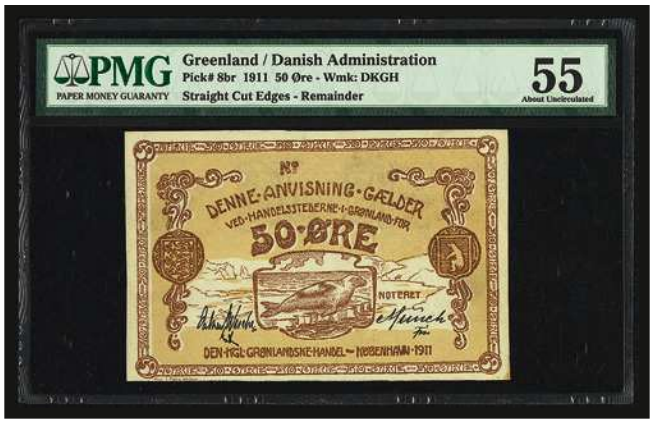

28406 **Greece** Ionian Bank Ltd. 10 Drachmai = 5 Drachmai 31.8.1893 Pick Unlisted **PMG Very Fine 20 Net.**
A surviving example of a first year issue 10 drachmai, which is Pick S143 in the *Standard Catalog of World Paper Money*. At some point post issuance, the 10 drachmai was cut in half to meet market demands of smaller denominations and was traded at the 5 drachmai level. The third party grading company mentions rust and staining on this example.
Starting Bid: $1,500

28407 **Greece** Ionian Bank Ltd. 10 Drachmai = 5 Drachmai 1893-1907 Pick Unlisted **PMG Choice Fine 15.**
An interesting example demonstrating how currency, as a bartering method, can always be manipulated to meet the needs of everyday life, trade, and commerce. After Greece yet again declared bankruptcy in 1893, it suffered a severe shortage of smaller bills, of which the 10 drachmai was the smallest. Ingeniously, to allow for bartering to continue, the 10 drachmai was cut in half to represent 5 drachmai.
PMG notes that this Pick is unlisted, but it will be Pick S143 cut in half. This will be the first time we have offered this type in any format. Rare, and great historical content.
Starting Bid: $1,500

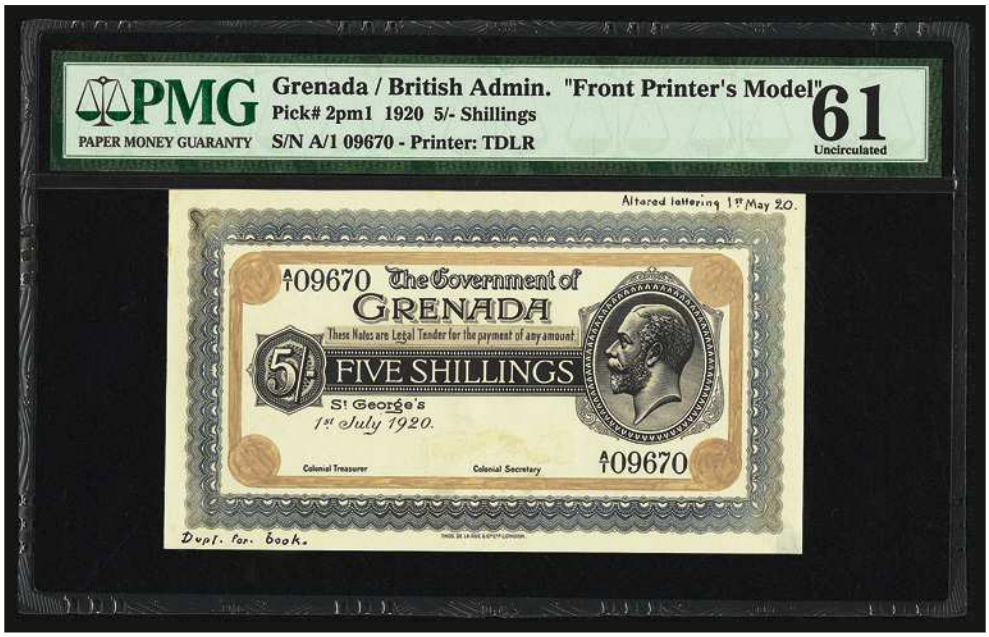

28408 **Greenland** Den Kongelige Gronlandske Handel 25 Ore 1911 Pick 7br Remainder **PMG Choice Uncirculated 63 EPQ.**

28410 **Greenland** Den Kongelige Gronlandske Handel 1 Krone 1911 Pick 9r Remainder **PMG Choice Uncirculated 63.**

The *PMG Population Report* shows this is the sole Pick 9r remainder and they have graded two in issued form. Pleasing colors, bright paper, and a strong "DKGH" watermark are present on this collectible note.
Starting Bid: $750

28411 **Grenada** Government of Grenada 5 Shillings 1.7.1920 Pick 2pm1 Front Printer's Model **PMG Uncirculated 61**.
A simply outstanding Printer's Model that is the only design known of this series. The golden border is hand painted, with several other features also custom-made for just this design. During this time, the currency in circulation was mostly the Spanish or Mexican dollar for trade. This note may represent an artifact of Great Britain's attempt to introduce a standardized sterling based currency throughout the Empire. However, like the attempts in the Straits Settlements, Hong Kong, and Canada where association to the milled dollar was strong, this attempt to introduce Sterling in Grenada also failed. An interesting A109670 serial number is seen along with pen annotations in the margins. Previous mounting is noted.
Starting Bid: $2,500

28412 **Guinea** Banque de la Republique de Guinee 10,000 Francs 1958 Pick 11 **PMG Choice Extremely Fine 45**.

Starting Bid: $600

28413 **Honduras** Banco de Comercio 1 Peso 16.2.1915 Pick S141a **PMG Very Fine 25.**

At the time of cataloging, there are only five examples graded in the *PMG Population Report*. An important opportunity to acquire this type. A small serial number is noted, along with a date stamp on the back.
Starting Bid: $500

The coat of arms is well centered on the front while, a vignette of a helmeted man adorns the left. The back is enhanced by a delightful vignette of woman harvesting rice set inside a remarkable frame.
Starting Bid: $1,500

28415 **Hong Kong** Hongkong & Shanghai Banking Corp. 100 Dollars 2.1.1934 Pick 176d "Duress Note" **PMG Very Fine 30.**
This grand-sized example holds the original deep red inks and is considered a "Duress Note", as it lies within the serial number range B485,001 and B650,000. These historic issues were forcibly released by Japanese occupiers during World War II. HSBC employees were coerced into signing these notes and issuing them on behalf of the Japanese, who were able to find these unissued notes left behind after the British Government was overwhelmed by Japanese advances .
Starting Bid: $750

28416 **Hong Kong** Mercantile Bank of India, Ltd. 5 Dollars 1.12.1937 Pick 235c KNB11 **PMG Choice Fine 15**.

Starting Bid: $750

28417 **Hong Kong** Mercantile Bank of India, Ltd. 5 Dollars 29.11.1941 Pick 235d KNB11f **PMG Very Fine 30**.
The sunburst on the face and deep inks on this grandly sized example draw a great eye appeal. All fine intaglio details remain wonderful on this popular type engraved by Waterlow & Sons. The front is highlighted by finely detailed borders and a vignette of boats with towers in the background. The back features an image of *Mercury* encompassed in a delightful guilloche design.
Starting Bid: $1,750

28418 **Iceland** Landsbanki Islands 1000 Kronur 21.6.1957 (ND 1960) Pick 41a **PMG Gem Uncirculated 65 EPQ★.**

This desirable high denomination type, seldom seen today, represents an important opportunity to acquire a very rare uniface type in quality condition.
Starting Bid: $1,500

28420 **India** Government of India 1 Rupee 1917 Pick 1g Jhunjhunwalla-Razack 3.1.1A-B **PMG Gem Uncirculated 66 EPQ**.

This example is currently tops for Pick 1g. The subtle varieties of this denomination provide dedicated collectors a worthy challenge.
Starting Bid: $700

28421 **India** Government of India 10 Rupees ND (1917-30) Pick 7b Jhunjhunwalla-Razack 3.7.2 **PMG Choice Uncirculated 64**.
Seldom seen in such a lofty grade, the size and buying power of portrait series type prevented most of these notes from being saved. Featuring the signature of J.B. Taylor, this variety was issued near the tail end of the date range for this type. Typical spindle holes are seen on this fresh and original example. Rare in this grade and desirable.
Starting Bid: $600

28422 **India** Government of India, Cawnpore 50 Rupees ND (1930) Pick 9e Jhunjhunwalla-Razack 9.2.C **PMG Very Fine 30**.
A prized note in any form and in any condition, and especially coveted with the Cawnpore city stamp. Featuring the JB Taylor signature, this variety has only one confirmed prefix, V/7. This example is only mildly circulated and has the typical spindle holes at issue. Bright paper, strong colors, and a well centered watermark enhance its beauty. Starting Bid: $750

28425 **India** Reserve Bank of India 100 Rupees ND (1943) Pick 20e Jhunjhunwalla-Razack 4.7.2B Two Consecutive Examples **PMG About Uncirculated 55 EPQ (2)**.

28426 **India** Reserve Bank of India 1000 Rupees ND (1937) Pick 21b Jhunjhunwalla-Razack 4.8 **PCGS Very Fine 30**.
A much sought after high denomination King George VI portrait note issued under British administration, this piece has retained its crispness and shows no wear, even along the horizontal and three vertical fold lines. High grade examples such as this are rapidly disappearing from the market. PCGS notes the number 29 written on the face and ink stamps on both sides, which do not detract that much from the note's appearance.
Starting Bid: $1,000

28427 **India** Reserve Bank of India 5 Rupees ND (1943) Pick 23b Jhunjhunwalla-Razack 4.4.2 **PCGS Gem New 65PPQ**.

Ten pick numbers are listed in the *Standard Catalog of World Paper* money for this bank; however, this is the sole example registered in the *PMG Population Report* for the entire Commercial Bank series. Additionally, we could not find any instances of this bank crossing the auction block in the last decade. A pleasing high grade and conservative estimate is seen on this rare Front Proof.

Starting Bid: $1,500

Gorgeous High Grade 1000 Rupees

28429 **India** Princely States Hyderabad 1000 Rupees ND (1930) Pick S267b Jhunjhunwalla-Razack 7.12.1 **PMG Gem Uncirculated 66 EPQ.**
Exceptional eye appeal is present on this high grade Waterlow & Sons printed large denomination issue. This example currently shares the highest grade in the *PMG Population Report* with two others. Hyderabad was the largest and most populous of all of the princely states of India. When the British left the Indian sub-continent in 1947, they offered the Princely States the option of either joining Pakistan, joining India, or staying independent. The leader of Hyderabad wanted to keep his country independent. However, India felt differently as they could not possibly have a hostile state within their borders. India decided to assimilate Hyderabad into the Indian Union, even if it was by force. Most of the other 565 princely states had already joined India or Pakistan voluntarily by this time. On September 13, 1948, "Operation Polo" (Hyderabad had 17 polo fields at the time) began as the Indian Army invaded. Hostilities were over on September 17th when Hyderabad capitulated. The typical spindle holes at issue are noticed on this grandly sized note.
Starting Bid: $4,500

28430 **India** Government of Hyderabad 100 Rupees ND (1941-45) Pick 275c Jhunjhunwalla-Razack 7.11.3 **PMG About Uncirculated 53 Net.**
An always popular offering, as these Hyderabad notes are not getting any easier to find. At the time of British Rule, Hyderabad was an independent kingdom almost perfected centered in the sub-continent, bordered by Bombay and Madras. These large format, highest denomination notes most likely circulated at par with British issues, but today, they are far more scarce. High grade with mention of rust and staple holes.
Starting Bid: $500

28431 **Iran** Kingdom of Persia, Imperial Bank 1 Toman 1890-1923 Pick 1b **PMG Very Fine 20 Net**.
Scarce in issued format, this "Payable at Bushire Only" variety includes the black serial number and a 15 May 1918 date stamp at center. Printed by Bradbury, Wilkinson & Co. Ltd. this note features the portrait of Naser al-Din Shah Qajar, who was the Shah of Iran from 1848-1896. Only eight examples are registered in the *PMG Population Report*, but it is not clear how many Bushire varieties exist. The grading company notes this example was repaired and pieces added.
Starting Bid: $1,000

28433 **Iran** Bank Markazi 10,000 Rials ND (1972-73) Pick 96b **PMG Choice About Unc 58**.

Starting Bid: $500

28434 **Iraq** Government of Iraq 100 Dinars 1931 (ND 1936) Pick 12a **PMG Very Fine 25.**
King Ghazi is featured on this grandly sized note from the short-lived second series. An attractive, low A008,981 serial number is seen. This highest denomination was intended mainly for large interbank and governmental transfers, as indicated by the gap between the 10 dinar and 100 dinar values. Thus as most notes were held by financial institutions, a larger proportion was exchanged for new designs, leaving extant an example as pretty as it is very elusive. Scarce with only eight examples registered in the *PMG Population Report*, and none above a Very Fine 30 grade. The grading company mentions a repair on this otherwise highly desirable example.
Starting Bid: $9,000

28435 **Iraq** Government of Iraq 1/4 Dinar 1931 Pick 22 **PMG About Uncirculated 50.**

These early 1/4 dinars are scarce in high grade. The always popular portrait of young King Faisal II is featured on this note along with the signatures of Lord Kennet and Ibrahim al Khudhairi. The grading company mentions previous mounting.

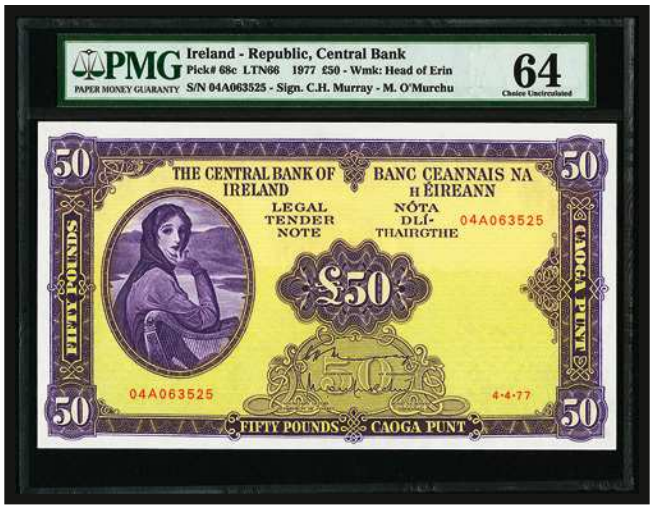

Starting Bid: $1,000

28436 **Ireland** National Bank Limited 5 Pounds 15.3.33 Pick 27 **PMG Gem Uncirculated 66 EPQ.**

Starting Bid: $2,000

28437 **Ireland** Central Bank of Ireland 50 Pounds 4.4.1977 Pick 68c **PMG Choice Uncirculated 64.**

A breathtaking large format issue bearing the C.H. Murray and M. O'Murchu signature combination. This note bears the last date of this series, before the reduced size Series B notes were issued. A lovely vignette of Lady Lavery resting upon a harp is displayed on the front left. A bold image of an anthropomorphic representation the River Shannon is framed within the intricate guilloche design-work on the back. Clean margins enhance these elegant guilloche borders, with desireable embossing, and the contrasting purple, yellow and green colors.

Starting Bid: $750

28438 **Ireland** Bank of Ireland 100 Pounds 4.4.1977 Pick 69c **PMG Choice About Unc 58.**

Only a center crease is seen on this enormous banknote, widely sought after for its high face value, rarity, and imposing composition. Seldom seen in such high grade and eminently collectible as such. 1977 is the final date for this design, which circulated in various varieties with only subtle changes since 1927.

Starting Bid: $500

28439 **Ireland - Republic** Central Bank of Ireland 100 Pounds ND (1996) Pick 79s Specimen **PMG Gem Uncirculated 65 EPQ**.

Superior embossing and a composition of deep brown and yellow inks create a great eye appeal. Only eight graded examples are registered in the *PMG Population Report*. A scarce issue which seldom crosses the auction block, and a must have for any collection.
Starting Bid: $2,000

28441 **Italian Somaliland** Cassa Per La Circolazione Monetaria Della Somalia 5 Somali 1950 Pick 12a **PMG Choice Uncirculated 64 EPQ**.
An early and very coveted design issued by Italy for its administration of the Trust Territory of Somaliland. This second denomination from the 1950s series has a well contrasting color scheme and several repeating patterns throughout.
Starting Bid: $750

28442 **Italian Somaliland** Cassa Per La Circolazione Monetaria Della Somalia 10 Somali 1950 Pick 13a **PMG Gem Uncirculated 66 EPQ**.
A distinct contrasting color scheme has been utilized to create this higher denomination issue. Following World War II, the United Nations established a trust territory administered by Italy from 1950-1960. An elephant watermark is noticed in the center of this short lived series printed in Italy.
Starting Bid: $500

28443 **Italian Somaliland** Cassa Per La Circolazione Monetaria Della Somalia 20 Somali 1950 Pick 14a **PMG Choice About Unc 58 EPQ**.

Starting Bid: $500

28444 **Italian Somaliland** Cassa Per La Circolazione Monetaria Della Somalia 5 Somali 1951 Pick 16 **PMG Choice Uncirculated 64**.

Third party grading company annotates staple holes that do not seem to detract from the pleasant visual of this note.

Only five examples of this variety are registered in the *PMG Population Report*, with none surpassing the lower end Very Fine grades.

Starting Bid: $500

Key Note in Top Grade

28449 **Lebanon** Banque de Syrie et du Liban 250 Livres 1.4.1939 Pick 21 **PMG Extremely Fine 40.**

Abdo Ayoub writes in his book, *Lebanon Paper Money And Coins*, that 250 Livre represented the purchasing power of $50,000 back in 1939. This variety is without question at the very top of wantlists for most serious Lebanon and world collectors. It is fabled that there are only 4 known examples. The Central Bank museum in Beirut does not have this highest denomination in their collection, and is only able to display it in Specimen form.

The Baptistery of Saint-John's Church in Jbeil is seen on the face. Saida's castle is depicted on the back. The 250 Livre was only issued for Lebanon. There was no parallel denomination for Syria.

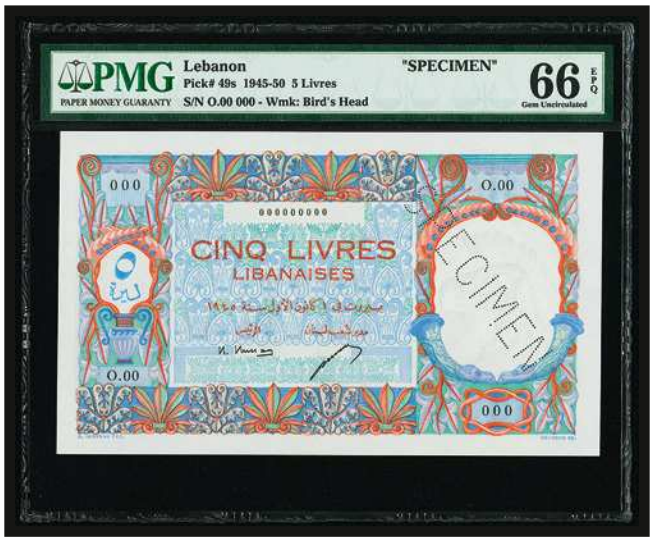

There are none other graded on the PMG census. Furthermore, the note on offer is seemingly in far superior condition than any images we have found of known examples. In 2012, the only publicly auctioned piece sold for just under $39,000 as a Choice Fine 15.

A truly incredible relic. This will be the first time we have offered this Pick variety, and it will be a once in a lifetime chance to obtain this colossus item.

Starting Bid: $30,000

28450 **Lebanon** Banque de Syrie et du Liban 25 Livres 1.9.1939 Pick 29b **PMG Choice Fine 15.**
A circulated but solid example of this higher denomination French Administration note that still exhibits nice color. The featured vignette is that of a caravan at lower center. The "Liban" designation is noticed on the top margin. The low serial number is a good indication to the rarity of this type.
Starting Bid: $2,000

28451 **Lebanon** Banque de Syrie et du Liban 5 Livres 1945 Pick 49s Specimen **PMG Gem Uncirculated 66 EPQ.**
A simply beautiful denomination, and especially pleasing in this elite grade. A carefully placed perforated cancellation is seen on this otherwise pristine banknote. All design elements are clearly visible on this example, which currently is bettered by only one Specimen in the PMG *Population Report* at the time of cataloging.
Starting Bid: $600

28452 **Lebanon** Banque de Syrie et du Liban 10 Livres (1945-1950) Pick 50s Specimen **PMG Gem Uncirculated 66 EPQ.**

Majestic Magic Carpet Banknote

28457 **Lebanon** Banque de Syrie et du Liban 100 Livres 1.12.1945 Pick 53 **PMG Very Fine 25.**
A legendary type both in rarity and appearance, and globally sought after as such. Enormous buying power limited both issuance and the number of banknotes saved for posterity. Intricate and elaborate design elements are seen at front, with the famous Lebanese Cedar on the back. A small, six-digit serial number is also seen on this example, which has clean surfaces on both sides allowing for complete viewing of the famed artwork. Minor repairs were executed to fortify the note, which is commonplace, as the thin paper did not fare well in the dry Mediterranean climate. Both visually pleasing and very rare. This eminently desirable example is fresh to the market and should stir spirited bidding.
Starting Bid: $5,000

Seldom Seen Magic Carpet Specimen

28458 **Lebanon** Banque de Syrie et du Liban 100 Livres 1.12.1945 Pick 53s Specimen **PMG Choice Uncirculated 64.**
The famed Magic Carpet banknote is highly elusive in this Specimen format and beautiful grade. A comment-free third party holder adds to the desirablity of this already sought after type. A tastefully applied perforated cancellation is seen, yet does not detract from the overall appearance of this famed rarity. At the time of cataloging, only five examples have been graded by PMG, and none are graded higher. An important opportunity.
Starting Bid: $3,000

Starting Bid: $750

28460 **Lithuania** Bank of Lithuania 500 Litu 1924 Pick 21a **PMG Choice About Unc 58.**
A pleasing example from the early 1924 issue. In the top ten percent of surviving examples, with only three 500 Litu registered with a higher grade in the *PMG Population Report*. The third party grading company mentions stains on this example.
Starting Bid: $700

28461 **Lithuania** Bank of Lithuania 500 Litu 1924 Pick 21a **PMG About Uncirculated 55.**

A well preserved 500 Litu, which is the second highest denomination from this scarce and early series. The third party grading company mentions stains on this example.

Starting Bid: $600

Single Finest Graded Rarity

28462 **Luxembourg** Grand-Duche de Luxembourg 20 Francs 1914-18 (ND 1926) Pick 35 **PMG Choice Extremely Fine 45 EPQ.**

Very rare in any grade, at the time of cataloging, this example is by far the finest graded example of only two banknotes in the PMG *Population Report*. This type was prepared during World War I, but the sheer devastation postponed the release for almost a decade. This emission with pretty engraving is seldom seen today and especially so in this handsome grade.

Starting Bid: $750

28463 **Madagascar** Banque de Madagascar 100 Francs 13.2.1893 (ND 1926) Pick 34 **PMG Very Fine 30.**

A spectacular, grand sized note with soft violet inks. The front of this issue has two delightful seated allegorical women on each side of seated *Mercury*. The back of this example has an allegorical man sitting on an anvil with a hammer along with two allegorical women, one sitting on wheat and the other sowing coins from a cornucopia. Third party grading company annotates this note has rust and a repair, which do not detract from the beauty of this example.

Starting Bid: $600

28464 **Malaya and British Borneo** Board of Commissioners of Currency 5 Dollars 21.3.1953 Pick 2a KNB2a **PMG Gem Uncirculated 66 EPQ**.

A high grade example of this trophy note. Vibrant colors, excellent centering, and bright paper are all present on the always popular Queen Elizabeth II type.

Starting Bid: $500

28465 **Malaya and British Borneo** Board of Commissioners of Currency 50 Dollars 21.3.1953 Pick 4b KNB4a **PMG About Uncirculated 55**.

A popular and desirable high grade example of this handsome Queen Elizabeth II type. Of note, prefixes A/10 and higher feature a darker blue reverse color scheme. In fact, the color schemes on this example are unusually bold, lending to an excellent eye appeal.

Starting Bid: $500

28466 **Malaysia** Bank Negara 100 Ringgit ND (1992) Pick 32As Specimen **PMG Choice Uncirculated 63.**

A scarce Specimen with interesting as-made ink stampings from the United States Banknote Company. Malaysian Specimens are notoriously challenging to obtain, and widely sought after as such. Solid zero serial numbers are seen on this Uncirculated example.

Starting Bid: $750

28467 **Malaysia** Bank Negara 100 Ringgit ND (1992) Pick 32As KNB37S Specimen **PMG Choice Uncirculated 63.**

A rare and interesting Specimen created by the United States Banknote Company. Control numbers are stamped on this Specimen, which features solid zero serial numbers. Crisp Uncirculated paper is easily seen on this handsome banknote. Quite scarce in any grade, and widely sought after as such. The grading company mentions ink stamps.

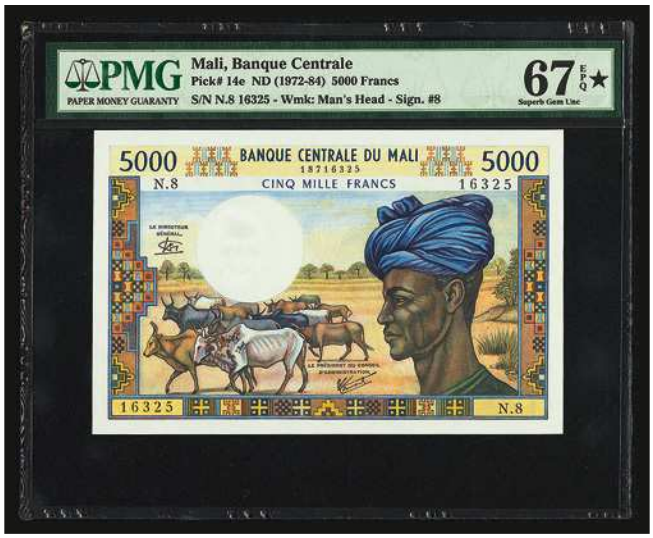

Starting Bid: $750

28468 **Maldives** Maldivian State Government 1/2 Rufiyaa 1947 Pick 1s Specimen **PMG Choice About Unc 58.**

The key denomination in the early series, this Specimen is quite desirable as such. All design elements are on display on this uniface example, which features printer notations, hole punched cancellations, and a red overprint. A scarce type and desirable in any format.

Starting Bid: $500

28469 **Mali** Banque Centrale du Mali 5000 Francs ND (1972-84) Pick 14e **PMG Superb Gem Unc 67 EPQ★**.
A beautiful high grade example of this colorful and artistic large denomination. Widely collected due to its stunning design elements. French designed and printed African banknotes are steadily increasing in popularity. At the time of cataloging, there is only one example graded higher in the *PMG Population Report*.
Starting Bid: $500

28470 **Mali** Banque Centrale du Mali 10,000 Francs ND (1970-84) Pick 15g **PMG Superb Gem Unc 67 EPQ**.
The highest denomination of the series, and very scarce in such a lofty grade, this note is tied with three others as the finest graded in the *PMG Population Report* at the time of cataloging. This denomination has become challenging to find in anything approaching this condition. Pinpoint centering, clean margins, and vivid original colors all ensure this note earns every point of its technical grade.
Starting Bid: $500

28471 **Mexico** Banco de Michoacan 10 Pesos 5.1.1903 Pick S339a **PCGS Good 04**.
A seldom seen and very rare type, and desirable in any grade. At the time of cataloging, there are no examples graded in the *PMG Population Report*, and no examples sold in any trackable database. All details are visible on this example, despite extensive circulation. Michoacan is a Mexican state west of the capital, and as it stands, all banknotes from this issuer are extremely scarce. An important opportunity to acquire an issued example from this Mexican bank, as this is the first offered in a major public auction.
Starting Bid: $500

28472 **Mexico** Banco de Londres Mexico y Sud America 5 Pesos ND (1882) Pick UNL Specimen **PCGS Gem New 66PPQ.**
An unlisted and very attractive Bradbury Wilkinson example whose layout is shared with contemporary issues across the world, including the Finnish "Wolfman" note, with the light intricate underprints and steelplate designs. A further annotation of "21 Feb 82" help us date this example. But when investigating issues of the London Bank of Mexico and South America Limited, we can see the first issues for Mexico started in 1883, and notes for the bank through all operated countries including Peru were designed and printed by the American Bank Note Company.

Most likely, this note was a proposal that was never adopted. The date that was after the bank's founding in London may indicate this was prepared as a response to a tender for new banknotes in the countries of operation. As the design was never selected, it never entered any catalogs, and to an extent, lost to time as both the bank and Bradbury Wilkinson were acquired in the 20th Century. Perforated cancelled.
Starting Bid: $750

28473 **Mongolia** State Treasury 50 Cents 1924 Pick 1r Remainder **PMG Choice Uncirculated 64 EPQ.**
One of the key notes for the entire country, this stunning initial denomination of the series is extremely desirable in this lofty grade and popular due to its stunning coloration and design elements. Interestingly, the 1924 series was printed in the U.S.S.R., and is only available in Remainder and Specimen form.
Starting Bid: $1,500

28474 **Mongolia** State Treasury Note 1 Dollar 1924 Pick 2r Remainder **PMG Choice About Unc 58 EPQ.**
A simply beautiful and iconic type, printed in the USSR with an amazingly colorful scheme. EPQ status adds to the desirability of this scarce denomination. Sought after across multiple collecting fields due to its impressive design.
Starting Bid: $1,000

28475 **Mongolia** State Treasury 3 Dollars 1924 Pick 3r Remainder **PMG Choice Uncirculated 64.**
A striking and always popular example from the Mongolian dollar. Interestingly, these notes were all in coin orientation. Baron Ungern's control of Mongolia collapsed shortly after printing as he was captured by the Bolsheviks. Consequently, these notes were never released. An excellent and always popular design.
Starting Bid: $1,500

28476 **Mongolia** State Treasury 5 Dollars 1924 Pick 4r Remainder **PMG Choice Uncirculated 64 EPQ.**
A lovely high grade example from this series, which was denominated in dollars as it intended to replace the Chinese yuan at the time, which was basically equivalent to a Mexican dollar. These notes were issued by the government of Baron Ungern. Brilliant colors are seen on both sides of this Russian designed and printed note.
Starting Bid: $1,500

28477 **Mongolia** State Treasury 10 Dollars 1924 Pick 5r Remainder **PMG Choice Uncirculated 63 EPQ.**
Brilliant colors are seen on this example introduced in the 1924 Dollars series but never released. English is seen on this example as it was geared towards Europeans in an attempt to replace contemporary Chinese yuan issues, which also featured English. From the serial number font, these notes were most likely printed in Russia. This is not unexpected as the main ruler of Mongolia at that time, Baron Ungern, was a Russian anti-Bolshevik military leader. An appealing denomination and grade alike.
Starting Bid: $1,500

28478 **Mongolia** State Treasury 10 Dollars 1924 Pick 5r Remainder **PMG Choice Uncirculated 63 EPQ.**
A boldly colored note that can be considered the second series of notes from the nation newly independent from Qing Dynasty China. This supposedly Russian-printed note was prepared, but never issued. The array of colors on both sides is extraordinary, and the interwoven and floral patterns are most pleasing. The denomination is in English and Mongolian.
Starting Bid: $1,500

28479 **Mongolia** State Treasury 25 Dollars 1924 Pick 6r Remainder **PMG Choice Uncirculated 64 EPQ.**
Very desirable in such a high grade condition, this is the largest denomination of the colorful and highly popular 1924 Treasury Note series, none of which were issued and exist only as Specimens or Remainders like this one. Text in Mongolian and the denomination in English is seen on this brilliantly colored example. A binary serial of 0010111 is noticed.
Starting Bid: $1,750

28480 **Morocco** Banque d'Etat du Maroc 500 Francs ND (1923-48) Pick 15s Specimen **PMG Choice Uncirculated 64.**
A handsome and rare Specimen for this grandly sized issue, and desirable in this format. A perforated cancellation is seen, along with solid zero serial numbers and date. Significantly rarer than issued examples, and at the time of cataloging, there are only three Specimens graded in the *PMG Population Report*. The first we have offered.
Starting Bid: $500

28481 **Morocco** Banque d'Etat du Maroc 5000 Francs 1943 Pick 32 **PMG Very Fine 25.**
The largest denomination from a WWII issue that did not circulate for very long. The French were unable to meet the needs of their territory's cash supply, and relied on the ABNC to come to the rescue. Apart from this issue, there was currency being printed locally as well. It was 1948 before Banque de France could print banknotes for Morocco. Simplistic designs, no watermark, and the lack of metal strip were mostly due to the speed at which ABNC had to get cash over to North Africa. Really quite scarce, and inevitably always in circulated grade.
Starting Bid: $700

28482 **Morocco** Banque d'Etat du Maroc 500 Francs 19.12.1956 Pick 46 **PMG Choice Uncirculated 64 EPQ.**
Printed in the French manner, this colorful, large format type is seldom seen in high grade, as its size and shape often prevented the saving of this type. Beautiful, original paper is seen on this example, which exhibits pack fresh quality. Underappreciated and surprisingly scarce in this grade.
Starting Bid: $500

28483 **Mozambique** Banco Nacional Ultramarino 5 Mil Reis 1.3.1909 Pick 42sp Specimen Proof **PMG Choice Uncirculated 64.**
This piece is the lone graded Specimen for the number graded by PMG. A printer's annotation is noted in the top margin and a perforated CANCELLED in the lower left signature panel. There are serial numbers as seen on a typical Specimen.
Starting Bid: $600

28484 **Netherlands Antilles** Bank van de Nederlandse Antillen 100 Gulden 28.8.1967 Pick 12a **PMG Extremely Fine 40.**
A seldom-seen high denomination, extremely underrated and missing from many relevant collections. A beautiful St. Eustatius beach scene is depicted at front. This is only the second example we have offered of this handsome rarity.
Starting Bid: $500

Rare 50 Pounds with Low Serial Number 37

28485 **Serial Number 37 New Zealand** Reserve Bank 50 Pounds 1.8.1934 Pick 157 **PMG Very Fine 25.**
A rare and highly sought after note with a desirable, low serial number. This highest denomination issue is arguably the most difficult note to find in all of New Zealand currency. The controversial 1934 issue was only intended to circulate temporarily. In a rush, some of the previous designs were incorporated into the design of the ultimate issuance. In fact, due to air raids in England, plates were sent to Australia as a precautionary measure to ensure no hindrance in money supply to New Zealand. Notes printed by the Australians, however, never circulated in New Zealand, and did not include the TDLR stamp on the back. Instead, they were later repurposed for circulation in the island nation of Fiji.

On the face, one notices to the right, King Tawhiao, the second Maori king, from the painting by Gottfried Lindauer. To the left one sees a vignette based on the engraving by Dutch artist John Gerrard Keulemans, featuring the Kiwi, New Zealand's national bird. On the back is Mitre peak in Fiordland. A small edge split at bottom center is noted for accuracy.

The PMG *Population Report* lists only five examples, with none graded above Extremely Fine. Rare in any grade, and sadly missing from even the most complete New Zealand or South Pacific collections.
Starting Bid: $7,500

28486 **New Zealand** Reserve Bank of New Zealand 50 Pounds ND (1956-67) Pick 162c **PMG Choice Uncirculated 64.**

An impressive, highest denomination issue from the last series of pound note. With great embossing, a pleasing portrait of Captain James Cook and a ship highlight the front. Complex artistic guilloche designs and a scenery of Mt. Egmont enhance the back. The third party grading company mentions minor thinning which does not seem to negate from the excellent colors on this ornate design.

Starting Bid: $1,000

28487 **New Zealand** Bank of New Zealand 50 Pounds ND (1914-27) Pick S195s Specimen **PMG Choice Extremely Fine 45**.

An attractive green and orange large format note, this Specimen carries serial numbers that indicate the anticipated number of notes to be printed; in this case, 4,000 notes (serial numbers 19001 to 23000). This note has a roulette punched CANCELLED and has a small neat printer's annotation in the upper left margin "71002 23.3.21." Printer's annotation is mentioned by the third party grading company.

Starting Bid: $900

28488 **New Zealand** Bank of New Zealand 10 Shillings 1.10.1924 Pick S231 **PMG Very Fine 25 Net.**

A compelling portrait of King Tawhiao is displayed on this seldom offered New Zealand example. This might be a small denomination, but would most assuredly class as a heavy weight in rarity. Rare in issued form with only two graded examples registered in the PMG *Census*. The last pick S231 we offered was graded as a Very Fine 30 and realized $5200 in 2017. The grading company mentions staining and rust, but does not detract from the opportunity of adding this rarity to any collection.

Starting Bid: $1,500

28489 **New Zealand** Union Bank of Australia 10 Shillings 1.10.1923 Pick S371cts Color Trial Specimen **PMG Choice About Unc 58**.

Printed by Waterlow & Sons Ltd., this color trial specimen displayed a color palette of lavender and yellow. Orange was selected for actual production notes. Four POCs are present.

Starting Bid: $500

28490 **Nicaragua** Billete del Tesoro Nacional 1 Peso 1896 Pick 24b **PMG Very Good 10 Net.**
Simon Bolivar's portrait is observed at center on this well circulated example of a scarce and seldom seen early Nicaraguan issue. The colors remain quite bold on this 1 peso note that has some splits and rust stains.
Starting Bid: $500

28491 **Oman** Sultanate of Muscat and Oman 10 Rials Saidi ND (1970) Pick 6a **PMG Superb Gem Unc 68 EPQ.**
The highest denomination of the Sultanate of Muscat and Oman issue. The embossing in the ornate borders are excellent and remain strong. This will be the highest graded example on the PMG census with 6 others.
Starting Bid: $500

28492 **Pakistan** Government of Pakistan 100 Rupees ND (1948) Pick 3A Jhunjhunwalla-Razack 5.21.1 **PMG Choice Fine 15.**
As part of the 1948 provisional issue, this 100 Rupees note uses a Reserve Bank of India host note with "Government of Pakistan" at the top of the watermark area. The third party grading company mentions the typical spindle holes at issue and rust.
Starting Bid: $2,500

28493 **Palestine** Palestine Currency Board 500 Mils 15.8.1945 Pick 6d **PMG Choice Very Fine 35 EPQ**.
Scarce in grades above Very Fine and even scarcer with an Expectational Paper Quality designation. In fact, only 5 examples graded by PMG have achieved the EPQ status. The later issues of Palestine Currency Board notes are generally considered available; however, that is not the case with the August 15, 1945-dated 500 Mils notes, which appear far less frequently than the 1939-dated examples. Excellent eye appeal is present as this note uses the classic and colorful style of De La Rue with impressive vignettes of Rachel's tomb near Bethlehem at the left on face and the Citadel of Jerusalem dominating the back.
Starting Bid: $750

28494 **Panama** Banco Central de Emision 1 Balboa 1941 Pick 22a **PMG Choice Extremely Fine 45 EPQ**.
This 1 Balboa comes from the series commonly known as the "Arias Seven Day Issue." Issued on October 2, 1941, these notes were withdrawn one week later when President Dr. Arnulfo Arias was replaced by Dr. Ricard Adolfo de la Guardia. The majority of the notes were incinerated, leaving very few examples available to the collection community. This denomination is scarce in grades above Very Fine, and even scarcer with Exceptional Paper Quality. Highly desirable in this condition.
Starting Bid: $1,000

Rare First Philippine Republic Highest Denomination

28495 **Philippines** Republica Filipina 5 Pesos 1898-98 Pick A27a **PCGS Choice About New 58**.

The Spanish-American War had repercussions on multiple continents which affected millions of people, and ultimately shifted the balance of power in Southeast Asia. After centuries of oppressive rule, the Spanish stranglehold on the Philippines began showing its weakness, and the Filipino people took advantage of the situation to declare independence from colonial powers. Emilio Aguinaldo lead the charge and was instituted as the first President of the Republic. Neither Spain nor the United States recognized the Republic. However, the new government in Manila issued a series of banknotes which circulated briefly and extant examples are seldom seen today. After the Spanish American War concluded, the new Philippine Republic declared war on the United States, and a three year war began. Aguinaldo and his forces surrendered to the United States in 1902, and a new series of coins and banknotes were issued the following year. This crudely made banknote is extremely rare as a fully issued banknote, complete with a serial number and a manuscript signature of Pedro A. Paterno. The 1 Peso is seen on occasion, but this 5 Pesos denomination is the true rarity. In fact, this is the only the second example with serial numbers and a signature we have handled. Assuredly missing from even the most advanced collections and eminently desirable. A historically important 19th century type issued by the brief Republican government created in a desperate attempt for self determination. Iconic and extremely rare, as these notes circulated from 1898 until 1903. Minor stains are mentioned by the third party grading company.

Starting Bid: $10,000

First Philippine Republic Banknote 1899 Issue

28496 **Philippines** Republica Filipina 1 Peso 24.4.1899 Pick A28a **PCGS Choice About New 58**.
In most cases, banknotes are desirable due to their aesthetic features, high denomination, or rarity. This example from the Philippines is exceedingly rare and an important relic from the first Republic on the entire Asian continent. The Spanish-American War began in 1898, and had a lasting impact on global balance of power. The United States obtained its first true colonial possessions and ended Spanish involvement in the Caribbean and Southeast Asia. Immediately thereafter, Philippine forces attacked their new colonial leaders and established the first Philippine Republic lead by Emilio Aguinaldo. The United States regained control of the archipelago by 1901 and the Republic ended. In that brief period of the Republic, two hasty series of banknotes were created, all with common design elements. This 1 peso is the only known surviving denomination of the 1899 series, and it truly is a remarkable example. Hastily applied serial numbers are seen on the front side of this banknote. A small hole in counterfoil section is mentioned by the third party grading company.
Starting Bid: $4,000

Seldom Seen 5 Pesos from 1904

28497 **Philippines** Banco Español Filipino 5 Pesos 1.1.1904 Pick A31r Remainder **PMG Gem Uncirculated 66 EPQ**.
The only denomination of the series that has been found in both issued and unissued form, this initial denomination is nonetheless extremely challenging to find. Offered here is a perfectly preserved remainder, complete with an extra wide margin that was sliced or torn when a note was issued. Three perforated cancellations are seen. The 1904 series had a very short lifespan and was most likely unpopular, due in part to its large size compared to the other American issued that were printed and circulated contemporarily. Such an important offering is only the tip of the iceberg, as other denominations from this incredibly rare series are also offered in this auction.
Starting Bid: $2,000

Possibly Unique 10 Pesos of 1904

28498 **Philippines** Banco Español Filipino 10 Pesos 1.1.1904 Pick A32r Remainder **PMG Superb Gem Unc 67 EPQ**.
Almost completely unknown in any format, in any grade, this beautiful blue remainder from the 1904 series was issued by the Banco Espanol Filipino, during the earliest years of the American administration of the islands. This was the same time period as the first series of American emissions printed by the Bureau of Engraving and Printing. Issuance was limited for all denominations of this Spanish Colonial-styled type series, as the notes were replaced in 1908 by a smaller size type, similar to those issued by the Islands Treasury and Philippine National Bank. At the time of cataloging, this is the first example graded in the *PMG Population Report*, and the first to be offered in public auction since electronic records were kept. Simply miraculous paper quality is seen on this incredibly fresh, large format remainder. Three perforated cancellations are seen on this remainder. Most likely a once-in-a-lifetime opportunity to acquire a seriously rare type.
Starting Bid: $2,500

Rare High Denomination Remainder

28499 **Philippines** Banco Espanol Filipino 100 Pesos 1.1.1904 Pick A35r Remainder **PMG Gem Uncirculated 66 EPQ**.
Issued by the Banco Espanol Filipino during the earliest years of the American administration of the archipelago, this 1904 is incredibly challenging to find in any format. In 1912, the bank changed its name to Bank of the Philippine Islands, and still operates as such today. Until 1896, The Banco Espanol Filipino issued notes denominated as Pesos Fuertes, which translates to the "Strong Peso". Many Filipinos of European decent fled to Spain after the Spanish American War ended, which may account for the known examples from the 1896 series of banknotes. After the regime change, "Fuertes" dropped from the denomination for the 1904 series, which is virtually nonexistent today, for reasons partially unknown. This perfectly preserved remainder is a once in a lifetime opportunity to own a relic from the 1904 emission. Gem quality paper is easily seen through the third party holder. Three perforated cancellations are mentioned for accuracy. This is the first example offered in public auction since electronic records became commonplace, and it is the only example graded in the *PMG Population Report* at the time of cataloging. An important opportunity to acquire this large format, high denomination type.
Starting Bid: $3,000

28500 **Philippines** Treasury Certificate 50 Pesos ND (1944) Pick 99a Victory Series **PCGS Very Choice New 64 PPQ**.
A wonderful example with amazing color and embossing. Printed by the United States Bureau of Engraving and Printing with a strong portrait of General Lawton on the front and a black "Victory" overprint on the back. "Victory" notes were introduced upon the return of MacArthur to the Philippines.
Starting Bid: $600

28501 **Portugal** Banco de Portugal 20 Mil Reis 11.10.1898 Pick 82 **PMG Choice Very Fine 35 Net.**
A rare note, enhanced by two standing figures encased within pillar frames draw attraction to the front of this beautiful example. Several complex patterns are seen throughout and a geometrical design was utilized for the watermark. Only two graded examples appear in the *PMG Population Report* denoting the scarcity of this note. The third party grading company mentions that the note has been "repaired and reconstructed" to help create a better visual on this rare note.
Starting Bid: $1,500

28502 **Portugal** Banco de Portugal 10 Escudos 9.8.1920 Pick 12 **PMG About Uncirculated 53.**
A very scarce example from the 1920 series with the portrait of Marquez de Sa da Bandiera at the center and the coat of arms on the back. The note on offer is bright and presents well.
Starting Bid: $500

28503 **Portugal** Banco de Portugal 500 Escudos ND (1928-1929) Pick 141r Remainder **PMG Extremely Fine 40.**
A pleasing Remainder of a very scarce issue. Printed in full color, with deep, vivid inks, this note lacks only the final printing with signatures and serial numbers. Two hole cancels are noted in the signature panel. Technically Uncirculated, the note has some folds that account for the grade.
Starting Bid: $1,000

28504 **Portugal** Banco de Portugal 1000 Escudos ND (1929) Pick 145r Remainder **PMG Choice Uncirculated 63 EPQ.**
Another stunning Portuguese remainder offered here today. This piece is a large denomination, with variegated colors, each one as bold as the next. Fully framed with two punch cancels where the signatures would usually be printed.

A delightful array of colors enhance the beauty of this Remainder. A vignette of a castle is displayed on the left while a portrait of Donna Filipa de Lencastre graces the right. One POC is visible on this sole graded example in the *PMG Population Report*.
Starting Bid: $500

28506 **Portugal** Banco Allianca 20,000 Reis ND (ca. 1870) Pick S142r Remainder **PMG Gem Uncirculated 65 EPQ.**
A large size uniface Remainder without date or signatures. Light brown obverse on heavily watermarked paper with the bank name and denomination. Only five graded examples appear in the *PMG Population Report* making this a great opportunity to acquire this scarce Remainder.
Starting Bid: $500

28507 **Portugal** Banco Allianca 100,000 Reis ND (ca. 1870) Pick S145r Remainder **PMG Choice Uncirculated 64 EPQ.**
An oversized uniface remainder with vivid orange printing, no signatures and no date. Bold original embossing remains on heavily watermarked paper. This example holds the second highest grade of four notes registered in the *PMG Population Report*. Scarce and visually pleasing, especially in this high grade.
Starting Bid: $750

28508 **Portuguese Guinea** Banco Nacional Ultramarino 20 Mil Reis 1.3.1909 Pick 5s Specimen **PMG Choice Uncirculated 64.**
A large sized Specimen with counterfoil to left. A portrait of the famous explorer, Vasco Da Gama, and vignette of his embarking on a voyage by sea decorate the face of this note. Utterly ornate and exactly what one would expect from a note designed with Portuguese influence. A perforated Cancelled, printer's annotation, and previous mounting are noted.
Starting Bid: $500

28509 **Portuguese Guinea** Banco Nacional Ultramarino 100 Escudos 1.1.1921 Pick 18sp Specimen Proof **PMG Choice Uncirculated 64.**
A Bradbury, Wilkinson and Company produced Specimen Proof on this elusive large denomination. Printer's annotations are present along the top margin to include the date of 3.1.1921. The overall appearance and design of this large format note is outstanding. A perforated "Cancelled" is present along the lower right signature block and previous mounting and a small tear are noted.
Starting Bid: $600

28510 **Portuguese India** Banco Nacional Ultramarino 5 Rupias 11.1.1938 Pick 31s Jhunjhunwalla-Razack 12.24.1-6 Specimen **PMG Choice Uncirculated 63.**

The popular tiger vignette graces the back, providing extraordinary eye appeal. Third party grader notes previously mounted and annotation.

Starting Bid: $1,250

28511 **Portuguese India** Banco Nacional Ultramarino 5 Rupias 11.1.1938 Pick 31s Jhunjhunwalla-Razack 12.24.1-6 Specimen **PMG Choice About Unc 58 Net.**

Hole punched cancellations and red overprints are seen on this handsome Specimen created by the American Bank Note Company. At the time of cataloging, this is the second finest example of only five notes graded in the PMG *Population Report*.
Starting Bid: $500

28515 **Reunion** Department de la Reunion 100 Nouveaux Francs on 5000 Francs ND (1971) Pick 56b **PMG Gem Uncirculated 66 EPQ.**
A wonderful large format multicolor note that was used as a transitional issue during the currency revaluation that started in 1967 and ended in 1971. A large portrait of abolitionist Victor Schoelcher holding a scroll highlights the front of this note while, a pleasing scene of a woman and children draws attraction to the back. Embossed surfaces and colorful inks create a pleasing presentation on this overprinted example.
Starting Bid: $600

28516 **Rhodesia** Reserve Bank of Rhodesia 5 Pounds 10.11.1964 Pick 26a **PMG Superb Gem Unc 67 EPQ.**
An iconic note that is always sought out in high grade. Excellent centering, vibrant colors, and bright paper highlight this gorgeous high denomination featuring the portrait of Queen Elizabeth II on the face and the landscape vignette of the Zimbabwe ruins on the back. Highly desirable in this Superb Gem grade.
Starting Bid: $750

One of Two Consecutive Serial Numbers

28517 **Rhodesia** Reserve Bank of Rhodesia 5 Pounds 10.11.1964 Pick 26a **PMG Gem Uncirculated 66 EPQ**.
An iconic British Commonwealth type, and especially desirable in this elite grade. Pack fresh original quality is seen on this example, which was the highest denomination of the series at the time. Of importance, this is the first note of two in a scarce consecutive pair offered in this auction. Beginning in 1965, Rhodesia entered a period of revolution that ultimately ended in 1980 with an independent Zimbabwe.
Starting Bid: $500

Two of Two Consecutive Serial Numbers

28518 **Rhodesia** Reserve Bank of Rhodesia 5 Pounds 10.11.1964 Pick 26a **PMG Superb Gem Unc 67 EPQ**.
The second note in a seldom seen consecutive pair, and especially desirable in such an elite grade. As the highest denomination of the series, it has the smallest print total. The Great Zimbabwe Ruins are depicted on the back of this desirable Queen Elizabeth II banknote.
Starting Bid: $600

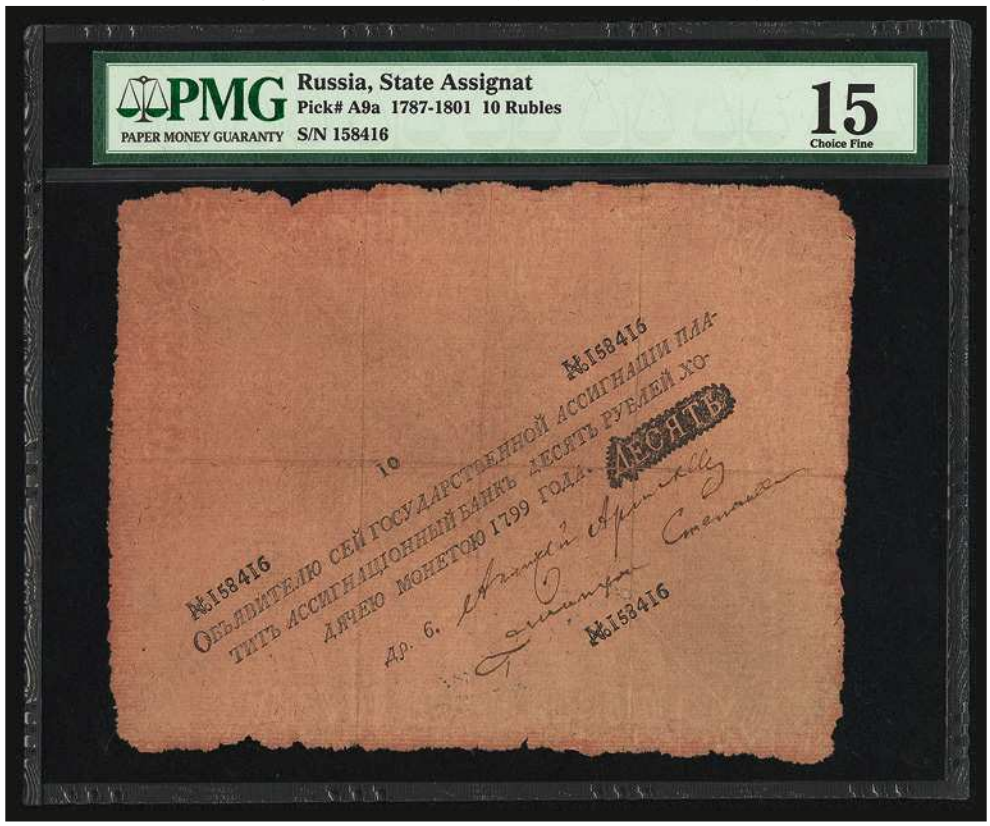

28519 **Rhodesia** Bank of Africa Limited 10 Shillings 1.1.1936 Pick S111a **PMG Extremely Fine 40**.
A lovely original example issued by Barclays Bank for this now obsolete British territory. Waterlow & Sons Ltd. really outdid themselves with the vignettes portrayed on both the back and the front of this note. Victoria Falls on the face, and a regal lion on the back. The 10 Shillings from this series, however the smallest denomination, is not to be underestimated in scarcity. This example is bright and visibly original, the cataloger is confused to why PMG did not award it with the EPQ designation. Rare, and thus very desireable.
Starting Bid: $750

28520 **Rhodesia and Nyasaland** Bank of Rhodesia and Nyasaland 10 Pounds ND (1956-61) Pick 23s Specimen **PMG Extremely Fine 40**.
A wonderful example of colonial paper money. Issued for the then Rhodesia and Nyasaland, this 10 pounds was the highest denomination from the series. The now outdated territory was spilt into three independent countries of Malawi, Zambia and Zimbabwe. Exquisite designs and shades of colors were used, Queen Elizabeth II can be seen to the right, and appears to almost be staring into the same distance as the lion in left corner. The back boasts a herd of elephants, which is a design that was repurposed for a later design from Malawi. Cecil John Rhodes as watermark. Cancelled and perforated "Specimen" at center, printers annotations, and previously mounted.
Starting Bid: $900

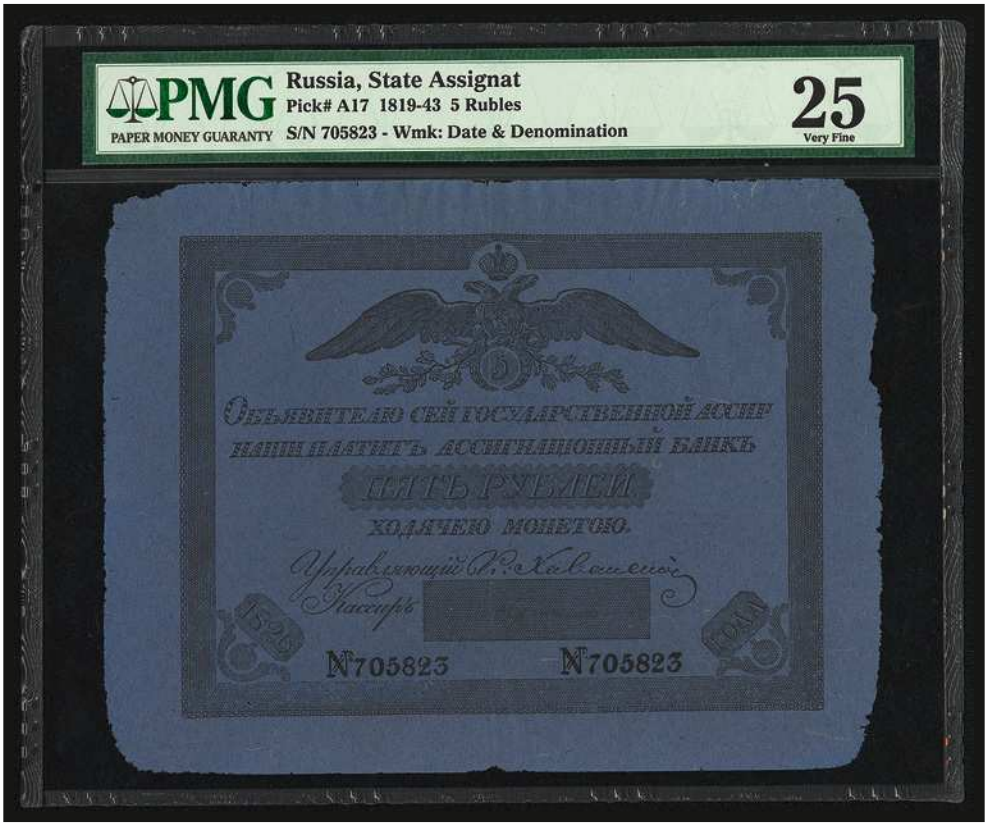

Eighteenth Century Russian Rarity

28521 **Russia** State Assignat 10 Rubles 1799 Pick A9a **PMG Choice Fine 15**.
Pick number A9a spans a range of dates from 1787 to 1801, with this piece issued under Emperor Paul I, who reigned for just a few short years between 1796 and 1801. His reign ended with his assassination shortly after he discovered massive corruption in the Russian Treasury. His assassins were likely nobility involved in the corruption and the target of some of his social policies.

Each of the dates from this issue is incredibly rare, with no other 1799 dated examples offered in recent years that we could locate. In our FUN 2018 auction, we sold a PMG graded 25 example dated 1798 for more than $33,000. That November, a very problematic 1801 still topped $13,000 at auction. Some edge damage is noted by PMG. Regardless, this piece is a prized artifact from the Treasury regime that likely helped plot Paul's demise, and should easily reach...
Starting Bid: $15,000

Exceedingly Rare 1826 Dated Nicholas I 5 Rubles

28522 **Russia** State Assignat 5 Rubles 1826 Pick A17 **PMG Very Fine 25**.
The paper quality and overall condition are simply wonderful. Few survivors from his 1819-1843 issue are known in conditions above Fine. While Pick does not split the notes issued from 1819 to 1843, the notes dated 1826 were the first to show Nicholas I's coat of arms, following his ascension to the throne in 1825. They are, for all intents and purposes, a new design and deserving of their own listing in the Standard Catalog.

This piece boasts full printed details and an even blue paper color, unbroken by the minor circulation. The note is dated 1826 in the lower left, the first full year of reign for Nicholas I. This is a rare date, unpriced in any reference, and many times rarer than the 1827-1830 dated notes. Some repairs are noted, which do not affect the overall eye appeal of the note.
Starting Bid: $6,000

28523 **Russia** Transport Certificates 5 Gold Rubles 1923 Pick 177s Face and Back Specimen **PCGS New 62 Apparent; New 62**.
An interesting set of Face and Back Specimen from the early days of the Soviet Union. Only denominations of 3 and 5 Gold Rubles were issued in this entire series. Both examples are uniface, and are cancelled perforated. (Total: 2 notes)
Starting Bid: $1,250

28524 **Rwanda-Burundi** Banque d'Emission du Rwanda et du Burundi 500 Francs 15.09.1960 Pick 6 **PMG Choice Very Fine 35**.
A lovely, short-lived, elusive issue. This series was released only a few short years before the territory of Ruanda-Urundi was dissolved, and notes were overprinted with their respective countries of circulation. Just a few years before the issuance of this note, the legal tender of the area was the Congolese franc. A vignette of a rhinoceros appears on this high denomination note printed by TDLR.
Starting Bid: $750

28525 **Rwanda-Burundi** Banque d'Emission du Rwanda et du Burundi 1000 Francs 15.9.1960 Pick 7s Specimen **PMG Gem Uncirculated 65 EPQ**.
A gorgeous high grade Specimen from this newly independent African confederation. A large vignette of the always popular zebra appears on this attractive green and multicolor note, along with a solid zero serial number, single POC, and *Specimen* stamp. Recent sales across the auction block for this high denomination include an Extremely Fine 40 realizing $540 and an Uncirculated example realizing $1566.
Starting Bid: $600

28526 **Sarawak** Government of Sarawak 1 Dollar 1.1.1935 Pick 20 KNB27 **PMG Choice About Unc 58 EPQ**.
A portrait of Charles Vyner Brooke is featured on the front of this fantastic issue. The 1996 Historical Dictionary of the British Empire offers a biography of Brooke which says that he became the third raja of Sarawak in 1917, was knighted in 1927, and led the country until it was occupied by the Japanese in 1941. Brooke turned over the country to Britain in 1946, after the end of World War II.
Starting Bid: $500

28527 **Sarawak** Government of Sarawak 10 Dollars 1.7.1937 Pick 22 KNB30 **PMG Very Fine 30**.
Astonishing deep red inks remain on this well preserved example. Minor repairs do not seem to detract from the fine artistic patterns seen throughout this note. A lovely portrait of C. Vyner Brooke on the front right is surrounded by intensely designed borders.
Starting Bid: $750

28528 **Scotland** Caledonian Banking Co. Ltd. 1 Pound 2.7.1900 Pick Unlisted **PMG Very Fine 20.**
A splendid square shaped rarity issued in this Northen city of Scotland. Inverness in Gaelic means "Mouth of the river Ness." The stunning vignettes of Inverness Castle and the river draw interest to this hand-signed, low serial note. We are yet to have had the opportunity to offer this type, and is rare. Previously mounted.
Starting Bid: $750

Rarely Seen Highest Denomination

28529 **Seychelles** Government of Seychelles 50 Rupees 1.8.1954 Pick 13a **PMG Choice Extremely Fine 45**.
A desirable and rare type, this is the highest denomination of this Queen Elizabeth II portrait series. Small serial numbers are seen for each of the four dates, all of which are scarce. This example is bettered by only two notes in the *PMG Population Report* at the time of cataloging, heightening its collectibility.
Starting Bid: $1,500

28530 **Seychelles** Government of Seychelles 50 Rupees 1.8.1973 Pick 17e **PMG Gem Uncirculated 66 EPQ**.
A stunning example featuring Queen Elizabeth II with well blended inks, lovely guilloche patterns, and the popular hidden "SEX" message found in the palm trees when rotated 90 degrees. This very collectable type issued in 1973 is the final date for the series, of which each uses the A/1 prefix.
Starting Bid: $750

28531 **Seychelles** Government of Seychelles 50 Rupees 10.1.1970 Pick 17s Specimen **PMG Choice Uncirculated 64 EPQ**.
A stunning example featuring Queen Elizabeth II on crisp paper with deep embossing. This beautiful issue has well blended inks, lovely guilloche patterns, and the popular hidden "SEX" message found in the palm trees when rotated 90 degrees. Third party grader notes a printer's annotation.
Starting Bid: $750

28532 **Seychelles** Government of Seychelles 100 Rupees 1.6.1975 Pick 18s Specimen **PMG Very Fine 30 Net**.
A pretty Specimen, created for the final date of this highest denomination. Only 25,000 of these notes were issued featuring the 1975 date, and the evidence is found in the serial range presented on this Specimen. Mount remnants, printer annotations, and some bends are seen on this example, which still retains its vivid color schemes.
Starting Bid: $500

Starting Bid: $500

28535 **South Africa** South Africa Treasury 1 Pound 25.1872 Pick 39 **PMG About Uncirculated 55**.

A large sized example from the Boer Zuid Afrikaansche Republiek. This issuance circulated until the Boer war. It is uniface, and has the Z.A.R. crest on the face. Interestingly, it is handsigned by the acting State President D.J. Erasmus. The Treasurer, F. Jeppe, whose signature is seen as well, is said to have designed this issue. This is the first offering we have made of this type, and it is the highest graded note on the PMG census, with only four having been graded. Spindle hole is mentioned for accuracy. Scarce, with great subject matter.

Starting Bid: $750

28536 **South Africa** South Africa Treasury 6 Pence 1872 Pick 43 **PMG Fine 12**.

A genuinely rare small denomination issued by the then Zuid Afrikaansche Republiek that bears a printed signature of its president, Marthinus Pretorius. This is only the second offering we have made for this variety, and it is one of only three graded on the PMG census. Rare in any grade.

Starting Bid: $500

28537 **South Africa** South African Reserve Bank 5 Pounds 28.9.1921 Pick 76 **PMG Very Fine 30 EPQ**.

A stunning early example bearing the Pilkington design from the South African Reserve Bank's first issue after induction. Intricate vignettes, with Table Mountain in Cape Town visible in the background. This will be the top graded example on the PMG census, with only 5 graded. It is highly unusual to encounter this type in this condition. It has great eye appeal, is very well preserved, and most certainly deserves its EPQ designation. Very desireable.

Starting Bid: $500

28538 **South Africa** South African Reserve Bank 20 Pounds 3.9.1928 Pick 88a **PMG Very Fine 25 Net**.

The first Clegg signature is seen on this early high denomination note. All features are excellent on this elusive design from the South African Reserve Bank's third series. Third party grading company annotates that the note has been repaired and has tape residue although with only 10 graded examples in the *PMG Population Report,* this is a great opportunity to acquire a scarce example.

Starting Bid: $500

28539 **South Africa** South African Reserve Bank 20 Pounds 4.9.1933 Pick 88b **PMG Very Fine 30**.
This elusive, high denomination type had enormous buying power and therefore extremely limited issuance; 50,000 issued banknotes to be exact. Representing an impressive sum of money in 1933 South Africa, this example is well preserved, and very presentable. Rare.
Starting Bid: $750

28540 **South Africa** South African Reserve Bank 100 Pounds 29.1.1952 Pick 100a **PMG Very Fine 30**.
Arguably the most impressive type of all South African banknotes and nicknamed "The Big Blue", this large sized example represented the kind of money the bearer could buy farms with. Only 30,000 were printed, and unlike other South African issues, where the languages (Afrikaans/English) varied every 1 million, "The Big Blue" saw a different predominating language for every successive note. Somewhat underrated, this note appeals to South Africa collectors, and Rare / Iconic collectors alike. Jan Van Riebeeck and his ship on the face, and the South African Crest on the back. The date of this Pick, 1952, happens to be 300 years after the arrival of Van Riebeeck in 1652. Simply a marvelous portrayal of currency artistry for the time. Minor rust is noted.
Starting Bid: $1,250

28541 **South Africa** Standard Bank of South Africa Limited 10 Shillings 1.10.1896 Pick S411 **PMG Very Fine 25**.
A very early pre-Boer war example printed by William Brown & Co. for newly established Standard Bank Ltd. The low serial number is a good clue to its rarity. Issued in Durban, this pre-Reservebank issue evades most South Africa collections. This is the sole graded note on the PMG census. Rare.
Starting Bid: $750

28542 **South Africa** African Banking Corporation Limited, Transvaal 5 Pounds ND (1900-20) Pick S554cts Color Trial Specimen **PMG Gem Uncirculated 66 EPQ.**
A handsome, middle denomination, with all details visible in this format. This standardized design was used for many different British Colonial cities on the continent, but each type is virtually impossible to acquire in issued form, which leaves Specimens as the best option to acquire the design. This Color Trial Specimen is void of signatures and a date, but it does have a pencil noted date of "17 May, 1899," and was printed for the British Colony of Transvaal. Before the unification of South Africa in 1910, Transvaal was a separate crown colony, making this early Specimen desirable.
Starting Bid: $500

28543 **South Africa** Upington Border Scouts 2 Shillings 1.2.1902 Pick S711b **PMG Choice Fine 15**.

The Upington Border Scouts served far away from home during the Second Boer War at first, but when the long unpaid troops returned home to Upington, they found that the town only had £20 in funds. Another shortage in the town was paper. Therefore, these wartime emergency notes were produced on unbleached calico cloth in various denominations. "Issued By / Paymaster B. Supington" was printed at top. The emblem of the Border Scouts was stamped at left and the signature of "J. Birkbeck, Major, O.C." is at lower right. A "CANCELLED BY PAYMENT" rubber stamping runs diagonally at center. All notes of this military issue are listed as rare and they are not valued in any grade in the Krause reference. The last time we offered this type, it sold for $2,400 in 2018.

Starting Bid: $750

28544 **South Korea** Military Payment Certificate 20 Dollars ND (1970) Pick M24 **PMG Very Fine 25.**

A rare highest denomination coupon distributed by the Korean military. Krause does not attempt to price this variety, and we have never offered an example before. This will be one of only two graded on the *PMG Population Report*. Schwann 988.

Starting Bid: $750

28545 **Southern Rhodesia** Southern Rhodesia Currency Board 10 Shillings 15.12.1939 Pick 9a2 **PMG Extremely Fine 40 EPQ**.

Featuring the first date of the series, this unusual example should see spirited bidding. Very few examples are known to exist with EPQ status, which is warranted on this lightly circulated banknote. The eye appeal of this banknote is virtually unmatched for this date.

Starting Bid: $500

Very Scarce First Date

28546 **Southern Rhodesia** Southern Rhodesia Currency Board 1 Pound 15.12.1939 Pick 10a **PMG Choice Uncirculated 64**.

One of the most fantastic banknotes from this former British Colony to grace an auction block. We are pleased to present this superb rarity. Featuring the scarce, first date of the series, along with a fun serial number, this example is heightened by its outstanding quality. Only a small smudge in the bottom margin prevents EPQ status on this otherwise outstanding example. At the time of cataloging, PMG has only graded two Pick 10a's as Uncirculated, which should hint at the rarity of this date in this grade. All design elements of this beautiful banknote are on full display. Thankfully, someone had the foresight to save this note for posterity. An important opportunity to acquire an African rarity.

Starting Bid: $1,500

Finest Graded King George VI 5 Pounds

28547 **Southern Rhodesia** Southern Rhodesia Currency Board 5 Pounds 15.12.1939 Pick 11a **PMG About Uncirculated 50**.
An utterly spectacular banknote, extremely rare in more ways than one. As the highest denomination of the series, the print totals are quite low for this type. Specifically, this signature combination of Arthur Sanders and Edward Fox is present on only a few thousand banknotes within this specific date. Additionally, only the first 300,000 £5 banknotes were printed in this manner, with a large white denomination placed in the center beginning with prefix C/4. Finally, across all dates from 1939 to 1952, this is the only issued example grading better than Extremely Fine. A PMG Choice Very Fine 35 example sold in 2017 for $14,820, a number which should easily be eclipsed by this banknote, which is superior by two grade tiers. This opportunity is once in a lifetime; to acquire the single finest dated King George VI Fiver across every date in the range. An iconic African rarity, unknown in this grade until now.
Starting Bid: $1,000

28548 **Southern Rhodesia** Bank of Southern Rhodesia 10 Shillings 23.2.1963 Pick 20FM Front Model **PMG Gem Uncirculated 65 EPQ**.
A thoroughly attractive Printer's Model, hand drawn and assembled, featuring a never before used portrait of Queen Elizabeth II. The general layout and features of the note were adopted on later notes, but never the attractive portrait. The coat of arms of Southern Rhodesia is not attached to the model itself, probably to prepare for any changes before the note was finalized. (Total: 2 items)
Starting Bid: $500

28549 **Southwest Africa** Barclays Bank D.C.O. 1 Pound 1931-54 Pick 2s Specimen **PMG Choice Uncirculated 63**.
A beautiful Specimen from the first issue of notes released under South African administration that features a vignette of a herd of sheep at left. It is a crisp, well margined note that was previously mounted. Three POCs.
Starting Bid: $500

28550 **Southwest Africa** Barclays Bank D.C.O. 10 Shillings 29.11.1958 Pick 4b **PMG Choice Uncirculated 63.**

A beautifully preserved example of an always popular issue for Barclays Bank in top tier grade. There were three banks tasked with currency issuance in the South African controlled South West Africa. Sheep on the face, and the Barclays crest on the back. Foreign substance is mentioned for accuracy.

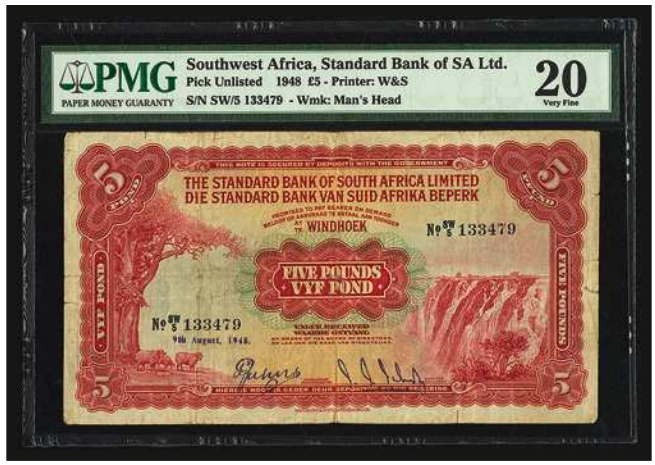

Starting Bid: $500

28551 **Southwest Africa** Barclays Bank D.C.O. 1 Pound 29.11.1958 Pick 5b **PMG Gem Uncirculated 65 EPQ.**

A fantastic offering of a Barclays issued example. Afrikaans, English, and German print are noticed, which makes sense considering the colonial interests at the time. This be the second highest graded note on the *PMG Population Report*, and rare as such.

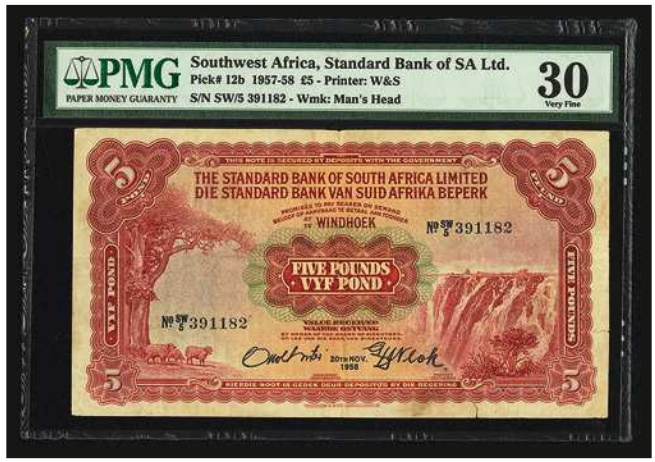

Starting Bid: $1,000

28552 **Southwest Africa** Standard Bank of South Africa Ltd. 5 Pounds 9.8.1948 Pick Unlisted **PMG Very Fine 20.**

A scarce carmine colored highest denomination that PMG called Unlisted because Krause has not listed this date, but it would be a Pick 9. Released very sparingly, this note represented a considerable amount of money for this then South African run territory.

Starting Bid: $500

28553 **Southwest Africa** Standard Bank of South Africa Ltd. 5 Pounds 20.11.1958 Pick 12b **PMG Very Fine 30.**

A large format highest denomination issued by Standard Bank for Southwest Africa. Striking vignettes of the Ruacana Falls on the face, and Kudu next to the Kunene River on the back. An always popular variety and scarce. Tears are mentioned.

Starting Bid: $500

28554 **Southwest Africa** Volkskas Limited 10 Shillings 4.6.1952 Pick 13a **PMG Gem Uncirculated 66 EPQ.**
A sublime example in unrivaled condition. Volkskas Bank is by far the more difficult bank to collect from this South African run territory. Compared to the other two banks, Standard Bank and Barclays Bank, Volkskas Bank issued currency in much smaller numbers. Featuring scenes of Windhoek in the early days on the face. It has a Voortrekker woman as the watermark. The embossing pops through the holder. It is really a beautiful little note. Rare.
Starting Bid: $2,000

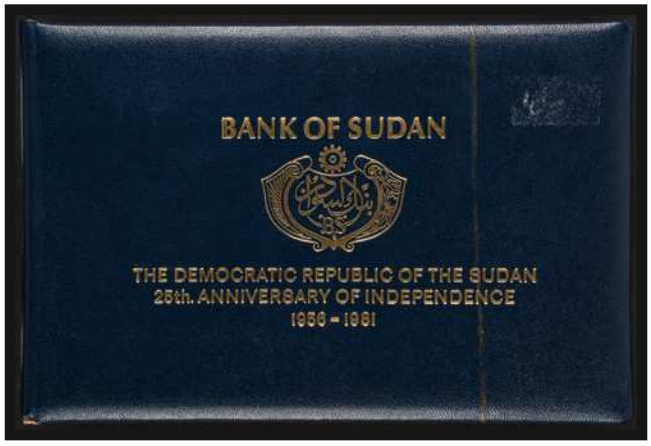

28555 **Straits Settlements** Government of Straits Settlements 10 Dollars 1.1.1935 Pick 18b KNB22e **PMG Choice Extremely Fine 45.**
Bright colors and unusually clean margins are seen on this lightly circulated example. Significantly better than typically seen and desirable as such. All design elements are on full display on this example, highlighting the superb engravings by Bradbury, Wilkinson & Co.
Starting Bid: $500

28556 **Sudan Currency Board 1956 Specimen Set.**
50 Piastres 1956 Pick 2Bs Specimen **PMG Gem Uncirculated 65 EPQ,** one POC;
1 Pound 1956 Pick 3s Specimen **PMG Gem Uncirculated 66 EPQ,** four POCs;
5 Pounds 1956 Pick 4s Specimen **PMG Choice About Unc 58,** four POCs;
10 Pounds 1956 Pick 5s Specimen **PMG Gem Uncirculated 66 EPQ,** four POCs. (Total: 4 notes)
Starting Bid: $750

28557 **Sudan Bank of Sudan 1964-66 Specimen Set.**
25 Piastres 1964-66 Pick 6as Specimen **PMG Superb Gem Unc 67 EPQ,** perforations;
50 Piastres 1964 Pick 7as Specimen **PMG Choice Uncirculated 64,** perforations;
1 Pound 1966 Pick 8cs Specimen **PMG Superb Gem Unc 68 EPQ,** perforations;
5 Pounds 1965 Pick 9bs Specimen **PMG Superb Gem Unc 67 EPQ,** perforations;
10 Pounds 1964 Pick 10as Specimen **PMG Gem Uncirculated 66 EPQ,** perforations. (Total: 5 notes)
Starting Bid: $750

28558 **Sudan** Bank of Sudan 25; 50 Piastres, 1; 5; 10; 20 (2) Pounds 1981 Pick 16s; 17s; 18s; 19s; 20s; 21s; 22s Album with 7 Specimen **Choice Crisp Uncirculated.**
A lovely denomination set of Specimen from the 1981 issue to include the 20 Sudanese pounds commemorative note. A welcome addition to any Sudanese collection. (Total: 7 notes)
Starting Bid: $750

Sole Example in PMG Census

28559 **Sweden** Riksens Ständers Wexel-Banco 3 Riksdaler Specie 28.1.1789 Pick A92b **PMG Choice Very Fine 35**.
Sweden pioneered the use of banknotes in Europe. In 1661, the Stockholms Banco started issuing paper money, but was short lived because the Bank found themselves guilty of seigniorage. Riksens Ständers Bank reintroduced the idea of paper currency in 1777, and issued banknotes until 1869, when the Sveriges Riksbank took over the production and issuance of Swedish currency.
This will be the first time that we have offered this variety. It is the sole graded example in the PMG census. We are aware of a single offering on the auction circuit in 2014, where an ungraded example in poorer condition sold for just over $3,100. Minor repairs are mentioned. Rare, and definitely desirable.
Starting Bid: $2,500

28560 **Sweden** Sweden, Skånska Privat-Banken 100 Kronor 1876 Pick S463s Specimen **PMG Gem Uncirculated 65 EPQ**.
A very rare type, seldom seen in any format and desirable as such. This design is horizontal. However, the overall shape is vertical, which is an oddity in world banknotes. Hole punched cancellations are seen, as well as a red printer stamp in lieu of signatures. A handsome Bradbury, Wilkinson & Company engraving, and rare to boot. In fact, this is the first we have offered and only the third example offered in a major auction since 2010. To date, only Specimens and Proofs are known of this desirable type.
Starting Bid: $500

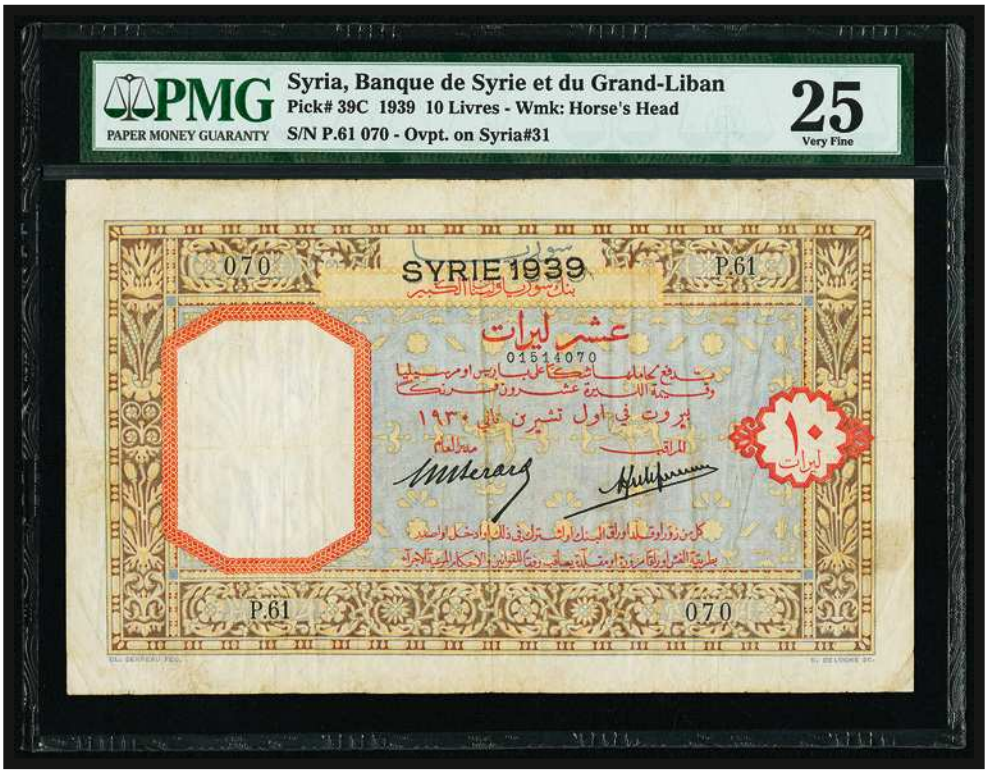

28561 **Switzerland** National Bank 500 Franken 16.10.1947 Pick 36f **PMG Very Fine 30**.
Seldom seen in any grade, this sleeper hit is, in fact, only the second example to be publicly auctioned in the last decade. Additionally, at the time of cataloging, there are only four examples graded in the *PMG Population Report*. This denomination is scarce, as its enormous face value prevented most from being saved for posterity. Pinholes are mentioned for accuracy on this banknote.
Starting Bid: $500

28562 **Switzerland** National Bank 1000 Franken 1999 Pick 74b **PMG Gem Uncirculated 66★.**
Jacob Burckhardt, the historian who wrote *The Civilization of the Renaissance in Italy*, is portrayed on this highest denomination. When Switzerland issued this series of banknotes, the design and security features were viewed as cutting edge. The cataloger agrees with this sentiment in hindsight. Colorful and very attractive, this variety is getting ever more difficult to acquire in higher grade.
Starting Bid: $750

Sole Graded Example

28563 **Syria** Banque de Syrie et du Grand-Liban 10 Livres 1939 Pick 39C **PMG Very Fine 25.**
A rare note, the sole graded example registered in the *PMG Population Report*, features a lovely landscape vignette of Ornate ruins encased in an artistically designed frame depicted on the back. An arrangement of well blended subtle orange, brown and yellow inks create a tranquil effect on this note. Overprinted on Pick 31 and watermarked with a horses head in a rope patterned frame, this would be a great addition to any collection.
Starting Bid: $2,500

First of Two Consecutive 1939 100 Livres

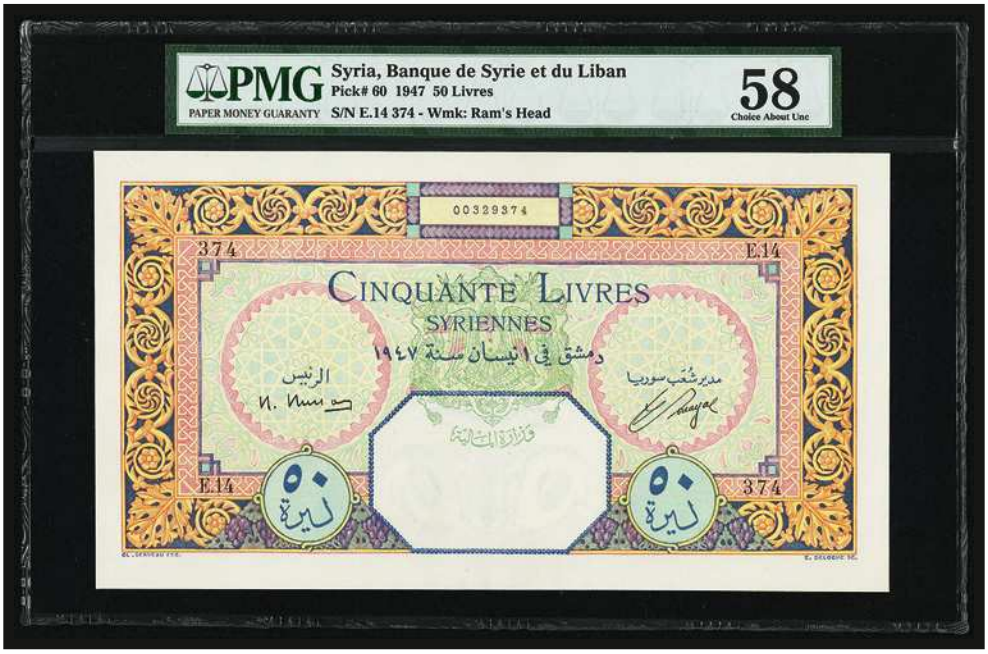

28564 **Syria** Banque de Syrie et du Grand-Liban 100 Livres 1939 (old date 1.11.1930) Pick 39D **PMG About Uncirculated 55.**
An incredible offering, very rarely seen in any grade. This fully issued example is the first of a pair of consecutive serial numbered notes in auction today, and the pair represents the two finest graded examples in the PMG Population Report. This large format, high denomination note only saw brief circulation. A small, six-digit serial number is seen, which hints at the limited issuance of this type. The colors schemes are vivid and the paper is completely crisp and original. A tiny mark on the back right margin prevents EPQ status on this otherwise stunning example. An important offering.
Starting Bid: $2,500

Second of Two Consecutive 1939 100 Livres

28565 **Syria** Banque de Syrie et du Grand-Liban 100 Livres 1939 (old date 1.11.1930) Pick 39D **PMG About Uncirculated 55 EPQ.**
An incredibly rare offering, which is the single finest graded example in the PMG Population Report. In addition to being the second note in a consecutive pair, it is the only example in the PMG Report granted EPQ status. The enormous buying power and sheer size of this type prevented the vast majority of notes from being saved for posterity. As rare as this note is, the majority of known examples are heavily circulated, making this high grade example simply remarkable. One of the key notes of this sale, this totally original example will be virtually impossible to top.
Starting Bid: $3,000

Finest Graded 1947 50 Livres

28566 **Syria** Banque de Syrie et du Liban 50 Livres 1947 Pick 60 **PMG Choice About Unc 58.**
An incredible large sized higher denomination in issued form. The first date of 1947 can be seen, together with an overprint stamp of the Syrian Republic coat of arms, and "Ministry of Finance" in Arabic. Due to the large sum of money this denomination represented at the time, and having circulated for only two years, it is highly unusual to find it in any grade, let alone in this About Uncirculated condition. This example is the finest of the four notes registered in the *PMG Population Report*. Truly sensational, and rare.
Starting Bid: $3,500

28567 **Trinidad & Tobago** Government of Trinidad and Tobago 1 Dollar 1.4.1905 Pick 1b **PMG Very Fine 25**.
Featuring the first date of issue, this handsome example is seldom seen at auction. All colors and details are easily visible on this initial denomination. Issuance of this design began in 1905 and continued until 1929, when an updated variety was released. Desirable and scarce.
Starting Bid: $750

28568 **Trinidad & Tobago** Government of Trinidad and Tobago 1 Dollar 1.1.1932 Pick 3 **PMG Very Fine 25**.
A handsome, larger format type, relatively short-lived and desirable in any grade. At the time of cataloging, only a mere 13 examples have been graded by PMG. Repairs are mentioned on the back of the third party holder. Nevertheless, the overall eye appeal of this example is quite good for its assigned grade. We have not offered this design before.
Starting Bid: $600

28569 **Tunisia** Banque de l'Algerie,Tunisie 1000 Francs 16.4.1924 Pick 7b **PCGS Apparent Very Fine 30.**
A scarce early date is seen on this visually pleasing large format note. "Tunisie" was overprinted on Algeria Pick 76 for this issue. The grading company mentions edge tears and minor rust stains on this example.
Starting Bid: $600

28570 **Uruguay** Banco Comercial 100 Pesos 1.10.1872 Pick S128s Specimen **PMG Choice Uncirculated 64 EPQ**.
Created by Bradbury, Wilkinson & Company, this beautiful, large format Specimen is seldom seen and desirable as such. At the time of cataloging, this is the lone example graded in the *PMG Population Report*. Notice the extra wide counterfoil at left, which would have been severed for issued banknotes. The paper is remarkably fresh considering this Specimen's advanced age.
Starting Bid: $500

28571 **Venezuela** Banco Caracas 20 Bolívares 1920-28 Pick S153 **PMG Very Fine 30**.
A pleasing mid-grade example of a very rare issued note from the provincial bank for the country's capital Caracas where virtually all of the known surviving notes are Specimens. Even wear and pleasing color are found on this well margined 20 bolivares note.
Starting Bid: $1,250

28572 **Venezuela** Banco Caracas 20 Bolivares 22.2.1928 Pick S158 **PMG Choice Fine 15**.
Intense guilloche designs and deep inks remain visible on this early issue. This is the sole graded example in the *PMG Population Report* making it a difficult find and a great addition to any rare collection. An image of *Liberty* on the left and a cherub on the right remain clear on this note. The third party grading company annotates minor tape repairs which do not detract from the interest in this example.
Starting Bid: $750

28573 **Venezuela** Banco Caracas 100 Bolivares 22.6.1928 Pick S159 **PMG Choice Fine 15**.
A rare issued example of a type that usually only appears on the auction circuit in Proof or Specimen form. A vignette of a woman, frequently recurring on various Portuguese colonial issues, enhances the left hand side of this issue's face. This note grades the highest on the PMG census of only two graded. Two pinholes are noticed near the left margin.
Starting Bid: $750

28574 **Venezuela** Banco Venezolano de Credito 20 Bolivares 1925-28 Pick S242a **PMG Very Fine 25**.

A lovey vignette of vaqueros roping cattle highlights the front while, a vignette of cows adorns the back of this early example. Well blended inks and complex guilloche designs are seen throughout this issue printed by The American Bank Note Company. This note is tied for the second highest grade of six in the *PMG Population Report* denoting the scarcity of this pick.

Starting Bid: $1,000

28575 **Venezuela** Banco Venezolano de Credito 100 Bolivares ND (1925-28) Pick S243a Specimen **PMG Gem Uncirculated 65 EPQ**.

A handsome example of this higher denomination type, of which issued examples are extraordinarily scarce. Excellent original quality is seen on this Specimen, which features hole punched cancellations and red overprints. We have not offered this type in a finer grade, which makes this an important opportunity to acquire this type.

Starting Bid: $600

Finest Graded in PMG Population Report

28576 **Western Samoa** Territory of Western Samoa 10 Shillings 13.7.1955 Pick 7c **PMG Choice Extremely Fine 45 EPQ.**

A well preserved 1955 dated 10 shillings with the signatures of Thomas Clifton Webb and Leicester Mitchell Cook. Administered by New Zealand, the notes from this series were issued as needed with dates and signatures applied on an ad hoc basis. This vibrantly colored note is the highest graded of seven registered examples in the *PMG Population Report*. The last example we handled in an Extremely Fine 40 EPQ grade realized $1200 and expect this finest known 10 shillings to easily surpass our low estimate.

Starting Bid: $750

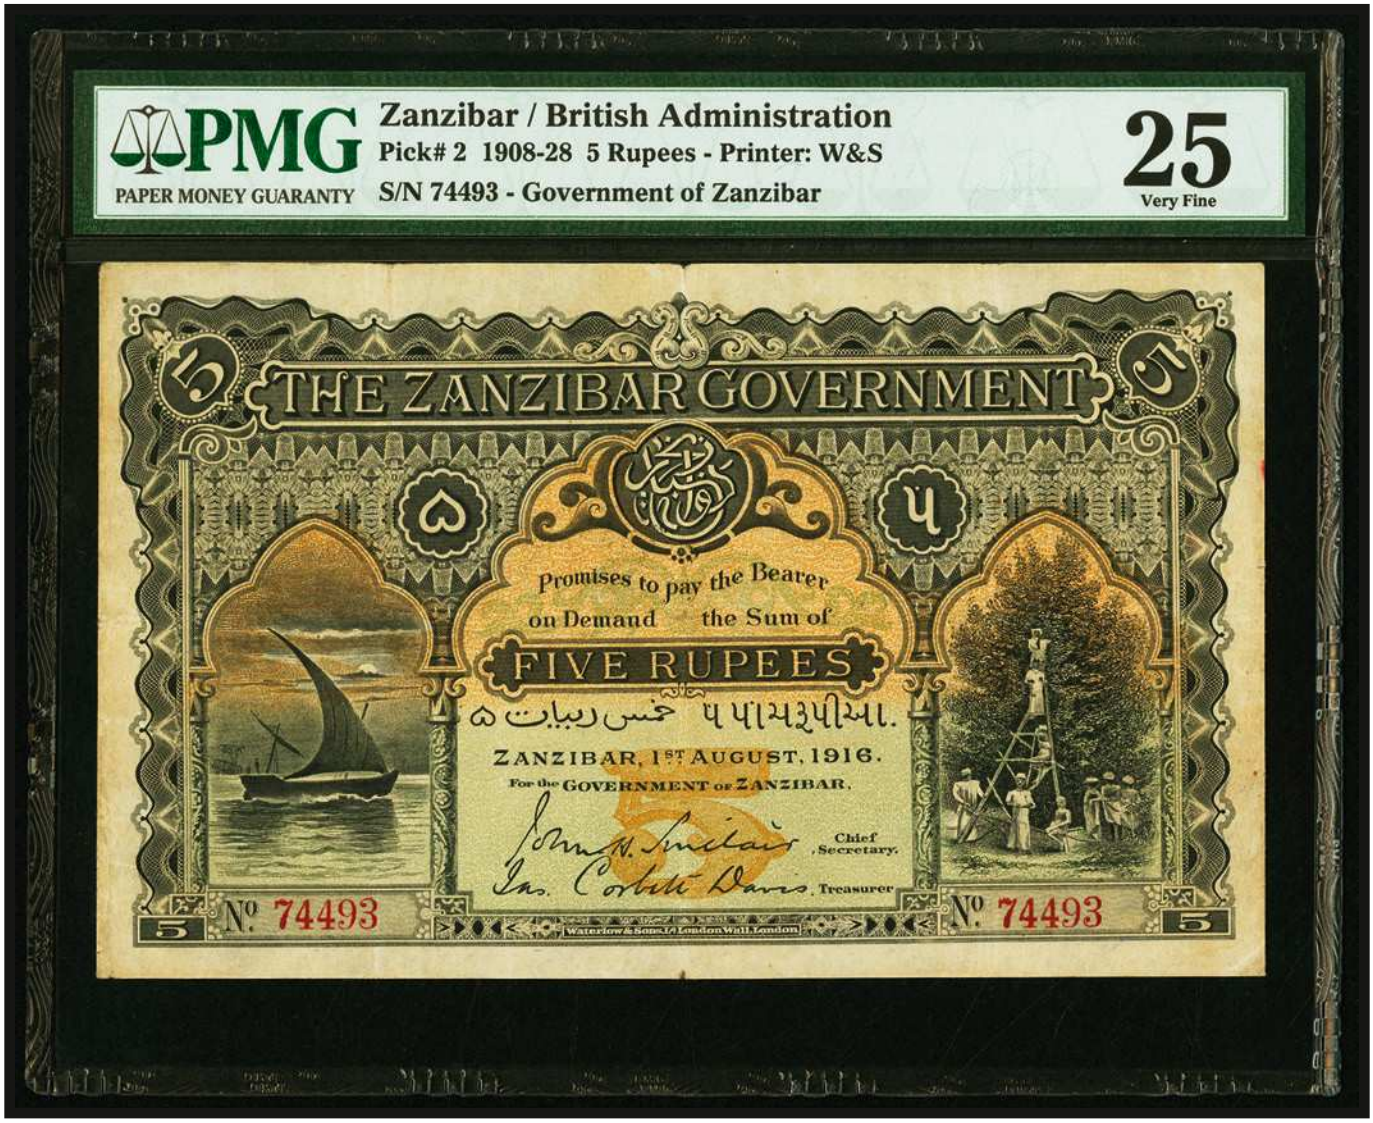

28577 **Western Samoa** Territory of Western Samoa 10 Shillings ND (1922-59) Pick 7s Specimen **PMG Choice Uncirculated 64.**

A scarcer Specimen variety from this highly sought after early series. This example features the printer's annotations in the top margin and a perforated Specimen, with no signatures, dates, or serial numbers. This 10 shillings is the finest of the two graded Specimen notes registered in the *PMG Population Report*. The typical previous mounting is noted.

Starting Bid: $500

Iconic Indian Ocean Rarity

28578 **Zanzibar** Zanzibar Government 5 Rupees 1.8.1916 Pick 2 **PMG Very Fine 25**.

Always an exciting offering, rare and desirable with any date and in any grade. This denomination is so scarce that only six different examples have crossed the auction block in the last 15 years, across all dates of the series, which ranged from 1908 to 1928. Coinage for Zanzibar began in the 19th century during the Sultanate, with banknotes following after the British secured a Protectorate for Zanzibar and Pemba. After World War I, the Germans were expelled from East Africa, which secured British superiority along that stretch of the western Indian Ocean. East African banknotes took over in Zanzibar in the 1930s, with local issues being actively redeemed at that time. While Zanzibar was a trading post, economic superiority was in the hands of the select few elite, while the rest of the population remained marginalized, hence the inability to save these notes for posterity. The face side of this note is quite good for the grade, and the back is clean save for some interesting accounting notations, hinting at the buying power of these banknotes. Iconic, rare, and increasingly desirable.

Starting Bid: $17,500

Incredible Zanzibar Color Trial Specimen

28579 **Zanzibar** Zanzibar Government 20 Rupees 1.1.1908 Pick 4cts1 Color Trial Specimen **PMG Choice Uncirculated 64**.
A legendary design from the most sought-after country in the entire Standard Catalog. All denominations have a uniface, standardized theme, differentiated by size and color. This higher denomination type is incredibly rare in any and all varieties, with only six sales records in the last nine years. Waterlow & Sons created this beautiful Color Trial Specimen as a presentation piece, and its state of presentation is simply remarkable. British influence on the small Indian Ocean island began in the late 19th century, culminating with the issuance of banknotes beginning in 1908, with final date being released in 1929. East African banknotes replaced these notes beginning in the mid 1930s which forced the redemption of Zanzibar Government types. Hole punched cancellations accompany red and black printer overprints. An utterly beautiful type, as rare as it is handsome.
Starting Bid: $30,000

28580 **Zimbabwe** Reserve Bank of Zimbabwe 100 Trillion Dollars 2008 Pick 91 Pack of 100 **Crisp Uncirculated**.
A well preserved pack of this very high denomination that had extensive news coverage when it was in circulation. This pack is also well centered, each note exhibiting bold embossing of the serial number. Hyperinflation was 98% per day in mid-November 2008. This resulted in a US Dollar becoming equivalent to the staggering amount of Zimbabwe 2,621,984,228 Dollars. Minor edge handling may be present on the top and bottom notes. (Total: 100 notes)
Starting Bid: $1,500

Cancelled perforated, with 4 punch holes.

Starting Bid: $400

29005 **Algeria** Banque de l'Algerie 50 Francs 1920-38 Pick 80s Specimen **PMG Choice Uncirculated 64**.
A simply stunning design with beautiful engravings is seen on this widely sought Specimen. The red overprint and minor internal tear do little to minimize the overall impression left by this highly collectible type.
Starting Bid: $400

29006 **Algeria** Banque de l'Algerie 1000 Francs 31.3.1938 Pick 83a **PMG Choice Extremely Fine 45**.

An atypically high grade is noticed for this large sized highest denomination from this North African French territory. Curious imagery is used throughout, but most strikingly would be of a French woman holding an oar and cornucopia staring at a veiled Algerian woman on the back. Pinholes and minor rust.
Starting Bid: $350

29008 **Angola** Republica Portuguesa 5 Angolares 1926 Pick 66s Specimen **PMG Gem Uncirculated 66 EPQ**.

A strong image of King George V in Scottish military uniform is featured on the front of this impressive example. Amazing inks and detailed guilloche designs are seen throughout. After the release of this brown and white type, there were public complaints that this note could be mistaken for the 10 Pound note in this new series. To rectify the complaints, red overprints were added to the front of the note to help distinguish it from other issues. Third parting grading company mentions erasure.
Starting Bid: $250

29011 **Australia** Commonwealth Bank of Australia 1 Pound ND (1933-38) Pick 22 R28 **PMG Choice Extremely Fine 45 EPQ**.

We believe that PMG might have used the wrong Pick number, as we have been unable to find the designated Pick in any of our references. This is one of three examples we are offering. 29342 **Peru** Compania de Obras Publica y Fomento 1 Sol 4.7.1876 Pick S444b **PMG About Uncirculated 53.**
More commonly found in the lowest grades, this interesting, smaller denomination was luckily plucked from circulation after only a brief stint. Notice the plaque "PROGRESS" on coal container in the front motif, likely meaningless in Peru but a tell tale sign that this type was printed in the United States. Small insect holes are noted for accuracy on this otherwise handsome banknote.

Unusually good paper and ink strength are seen on this rare, high denomination issue. Only 2,100 banknotes featuring this date were printed and issued, with most being redeemed decades ago. Interestingly, this note seems to also have been redeemed, as evidenced by its teller stamp "Jan 14 1949", well after BPI ceased issuing banknotes. Thankfully, despite redemption, the note was saved to be enjoyed by avid collectors today.

The British lion, ready to pounce, is seemingly guarding the Crown and figurative union between Scotland and England. Very attractive and rare in this format.
Starting Bid: $450

29386 **Seychelles** Government of Seychelles 5 Rupees 1.8.1960 Pick 11b **PMG Choice Uncirculated 64**.
The simple design is boldly printed and perfectly framed within guilloche patterned borders. A popular and desirable issue, and the final date for this large, older type. This series is scarce, as these types were printed in very small batches compared to modern standards.
Starting Bid: $250

29387 **Seychelles** Government of Seychelles 10 Rupees 1.1.1974 Pick 15b **PMG Gem Uncirculated 65 EPQ**.
A beautiful, popular example featuring Queen Elizabeth II and a sea turtle. Below the turtle's fin is the word "SCUM" hidden in the coral at lower left. Deep blue inks on crisp paper, and beautiful guilloche patterns make this an attractive issue.

29391 **South Africa** South African Reserve Bank 10 Shillings 17.11.1931 Pick 82b **PMG Very Fine 20**.
An overprinted example, initially dated 2.4.1932, but overprinted with a revised date of 17 November 1931. At the time of Clegg's retirement, 1932 dated notes had already been printed, and had to be amended to fit the end date of his governorship. The E/12 prefix is the only prefix that saw this manual change of date. Interestingly, only 800,000 had been printed, and the additional 200,000 could be corrected to reflect the correct date. Because of the shift in currency backing, demand for small denomination notes was great, and not many of them survived. Scarce, and desirable.
Starting Bid: $300

29392 **South Africa** South African Reserve Bank 10 Pounds 19.4.1943 Pick 87 **PMG Choice Uncirculated 64 EPQ**.
An atypically Choice Uncirculated grade is seen on this large sized £10. Views of Table Mountain, and Jan Van Riebeeck's ship on the face, and the South African coat of arms on the back. This is the highest graded offering we have made for this type.
Starting Bid: $400

29393 **South Africa** South African Reserve Bank 20 Pounds 3.8.1928 Pick 88a **PMG Very Fine 25**.
This would be the second Clegg signed £20, with the first being the Pilkington design. Only 50,000 were printed, and represented a lot of money for the day. Incredible vignettes of Van Riebeeck's arrival at the Cape on the face, and South African. "Edge pieces missing" is noted on the holder.
Starting Bid: $300

29394 **South Africa** South African Reserve Bank 10 Shillings 22.4.1949 Pick 91b **PMG Very Fine 30**.
An elusive experimental example with the A/21 prefix, indicating a thicker paper was used. This was the case for only this prefix, and has the Afrikaans/English language sequence. Only one million were issued. This is the sole graded example in the *PMG Population Report*.
Starting Bid: $250

29395 **South Africa** South African Reserve Bank 1 Pound 12.4.1949 Pick 93b **PMG Choice Uncirculated 64**.
An incredible example of a very rare B/28 prefixed £1. This was the only prefix where thicker paper was used, and totaled at a million notes issued, a drop in the bucket when there was a total of 377 million issued for this Pick type. Exceptionally difficult, and missing from most collections.
Starting Bid: $300

29396 **South Africa** South African Reserve Bank 5 Pounds 16.11.1948 Pick 95 **PMG Gem Uncirculated 65 EPQ**.
A scarce Pick variety that only circulated for 2 years, featuring Jan Van Riebeeck and stunning metaphoric vignettes of the 4 original provinces on the face. A beautiful vignette of Van Riebeeck's ship, the Drommedaris, is portrayed on the back. Scarce in higher grades.
Starting Bid: $250

29397 **South Africa** South African Reserve Bank 10 Pounds 5.3.1953 Pick 98 **PMG Gem Uncirculated 65 EPQ**.
A beautiful highest denomination graded Gem from South Africa. This would have been the last pound issue before the introduction of the rand before South Africa became a republic in 1960. Jan Van Riebeeck on the face, and a vignette of a gold mine, most likely in the Witwatersrand, on the back. It would be difficult to find this note in a higher grade.
Starting Bid: $300

29398 **South Africa** South African Reserve Bank 10 Pounds 5.3.1953 Pick 98 **PMG Gem Uncirculated 65 EPQ**.
The second example of a consecutive pair, with the first in the previous lot. Stunning vignettes of a zebra, buffalo, baboon, and springbok are featured on the face. A protea, the national flower of South Africa, is shown next to the portrait of Jan Van Riebeeck. An industrial scene is depicted on the back. Scarce in Gem grade.
Starting Bid: $300

29399 **South Africa** Republic of South Africa 5 Rand ND (1966) Pick 112a* Replacement **PMG Gem Uncirculated 66 EPQ**.
This would be one of the hardest South African Replacements that is missing from most collections, in top tier grade. Jan Van Riebeeck, ossewa or ox wagon, and the Afrikaner monument on the face, signed by Rissik. There are only three graded examples in the *PMG Population Report*, with this example being the top graded by far. The next graded note is a Choice Extremely Fine 40. This Pick variety is very rarely offered for sale, and we believe our estimate to be on the conservative side. A great opportunity to acquire this pretty thing.
Starting Bid: $400

29400 **South Africa** Cape Uniform Banknote 1 Pound 3.1.1897 Pick S320b **PMG Choice About Unc 58 EPQ**.
An interesting, monotone proof that features the face side of this pre-Union type for the Cape Province. Oddly, this example has a full date, but the specific issuer is omitted. Assuredly very rare, and desirable in this format.
Starting Bid: $250

29401 **South Africa** Cape Government V.O.C. Issues 40 Rix Dollars 3.6.1830 Pick Unlisted Uncut Sheet of Three Remainders **PMG About Uncirculated 53.**
An uncut sheet of three notes of this unusual denomination. These notes were issued under the British administration. The Rix Dollar was rendered obsolete in 1832, and was requested to be redeemed. It would be accurate to mention that Rix Dollar types are almost unobtainable in issued form, and Remainders are perhaps as good as it gets. Watermarked "J. Green & Son 1826", and a small tear is mentioned.
Starting Bid: $300

29402 **South Vietnam** National Bank of Viet Nam 200 Dong ND (1958) Pick 9s Specimen **PMG Superb Gem Unc 67 EPQ.**
A composition of impressive inks and guilloche designs is displayed on this appealing example of this South Vietnamese Specimen. Red serial number 00000 and overprinted "SPECIMEN" diagonally are seen on the front only. Two POCs are noted.

Starting Bid: $325

29415 **Switzerland** National Bank 100 Franken 1956-73 Pick 49s Specimen **PMG Choice Uncirculated 64 Net**.
This denomination of this Swiss issue contains some of the most appealing vignettes to be found on bank notes. A well margined Specimen with the four DLR overprint stamps. Three POCs and previous mounting are noted.
Starting Bid: $250

29416 **Switzerland** National Bank 500 Franken ND (1961-74) Pick 51s Specimen **PMG Uncirculated 62 Net**.
A beautiful and scarce Specimen example of this higher denomination Swiss note with great color on both face and back. Previous mounting is mentioned by the grading company.
Starting Bid: $400

29417 **Switzerland** National Bank 1000 Franken 1.1.1967 Pick 52h **PMG About Uncirculated 50**.
Something of an art piece, and understandably so, for the Swiss highest denomination. A Thousand Francs represents a lot of money for a single banknote today, and even more back in 1967. Apart from a center fold and handling, this example saw little circulation. A great example, and a definite conversation starter for any collection.
Starting Bid: $350

29418 **Switzerland** National Bank 1000 Franken ND (1954-74) Pick 52s Specimen **PMG Choice Uncirculated 64 Net**.
The allegorical scene Dance Macabre, found on the back of the note, is one of the most captivating vignettes this cataloger has laid eyes upon. A beautiful note that is a testament to how far the art of engraving had advanced by the mid 20th century. Evidence of a previous mounting is found on the back.
Starting Bid: $350

29419 **Syria** Central Bank of Syria 50 Pounds 1958 Pick 90a **PMG Superb Gem Unc 67 EPQ.**
An important and scarce 1958 Syrian issue that has never before been publicly auctioned in 67 EPQ grade. The vignette on the back is of the Sultan Selim Mosque, which has been described as the finest example in Damascus of Ottoman architecture.
Starting Bid: $400

29420 **Syria** Central Bank of Syria 100 Pounds 1958 Pick 91a **PMG Gem Uncirculated 66 EPQ.**
An underrated high denomination from the 1950's that circulated for a very brief period. Stunning vignettes of the ruins of Hadrian's gate and eagles are shown on the back. This first time that we have offered this type in Gem grade. It shares the spot with one other example as the highest graded on the PMG census.
Starting Bid: $400

29421 **Tunisia** Banque de l'Algerie 1000 Francs 28.3.1924 Pick 7b **PCGS Extremely Fine 45PPQ.**
An intriguing, large format example enhanced by two boys reading at bottom on the face, while dragons grace the back. *Please note, there is a minor crack in the PCGS holder on the lower left and this lot will be sold as is.*
Starting Bid: $400

29422 **Tunisia** Banque de l'Algerie Tunisie 1000 Francs ND (1941-42) Pick 20as Specimen **PMG Choice Uncirculated 64.**
A handsome and scarce World War II era Specimen, and desirable in Uncirculated grade. Carefully applied Specimen stamped overprints across the watermarked area do little to detract from the overall appearance. Quite pretty in this format.
Starting Bid: $400

29423 **Turkey** State Notes of the Ministry of Finance 5 Livres ND (1918) / AH1334 Pick 109b **PMG Choice Very Fine 35.**
A lovely array of pastel colors are still visible on this early example, holding the highest grade in the *PMG Population Report*.
Starting Bid: $300

29424 **Uruguay** Banco De Credito Auxiliar 4 Centesimos 1.10.1888 Pick S161a **PMG Choice Very Fine 35**.
A low serial number example prepared by the South American Bank Note Company. The signed version of this small denomination is stained as noted by the third party grading company but all details seem to remain clear and visible. The *PMG Population Report* shows only four graded examples, none above a 30 so it seems that this would be the highest graded example and may have missed the registration process.
Starting Bid: $250

29425 **Uruguay** Banco de Espana y Rio de la Plata 10 Pesos 1.1.1888 Pick S169fp Front Proof **PMG Superb Gem Unc 67 EPQ**.
A rarely seen Front Proof from the Bank of Spain and the Rio de la Plata, Montevideo branch. The face side has been matted to large cardstock for visual effect. Only the second example offered in a major auction in recent memory. Desirable and assuredly scarce.
Starting Bid: $350

29426 **Uruguay** Banco Montevideano 50 Centesimos 3.1.1866 Pick S352a **PMG Very Fine 20**.
Delightful cherubs grace the front of this surviving example printed by the American Bank Note Company. Only one of two graded on the PMG census. Krause does not attempt to put a value on this variety. The third party grading company mentions previously mounted and repairs.
Starting Bid: $300

Starting Bid: $250

A scarce, surviving example from 1860 with only three graded in the *PMG Population Report*. A guarantee affixment is seen on the back of this early example.
Starting Bid: $300

29429 **Solid 8s Serial Number Venezuela** Banco Central De Venezuela 200 Bolivares 13.3.2018 Pick 107a **PMG Gem Uncirculated 66 EPQ.**
An important banknote from the modern era of Venezuela, and assuredly scarce with a solid serial number and a single-letter prefix. Pack fresh original quality is seen on this fortuitous banknote - quite a lucky find considering the economic state of the formerly prosperous nation.
Starting Bid: $300

29430 **Venezuela** Banco Comercial de Maracaibo 10 Bolivares 1929 Pick S176 **PMG Very Good 10**.
An early 1920s example that is rarely seen in issued form. Similar in design to the 1921 issue with the exception of the capitalization rate, which changed from 400,000 to 2,000,00 for this 1929 issue. The third party grading company mentions rust damage.
Starting Bid: $250

29431 **Venezuela** Banco Comercial de Maracaibo 10 Bolívares ND (ca. 1933) Pick S181 **PMG Very Good 10**.
A surviving issue featuring a portrait of General R. Urdaneta on the front and a vignette of vaquero roping cattle on the back. Edge damage is obvious on this example but the deep red inks remain. This is one of three graded examples in the *PMG Population Report* which reflects the scarcity of this note.
Starting Bid: $250

29432 **Venezuela** Banco Mercantil y Agrícola 10 Bolívares 1927-35 Pick S231a **PMG Fine 12**.
Printed by The American Bank Note Company, deep orange inks are still visible on this surviving early issue. Relevant to the bank's title, an agricultural scene is depicted on the front and an allegorical scene enhances the back. There are only six graded examples in the *PMG Population Report* making this a great addition to any scarce collection.
Starting Bid: $250

29433 **Venezuela** Banco Mercantil y Agrícola 20 Bolívares 21.2.1927 Pick S232a **PMG Very Fine 25**.
Impressive deep green inks were utilized to create this early issue printed by The American Bank Note Company. Although this example has been trimmed it does not seem the detract from the two beautiful vignettes on the front and back.
Starting Bid: $300

29434 **Venezuela** Banco Venezolano de Credito 20 Bolívares 1931-39 Pick S247a **PMG Choice Fine 15**.

Starting Bid: $400

29435 **Venezuela** Banco de Venezuela 8 Reales = 1 Peso 1.3.1862 Pick S251 **PMG Choice Fine 15**.
A surviving first issue from 1862. Although the third party grading company mentions stains, black inks inside a simple border still remain legible on this uniface example.
Starting Bid: $400

29436 **Zambia** Bank of Zambia 10 Shillings ND (1964) Pick 1a **PMG Superb Gem Unc 67 EPQ**.
The highest graded example of this variety that we have ever offered, this note holds the top spot with two others on the *PMG Population Report*. Always a popular issue, with striking designs including a Chaplins Barbet on the face of this note.
Starting Bid: $350

29437 **Zambia** Bank of Zambia 10 Shillings ND (1964) Pick 1s Specimen **PMG Gem Uncirculated 66 EPQ**.
A lovely vignette of the Chaplin's Barbet bird graces the front of this 10 Shillings Specimen. This is from the first series of Zambia notes, which were issued in the British pound system before being replaced by the Zambian kwacha and ngwee currency in 1968. One POC and red Specimen overprints are present.
Starting Bid: $250

29438 **Zambia** Bank of Zambia 1 Pound ND (1964) Pick 2s Specimen **PMG Superb Gem Unc 67 EPQ**.
This gorgeous example shares the finest grade with two others in the *PMG Population Report*. The Black-Cheeked Lovebird along with the vibrant colors and bright paper provide excellent eye appeal on this one pound note. One POC and red Specimen overprints are present.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Internet bids will only be accepted from pre-registered Bidders. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security so a credit check may be performed prior to Auctioneer's acceptance of a bid. Settlement via check and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction.

Bidding Options:

8. Bids in Signature® Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at http://www.ha.com/c/ref/web-tips.zx#biddingTutorial.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) and floor bids must be on-increment or at a half increment ("Cut Bid"). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding or entry of bids. When identical mail or fax bids are submitted, preference is given to the first received. To ensure the greatest accuracy, written bids should be entered on the standard printed bid sheet and received by Auctioneer at least two business days prior to Auction start. Auctioneer is not responsible for executing mail bids or fax bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, fax, email, Internet, or in person once Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only $1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

 Current bidding increments during any live auction session or components thereof (e.g. mail/fax bids and LiveProxy bidding) (see HA.com/c/ref/web-tips.zx#guidelines-increments) are:

Current Bid	Bid Increment	Current Bid	Bid Increment
< $10	$1	$10,000 - $19,999	$1,000
$10 - $49	$2	$20,000 - $49,999	$2,000
$50 - $99	$5	$50,000 - $99,999	$5,000
$100 - $199	$10	$100,000 - $199,999	$10,000

$500 - $999	$50	$500,000 - $999,999	$25,000
$1,000 - $1,999	$100	$1,000,000 - $1,999,999	$50,000
$2,000 - $4,999	$200	$2,000,000 - $9,999,999	$100,000
$5,000 - $9,999	$500	>= $10,000,000	$200,000

 Note: Half-increment bidding is available prior to the live auction session.
12. If Auctioneer calls for a full increment, Bidder may request Auctioneer to accept a Cut Bid only once per lot. After offering a Cut Bid, Bidder may continue to bid on lot only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions. Bids solicited by Auctioneer at other than the expected increment will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. Any successful bid placed by a consignor on his property on the Auction floor, by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot. Auctioneer or its affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates.
14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise. Regardless of placed bids, Auctioneer reserves the right to withdraw any lot, or any part of a lot, from Auction at any time prior to the opening of any such lot by the auctioneer (crier), or in the case of Internet-only auctions when the bid opens for either live Internet bidding or the beginning of any extended period.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold or the Auctioneer may place a protective bid on behalf of the consignor.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, bidding may be extended at Auctioneer's discretion. Bidders unable to place their bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots.
22. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
23. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

24. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the merchandise; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, thirty days when drawn on an international bank. Clients with pre-arranged credit may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 business days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website. Payment via credit card (Visa, Mastercard, and Discover) will be accepted upon prior approval by Auctioneer. All payments by credit card will incur a surcharge of 2.5%. Payment by eCheck, wire transfer, or check will not incur a surcharge. This fee only applies to credit transactions, and does not exceed Auctioneer's cost of processing.
25. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after Auction close. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer. Alternatively, Auctioneer at its sole option, may charge a twenty (20%) fee based on the amount of the purchase. In either case the Auctioneer may offset amount of its claim against any monies owing to the Bidder or secure its claim against any of the Bidder's properties held by the Auctioneer.
26. Purchased lots may be subject to taxes or fees imposed by various foreign taxing agencies. Buyer is responsible for paying all foreign imposed taxes whether VAT, GST, etc. prior to delivery unless other arrangements are made in writing. Lots delivered to Buyer, or Buyer's representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Should state sales tax become applicable in the state for delivery prior to delivery of the property on the invoice, Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. Buyer agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
27. In the event that Buyer's payment is dishonored upon presentment(s), Buyer shall pay the maximum statutory processing fee set by applicable state law. If Buyer attempts to pay via eCheck and Buyer's financial institution denies this bank account, or the payment cannot be completed using the selected funding source, Buyer agrees to complete payment using your credit card on file (subject to the surcharge detailed in paragraph 24).
28. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, Buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
29. In the event Buyer fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Buyer agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Buyer is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
30. Title shall not pass to Buyer until all invoices are paid in full. Auctioneer shall have a lien against the merchandise purchased by Buyer to secure payment of any and all outstanding Auction invoices. Auctioneer is further granted a lien and the right to retain possession of any other property of Buyer then held by Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due Auctioneer or affiliates from Buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). Any Heritage

foreclosure auction venue, whether or not the same venue as when the debt was incurred (e.g. Signature, Internet, or weekly), is deemed a reasonably commercial sale. In addition, with respect to payment of the Auction invoice(s), Buyer waives any and all rights of offset he might otherwise have against Auctioneer and the consignor of the merchandise included on the invoice. If Buyer owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Buyer, and it may secure by possessory lien any unpaid amount by any of the Buyer's property in their possession.

Delivery; Shipping; and Handling Charges:

31. Buyer is liable for all shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Merchandise will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer (subject to the surcharge detailed in paragraph 24).
32. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item'(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot.
33. On all shipments in which Auctioneer charges the Delivery, Handling, and Transit Fee *infra*, any risk of loss during shipment will be borne by Auctioneer until the common carrier's confirmation of delivery to the address of record in Auctioneer's file, this is the "Secure Location". A common carrier's confirmation is conclusive to prove delivery to Buyer; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature. Auctioneer shall arrange, select, and engage common carriers and other transportation vendors on your behalf. Transit services are subject to the following terms and conditions:
 a. Scope of Transit Services: Merchandise for transit will be insured under one or more insurance policies issued by an authorized broker to Auctioneer. The merchandise will be insured for the invoice price of the properties (hammer price plus Buyer's Premium) ("Insured Value"). For each shipment, Buyer will provide a Secure Location to which the items will be delivered. NOTICE: **Auctioneer is neither an insurance company nor a common carrier of any type.**
 b. Auctioneer's Compensation for Transit Services: Auctioneer will provide transit services to Buyer for ¾ of 1% of the Insured Value, plus packaging and handling fees and fees for the common carrier (collectively, "Delivery, Handling, and Transit Fee"). Buyer agrees to pay Delivery, Handling, and Transit Fee and comply with all terms of payment as set forth herein.
 c. Auctioneer's Limitation of Liability for Transit Services: Buyer understands and agrees that Auctioneer's liability for loss of or damage to the items, if any, ends when the items have been delivered to the Secure Location, and Auctioneer has received evidence of delivery. Any claim that property has sustained loss or damage during transit must be reported to Auctioneer within seventy-two (72) hours of the delivery date. Any recovery for loss of or damage to any merchandise is limited to the lesser of actual cash value of the merchandise or the Insured Value. **Under no circumstances is Auctioneer liable for consequential or punitive damages.**
34. It shall be the responsibility for Buyer to arrange pick-up or shipping in a timely manner (within 10 days). Merchandise will be subject to storage and moving charges, including a $100 administration fee plus $10 daily storage for larger items and $5 daily for smaller items (storage fee per item) after 35 days. In the event the merchandise is not removed within ninety days, the merchandise may be offered for sale to recover any past due storage or moving fees, including a 20% Seller's Commission.
35. A. NOTICE OF CITES COMPLIANCE: The purchase of items made from protected species: Any property made of or incorporating endangered or protected species or wildlife may have import and/or export restrictions established by the Convention of International Trade in Endangered Species of Wild Fauna and Flora (CITES) in various countries and domestically. Plant and animal properties include (but are not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, alligator, lizard, or other wildlife. These items may not be available to ship internationally or, in some cases, domestically. Domestic bans and restrictions exist in these states: 1) California state law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California. 2) Fossil Ivory is currently banned or restricted in 5 U.S. states: New York, New Jersey, California, Hawaii, and New Mexico. By placing a bid, the bidder acknowledges that he or she is aware of any restriction in their country or place of residence and takes responsibility for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment or afford them the capacity to void their purchase or payment. Lots containing potentially regulated wildlife material are noted in the description as a convenience to our clients. Heritage Auctions does not accept liability for errors or failure to mark lots containing protected or regulated species. For further assistance, please contact client services at 1-800-872-6467.
35. B. California State law prohibits the importation of any product containing Python skin into the State of California. No merchandise containing Python skin will be shipped to or invoiced to a person or company in California.
35. C. Auctioneer shall not be liable for any loss caused by or resulting from:
 a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
 b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles.
36. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties, and Disclaimers:

37. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of merchandise or second opine contained in this Auction is for the sole purpose of identifying merchandise for those Bidders who do not have the opportunity to view merchandise prior to bidding, and no description of merchandise has been made part of the basis of the bargain or has created any express warranty that merchandise would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, e.g. Fine Art, may have express written warranties and Bidder is referred to those specific terms and conditions.
38. Auctioneer is selling only such right or title to merchandise being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the merchandise. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.
39. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.
40. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any merchandise by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.
41. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for return or reduction in purchase price.

Release:

42. In consideration of participation in Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opines, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein, and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.
43. Notice: Some merchandise sold by Auctioneer is inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Buyer accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution, Arbitration, and Remedies:

By placing a bid or otherwise participating in Auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein.

44. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to, and/or arising out of Bidder's participation in Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description, and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation, or any claim made by Bidder of a lot or Bidder's participation in Auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer {which claim Bidder consents to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent) and Auctioneer each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. In the event that any Claim needs to be litigated, including actions to compel arbitration, construe the agreement, actions in aid of arbitration, or otherwise, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. A Claim is not subject to class certification.
45. Choice of Law: Agreement and any Claim shall be determined and construed under Texas law.
46. Fees and Costs: The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought versus awarded or the successful defense of a Claim based on damages sought versus awarded) may be awarded reasonable attorneys' fees and costs.
47. Remedies: Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. After one (1) year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. Exemplary or punitive damages are not permitted and are waived. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Buyer; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, refund Buyer's purchase price without further obligation. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return.
48. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

49. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.
50. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.
51. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

State Notices:

Auctioneer has in compliance with Title 2.95 of the California Civil Code as amended October 11, 1993 Sec. 1812.600, posted with the California Secretary of State its bonds for it and its employees, and the auction is being conducted in compliance with Sec. 2338 of the Commercial Code and Sec. 535 of the Penal Code.

Notice as to an Auction in New York City: This Auction is conducted in accord with the applicable sections of the New York City Department of Consumer Affairs Rules and Regulations as Amended. This a Public Auction Sale conducted by Auctioneer. The New York City Auctioneers conducting the sale of behalf of Heritage Auctions No. 1364738-DCA ("Auctioneer") are licensed Auctioneers including Dawes, Nicholas 1304724, Guzman, Kathleen 0762165, Luray, Elyse 2015375, or as listed at HA.com/Licenses and as posted at the venue site. All lots are subject to: the consignor's right to bid thereon and consignor's option to receive advances on their consignments. Auction may offer, in its sole discretion, advances on consignments and extended financing to registered bidders, in accord with Auctioneer's internal credit standards. Auctioneer will disclose to bidders, upon request, a list of lots subject to an advance, reserve, guarantee, or Auctioneer's financial interests of any kind. All Terms and Conditions of Sale are available at HA.com and in the printed catalog, including term #21 which states: Consignor, auctioneer's affiliates and, its employees may bid on their lots or other lots for their own account in accordance with the laws of New York and they may have information as to the lots not available to the public. On lots bearing an estimate, the term refers to a value range placed on an item by the Auctioneer in its sole opinion but the final price is determined by the bidders.

Notice as to an Auction in Texas. In compliance with TDLR rule 67.100(c)(1), notice is hereby provided that this auction is covered by a Recovery Fund administered by the Texas Department of Licensing and Regulation, P.O. Additional Terms & Conditions:
COINS & CURRENCY

COINS and CURRENCY TERM A: Signature® Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price ($10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, http://www.ngccoin.com/ services/writtenguarantee.asp; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, http://www.pcgs.com/guarantee.html; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency and PMG may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 10470, Peoria, IL 61612-0470; PCGS Gold Shield, PO Box 9458, Newport Beach, CA 92658. Third-party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Notes graded by PCGS Currency between February 4, 2009 and January 30, 2019 were graded and authenticated by K3B, Inc. under license from Collectors Universe, Inc. K3B, Inc., now operating as Legacy Currency Grading, has expressed in writing that notes graded under the license during this time period will still be covered by the full written guaranty of PCGS Currency. Warranties may be available from Collectors Universe, Inc. for all PCGS Currency notes graded prior to February 4, 2009.

COINS and CURRENCY TERM G: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM H: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM I: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM J: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM K: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the noncertified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM L: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM M: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM N: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.

For wiring instructions, call the Credit department at 877-HERITAGE (437-4824) or email: CreditDept@HA.com.

"He was professional, knowledgeable, responsive and exceeded our expectations.

We called 3 national auction houses to compare listing our items, and it was because of Jim (Wolf), that we went with Heritage. I manage five nonprofit entities and we will be referring anyone with specialty auction needs to Heritage from now on. He is an asset to Heritage Auctions."
